This Agreement shall not apply to the Chief Executive Officer and Leadership Team Members.

4. APPLICATION

Subject to this clause, this Agreement incorporates the terms of the *Queensland Local Government Officers’ Award 1998*.

This Agreement shall be read and interpreted wholly in conjunction with the incorporated terms of the *Queensland Local Government Officers’ Award 1998*, provided that where there is any inconsistency between the incorporated terms of the aforementioned Award and the express terms of this Agreement, the express terms of this Agreement shall take precedence to the extent of the inconsistency.

5. DATE AND PERIOD OF OPERATION

This Agreement will operate from the date of certification and will have a nominal expiry date of 15 March 2014.

The parties agree that negotiations will commence in relation to a new Agreement no later than six (6) months prior to the nominal expiry date of this Agreement.

6. AIM OF THE AGREEMENT

The parties to the agreement aim to:

- a) Improve productivity and efficiency and provide a united post SBRC workforce that has a strong focus on consistently delivering high levels of efficient service and customer satisfaction across all business functions in a consultative manner.
- b) Conduct its business in a financially responsible and sustainable way with the ability to adapt to changing economic influences, community expectation, needs and service delivery methods in order to maintain long term viability.
- c) Provide a working environment that encourages employees to offer a consistent level of high quality service, professionalism, ownership and team spirit by recruiting, training and retaining an effective, flexible and self motivated team of employees.
- d) Ensure that a culture of work and family life balance, work safety and health, community values, responsibility, organisational stability and sustainability is promoted and achieved through sound management practices and employee participation.

7. EQUAL EMPLOYMENT OPPORTUNITY AND DISCRIMINATION

Council is an equal opportunity employer.

“Equal opportunity” means that everyone has an equal chance of recruitment, development and promotion based solely on their demonstrated skill levels, qualifications, abilities and attitude.

Employees agree to accept responsibility for ensuring that a working environment exists at Council that is free of discrimination, harassment (particularly sexual harassment), victimisation and intimidation. Employees acknowledge and agree that unlawful discrimination, harassment, victimisation or intimidation will not be tolerated in the workplace or during work related activities and those employees who engage in such conduct will be subject to disciplinary action which may include termination of employment.

Employees also accept responsibility for complying with Council’s policies and procedures about discrimination, harassment and equal opportunity (as amended from time to time).

Nothing in this clause affects differential treatment which is specifically exempted under State or Commonwealth legislation (such as the provision of junior rates of pay).

8. JOINT CONSULTATIVE COMMITTEE (JCC)

To facilitate the implementation of this Agreement and ongoing workplace reform, effective consultation and communication are essential. To this end, a Joint Consultative Committee (JCC) will be established to replace the Local Government Employment Group (LGEG). This committee will be responsible for the role of coordinating workplace reform and ensuring effective communication between management, Unions and employees.

It is agreed that the JCC will be the Committee through which genuine consultation and discussion regarding workplace reform or changes will occur between Council, employees, and Unions. The JCC will meet as a minimum at least every three (3) months or otherwise as agreed.

The membership of the JCC will consist of three (3) Management representatives, one (1) Union representative from each Union that is party to this Agreement and one (1) Union Delegate from each Union party to this Agreement, other than the QSU which will have two (2) Union Delegates.

9. SALARY AND WAGES

- 9.1 Council agrees to pay employees a 3.5% or \$35 (whichever is the greater) increase to their current rate of pay, effective from 1 October 2011.
- 9.2 Council agrees to pay employees a 3.8% or \$35 (whichever is the greater) increase to their rate of pay, effective from the first pay period after 1 July 2012.
- 9.3 Council agrees to pay employees a 3.8% or \$35 (whichever is the greater) increase to their rate of pay, effective from the first pay period after 1 July 2013.

10. SALARY SACRIFICE

Council offers the voluntary option of Salary Sacrifice for superannuation for employees to meet the standard six percent (6%) employee's contribution or to make further contributions to the Local Government Superannuation Scheme, or for any other items allowed by the Australian taxation Office (ATO) and that do not attract Fringe Benefits Tax (FBT). Such arrangements will be facilitated using a single third party for all employees. If FBT is attracted to the salary sacrifice item (i.e. novated lease of a motor vehicle), the FBT will be the responsibility of the employee.

Council reserves the right to withdraw the facility if a change in the laws means that Council would incur an additional cost or the scheme itself becomes unlawful as a result of changes to the relevant laws. The option to Salary Sacrifice is dependent upon evidence from the employee that they have obtained independent financial advice.

Each request would be processed on a case by case basis. Once a salary sacrifice agreement is entered into the employee would be required to continue with the agreement for a period of not less than twelve (12) months.

