## SECTION A – ABOUT RADF

### Purpose

The Regional Arts Development Fund (RADF) is delivered as a partnership between the Queensland Government through Arts Queensland and eligible local councils across the state.

RADF promotes the role and value of arts, culture and heritage as key drivers of diverse and inclusive communities and strong regions. RADF invests in local arts and cultural priorities, as determined by local communities, across Queensland.

RADF is a flexible fund, enabling local councils to tailor RADF programs to suit the needs of their communities

### Objectives

RADF objectives are to support arts and cultural activities that:

- Provide public value for Queensland communities.
- Build local cultural capacity, cultural innovation and community pride.
- Deliver Queensland Government’s objectives for the community.

### South Burnett Regional Council RADF Objectives

- Support skills development of South Burnett professional artists, emerging artists and arts practitioners; and
- Increase local participation in the arts in the South Burnett region.

*The Regional Arts Development Fund is a partnership between the Queensland Government and South Burnett Regional Council to support local arts and culture in regional Queensland.*

The following categories of individuals and organisations can apply for a grant:

- Individual professional artists, emerging professional artists, artswriters, cultural workers or project coordinators who:
  - Are based in the South Burnett Regional Council area, or if based outside the South Burnett Regional Council area are able to demonstrate how the project/activity will directly benefit arts and culture in the South Burnett Regional Council area; and
- Are permanent residents or Australian citizens; and
  - Have an Australian Business Number (ABN) or who will be auspiced by an incorporated organisation or individual with an ABN.
- Incorporated arts and cultural organisations based in the South Burnett Regional Council area, or those based outside the South Burnett Regional Council area that are able to demonstrate how the project will directly benefit arts and culture in the South Burnett Regional Council area.
- Unincorporated organizations, auspiced by an incorporated body, that are based in the South Burnett Regional Council area, or those based outside the South Burnett Regional Council area that are able to demonstrate how the project will directly benefit arts and culture in the South Burnett Regional Council area.

## **Australian Business Number (ABN)**

If RADF applicants do not possess a valid ABN, they must be auspiced by an individual or incorporated organisation with a valid ABN (Sponsor) who will manage the grant on behalf of the applicant.

The Sponsor is responsible for providing a financial report on completion of the project/activity. It is not responsible for the artistic direction of the project/activity.

## **What does South Burnett Regional Council's RADF not support?**

- Applicants who submit incomplete applications.
- Applicants who have failed to acquit previous RADF grants.
- Projects for which artswriters are paid less than the recommended rates.
- Activities that commence before Council approval is given because South Burnett Regional Council's RADF should not be used as a 'top-up' fund.
- Craft workshops - UNLESS a professional artist or artswriter is employed to work with the craft group to apply their skills in an innovative way to achieve an arts development outcome.
- School arts activities EXCEPT where those activities form part of broader community cultural development processes or are part of professional arts development.
- Framing or freight - only a small proportion of these costs can be covered as part of presentation costs for significant exhibitions. As a guide only, 10% of the total framing and freight costs would be considered a small proportion.
- Catering costs, openings, launches and parties are not covered by South Burnett Regional Council's RADF grants, even if they are part of an exhibition or community project.
- Entertainment - funding is not available to pay for entertainment at events, UNLESS there is a developmental aspect included, e.g. musicians performing at a community event run a series of developmental workshops for community members prior to the event.
- Eisteddfods - these are essentially competitions.

- Summer/Winter schools - If an individual is funded to attend a McGregor Summer/Winter School or equivalent institution they will not be eligible to apply to attend that event for the following two (2) years.
- Publishing costs associated with the activity, project or course.
- Purchase of capital items, e.g. equipment, buildings or vehicles.
- Recurrent funding for arts organisations - operational expenses are ineligible under the Program including wages for permanent staff and office expenses. However, local arts and cultural organisations that have regular community activities may apply for funding annually for different projects which have a project management component.
- Accredited study, training or university courses – South Burnett Regional Council does not fund the primary training of artists, only their professional development once they are practicing.
- The Program supports up to 100% of any project/activity – capped at \$3,000 per project/activity