11. PART TIME EMPLOYMENT

Where the employee agrees, Council may increase a part time employee's ordinary hours in any period to take into account operational demands and requirements, without incurring penalty rates as prescribed by the Award for the additional hours worked, provided that the total number of ordinary hours worked by the part time employee in the period does not exceed the equivalent of 36.25 hours a week/7.25hrs per day.

For the avoidance of doubt, a part time employee is entitled to be paid penalty rates (or have them banked as TOIL at the employees election) for additional hours, that the part time employee works in a period if the total number of additional hours worked in the period by the part time employee exceeds 36.25 hours per week and/or 7.25 hours per day.

All other provisions relating to part time employment as prescribed by the Award shall apply.

12. DISPUTE RESOLUTION

Effective communication between employees and Council management is a prerequisite to good industrial relations and the following procedure is set down in order that any grievances may be resolved quickly to maintain sound working relationships.

Any employee or employees with a grievance or complaint regarding an industrial matter will promptly raise the matter/s with their immediate supervisor who will endeavor to resolve the matter as soon as possible.

If the matter is not resolved at this level, the employee/s will discuss the matter/s with the next higher level of management and the employee/s may elect to be represented by an authorised officer of the relevant Union.

Should the grievance remain unresolved after fourteen (14) days, the matter should then be referred to the Chief Executive Officer and, if requested by the employee/s, an authorised officer of the relevant Union who will attempt to facilitate a resolution.

If after the above steps, the matter remains unresolved, the dispute may be referred by either the employee/s or Council to the Queensland Industrial Relations Commission for conciliation and if the matter remains unresolved, arbitration.

While the above procedure is being followed, to the extent it is safe to do so, the status quo is to be maintained, and every endeavor is to be applied to ensure that work continues normally until a resolution of the dispute is reached.

All parties agree to give due consideration to matters raised or any suggestion or recommendation made by the Queensland Industrial Relations Commission with a view to prompt settlement of the matter.

The above procedures do not restrict the Council, or an employee, or an employee's representative (being an authorised officer of the relevant Union) from making representations to each other at any stage in this procedure, or restrict the parties from agreeing to escalate any stage of this process which is not practicable.

13. WORKING HOURS AND SPAN OF HOURS

13.1 Ordinary Working Hours

The ordinary hours of work are 36.25 hours per week or 7.25 hours per day to be worked Monday to Friday inclusive between the hours of 5:00am and 8:00pm, except, where Council notifies an employee that the employee is to work their ordinary hours of duty in accordance with the Award.

By agreement working hours may be worked on any five (5) days in seven (7) as per Award provisions.

Supervisors who are required to work the same hours per week as the employees they supervise, that being 38 hours, will be paid at the applicable ordinary rate for the hours worked in excess of 36.25 hours per week (that is, 1.75 hours per week). Overtime will be paid for hours worked in excess of 38 hours per week. For the purposes of calculating an hourly rate for overtime the divisor shall be 36.25. The methodology for working a 38 hour week contained in this clause will extend to soil testers. All foreman and soil testers will receive CWA allowance.

13.2 Nine (9) Day Fortnight

Employees covered by this Agreement will be entitled to work a nine (9) day fortnight roster. The nine (9) day fortnight will be at no additional cost to Council.

The nine (9) day fortnight roster can be a rolling roster that includes Mondays, Wednesdays and Fridays or other days as mutually agreed by the parties.

13.3 Time Off In Lieu

Where Council and the employee(s) agree, employees working approved overtime may be given time off equivalent to the time worked (i.e. at single time). All time off in lieu is to be taken at a time mutually agreed between Council and the employee. If Council does not agree to the employee taking time off in lieu, the employee must be paid for approved overtime at the penalty rates prescribed by the Award within the next pay period.

14. AVERAGED OR ANNUALISED PAYMENTS

A supervisor and the majority of affected employees in a defined work area or group, and their Union/s, may agree to average or annualise regular payments due in accordance with an Award or this Agreement to provide a more stable income over a roster cycle, including:

- Annualised salaries that may include penalties, allowances, public holidays, leave loading, overtime and other payments
- Averaged payments that may include accrued time, penalties and/or allowances and/or other payments
- Wage or salary payments owed will be made on a regular basis (currently fortnightly)
- Overtime and other payments not included in annualised or averaged payments will be paid in accordance with the conditions prescribed elsewhere in the applicable Award or this Agreement, not at the annualised or averaged rate.

Any arrangements made in accordance with this clause will have no effect unless they are authorised by the Chief Executive Officer. Any such arrangements shall be recorded in writing.

Council agrees to apply all wage and incremental increases due in accordance with this Agreement and/or Award.

15. AVAILABILITY

15.1 Availability/On Call

This allowance shall apply to any employee who is required to be on call for emergency work outside ordinary working hours and is listed on the On Call Register.

Register

Council operates an out-of-hours pager/mobile phone service for emergency calls. Employees who are required by their position or who mutually agree to be on call outside the normal work hours shall be listed on a register maintained by Council.

Roster

Rosters shall be prepared from employees listed in the register with employees being advised at least one (1) month in advance of the requirement for the employee to be on call for emergency work. Rosters will generally be on a weekly cycle.

Call Outs

Call outs should be for emergency calls and generally only activated by either the pager/mobile phone system, Managers, Directors and Chief Executive Officer.

Role of On Call Employees

The role of the on call employee is to coordinate the response which may or may not require actual attendance to the site depending on the circumstances and the availability of other Council employees.

Allowance

Employees required to be on call outside ordinary working hours shall be paid the following allowance:

- \$32.45 per night for week nights (Monday to Friday)
- \$86.53 per day/night on weekends (Saturday and Sunday)
- \$162.24 or 8 hours accrued to employee's time in lieu account per day/night on public holidays

These above rates are to be indexed by the general wage increases that occur during the life of the Agreement.

Employees who are on call and who are required to conduct emergency work without leaving their place of residence shall be entitled to payment for such work conducted in excess of one half hour at the ordinary rate of pay for actual time worked. Such time worked will be cumulative. The employee will bear the onus of proving such time worked in excess of one half hour before payment is approved.

Overtime/Penalty Rates

Employees on rostered standby, called out on emergency work, shall be entitled to payment for such work from the time of leaving home to commence that work until they return home from such work, but they must return home within a reasonable time and payment shall be calculated as follows:

- Monday to Friday (inclusive) – All overtime worked shall be paid for at the rate of time and a half for the first three (3) hours worked and double time thereafter. A minimum payment of one half hour will apply.
- Saturday – All overtime worked shall be paid for at the rate of double time. A minimum payment of one half hour will apply.

- Multiple Call Outs – A minimum payment of one half hour will apply for each call out provided call outs do not overlap. Where call outs do overlap, then payment for the subsequent call out will be for actual time worked from the commencement of the original callout.

Fatigue Break

Where an employee who is rostered on call is required to work so much overtime between the termination of the employee's ordinary work on one day and commencement of ordinary work on the next day and that employee has not had at least ten (10) consecutive hours off duty between those times the employee shall, subject to this clause, be released after completion of such overtime until the employee has accrued ten (10) consecutive hours off duty without loss of pay for ordinary working time occurring during such absence.

If an employee is instructed to resume or to continue work without having had ten (10) consecutive hours off duty, the employee shall be paid at double time until the employee is released from duty for such period, and the employee shall be entitled to be absent until the employee has had ten consecutive hours off duty without loss of pay for ordinary working time occurring during that absence. However, where the time worked is less than 2 hours then it shall not be deemed as overtime for the purposes of this clause.

Recall

An on call employee who is not the designated on call employee for that period who is required to leave their premises to attend to a call out will be paid the applicable Award rates.

Transport

An employee who is rostered on call for a period (generally a week) will be eligible to have the use of a Council vehicle for work related purposes for that on call period.

Communication

Employees on call shall be provided with a mobile phone for business call purposes. Other employees rostered on call must be contactable by telephone for their period of standby.

Emergency On Call

In the case where an employee not listed on the On Call Register is required to be on call then the on call provisions shall apply to that employee. This does not include recall to work.

Call Out Logs

The call out employee for each call out received will be required to record relevant details of that call and action taken. These details shall be recorded on a form provided by Council and shall be captured in Council's Electronic Document Records Management System.

16. UNIFORMS

Council will provide all permanent full time, part-time and casual employees (choosing to wear a uniform in accordance with Council's Uniform Policy) with a uniform starter pack to the value of \$300 (exclusive of GST) and thereafter an allowance of \$330 per annum (exclusive of GST) per employee towards the corporate uniform inclusive of footwear. The allowance will be paid as a pro rata amount for part-time and casual employees based upon the hours worked in the twelve (12) month period.

In the case of employees who are required to attend work sites requiring specific work boots, they will be provided with an allowance of up to \$130 per annum to purchase the required footwear eg. Administration employees attending cattle sales.

17. FLEXIBLE MEAL BREAK

In exceptional circumstances, and when it is mutually agreed between an employee or group of employees and their supervisor, the employee or employees may delay their meal break by up to a maximum of two (2) hours, without penalty. Council has no responsibility for any expense incurred by the employee, or for any loss or damage suffered by the employee which occurs as a result of the employee performing the emergency service, during the period of leave.

18.7 All employees covered by this Agreement shall be entitled to long service leave on full pay, subject to and in accordance with the provisions of the *Queensland Local Government Officers Award 1998*. Council agrees to apply the general wage increases only (excluding incremental increases) as provided for in this agreement to the employee's maintained income/salary/wage for a period of no more than 24 months from the date of redeployment.

Accrued entitlements are to be paid at the pre-income maintenance rate of pay for employees who are redeployed to a lower classification level when leave is taken.

In the circumstance whereby an employee is voluntarily redeployed to a position that is a lower classification level than their previous classification level, Council will also pay the employee's accrued entitlements at the pre income income/salary/wage.

20.2 Transfers

Council agrees not to force any employee to transfer for the duration of this Agreement. Provided however travel between:

- a) Kingaroy and Nanango
- b) Murgon and Wondai

shall not constitute a transfer. The transfers in (a) and (b) above however can only occur when an employee can reasonably travel to and from home on a daily basis to a new work location and this does not cause undue hardship to the employee. (eg. Financial, Family and personal responsibilities)

20.3 Transfer Expenses

When an employee transfers during the duration of this Agreement, Council agrees to pay travelling allowance in accordance with the Award.

For the purposes of clauses 20.2 and 20.3 above Council acknowledges that existing and new employees are employed at a 'nominated base' office throughout the Council region.

- c) Employees not unreasonably withholding agreement to participate in reasonable changes in working arrangements requiring their agreement under any 'Award' or this Agreement

- d) Employees assisting in the identification, development and implementation of work practices which assist in making Council a more efficient and cost effective organisation and continued job security
- e) Council will continue to manage its workforce in order to minimise the need for involuntary labour reduction in the future. Council will not during the term of this Agreement apply forced redundancies and consult with the relevant Union(s) and its delegates to explore all viable alternatives to labour reduction when necessary.

20.5 Organisational/Workplace Change

As soon as practicable after a major Organisational/Workplace Change decision has been made Council will notify all parties concerned and consult on the implementation and effects of those changes in an effort to mitigate any effects those Organisational/Workplace Changes may have on employees.

21. UNION ENCOURAGEMENT

This clause gives effect to section 110 of the Act in its entirety. Consistent with section 110 a Full Bench of the Commission has issued a Statement of Policy on Union Encouragement (reported 165 QGIG 221) that encourages an employee to join and maintain financial membership of the relevant Union.

21.1 Documentation to be provided by Council

At the point of engagement, Council shall provide employees with a document indicating that a Statement of Policy on Union Encouragement has been issued by the Commission, a copy of which is to be kept on the Council premises in a place readily accessible by the employee.

Union delegates and job representatives have a role to play within a workplace. The existence of accredited Union delegates and/or job representatives is encouraged.

Council shall not unnecessarily hinder accredited Union delegates and/or job representatives in the reasonable and responsible performance of their duties.

21.3 Deduction of Union Fees

Council shall, on the written request of any employee, pay to a Union nominated by the employee out of the money due to such employee in respect of wages, the annual contribution of such employee as a member of that Union.

22. FLEXIBILITY PROVISIONS

We agree that no Local Area Work Agreements will be negotiated during the life of this Agreement. This does not preclude the implementation of flexible arrangements for working hours and span of hours in clause 13 of this Agreement, or the 9 day fortnight in clause 13.2, or the averaging and annualised payments in clause 14.

The parties to this Agreement commit to review rostering arrangements within the first twelve (12) months of this Agreement and commit to investigate more flexible work arrangements during the term of the Agreement.

The parties agree to the implementation of four (4) on three off (3) rosters in nominated work areas agreed to by the parties in the first quarter of the first year of this Agreement. Milestones will be set quarterly (every 3 months) to report on the progress of the roster implementation and to include status reporting of asset utilisation.

The parties will investigate further workplace flexibilities with the intent of finding additional efficiencies to maximise workforce capabilities and productivity. For example: - greater flexibility in the allocation of RDO's by the rotation of working days. (Progress to be reported by the JCC to management on a quarterly basis or as required)

Any outcome from the investigations must be mutually agreed to by the parties, before being implemented, without any compulsion for either party to agree.

23. NO FURTHER CLAIMS

It is agreed by the parties that up to the nominal expiry date of this Agreement:

- a) The parties will not pursue any extra wage claims related to wages or changes of conditions of employment, whether dealt with in this Agreement or not;
- b) This Agreement covers all matters or claims (from the combined unions) regarding the Employment of the Employees, which could otherwise be the subject of protected actions pursuant to Queensland Industrial Relations Act 1999; and
