Minutes of the meeting of the South Burnett Regional Council, held in the Warren Truss Chamber, 45 Glendon Street Kingaroy on 16 May 2018 at 9.01am

PRESENT:

Councillors:

Cr KM Campbell (Mayor), Cr RJ Frohloff, Cr GA Jones, Cr DA Potter, Cr TW Fleischfresser, Cr KA Duff, Cr RLA Heit

Council Officers:

Gary Wall (Chief Executive Officer), Lester Schumacher (General Manager Finance), Peter O'May (General Manager Corporate Services), James D'Arcy (Acting General Manager Infrastructure)

1. Leave Of Absence

Nil.

2. Prayers

A representative of the Kingaroy District Ministers Association, Rev Trevor Adams offered prayers for Council and for the conduct of the Council meeting.

3. Confirmation of Minutes of Previous Meeting

3.1 South Burnett Regional Council Minutes

Officer's Recommendation

That the minutes of the previous meeting held on Wednesday 18 April 2018 as recorded be confirmed.

Resolution:

Moved Cr KA Duff, seconded Cr DA Potter.

That the minutes of the previous meeting held on Wednesday 18 April 2018 as recorded be confirmed.

Carried 7/0 FOR VOTE - Councillors voted unanimously

CONSIDERATION OF BUSINESS SECTIONS INCLUDING BUSINESS ARISING OUT OF MINUTES OF PREVIOUS MEETINGS

See Business Function Headings

4. Portfolio - Economic Development, Governance and Communications

4.1 Economic Development, Governance and Communications Portfolio Report

Summary

Mayor Campbell presented his Economic Development, Governance and Communications Portfolio Report to Council.

Officer's Recommendation

That Mayor Campbell's Economic Development, Governance and Communications Portfolio Report to Council be received.

Resolution:

Moved Cr KM Campbell, seconded Cr RLA Heit.

That Mayor Campbell's Economic Development, Governance and Communications Portfolio Report to Council be received.

Appointment of CEO

I would like to advise the meeting that I have confirmed the appointment of Mark Pitt as CEO of South Burnett Regional Council to commence upon the retirement of CEO Gary Wall on 7 July 2018. Mark will start with us on 18 June 2018. The selection panel met to assess a number of candidates. The field of interested candidates who applied for the position demonstrated the high level of interest the position attracted. Gary Wall has invested 47 years of service, firstly to the former Kingaroy Shire Council and then with amalgamation, the South Burnett Regional Council. Gary's career demonstrates his love for Local Government and the depth of his commitment to the region. His knowledge and history was an enormous benefit and will be sadly missed, however, we wish him well as he prepares to retire. Mark Pitt is a well experienced CEO having served in a variety of Council's as part of his career development. Mark is a very suitable candidate to replace Gary and we welcome him and his family to become part of the family of the South Burnett.

Economic Development

Investment Attraction

In April, Council's Economic Development staff liaised with international business representatives from Sydney re investment opportunities in the South Burnett. As a direct result of this discussion, Council's Economic Development staff met with representatives in the South Burnett. While in the region, the international business representatives were able to complete a number of meetings with key industry stakeholders and potential direct investment leads. Progress is still being made in this area with periodic updates via email.

North Burnett Regional Council Economic Development

Council's Senior Economic Development Officer, Craig Tunley, met with North Burnett Regional Council's Economic Development Manager, Melanie Lavelle-Maloney in Eidsvold to further develop relationships between the two regions. The meeting incorporated a review of the renovations at the RM Williams Centre. The meeting discussed further destination marketing activity and project alignment in tourism, business growth and investment attraction.

Blackbutt IGA

After long speculation in the local community, Blackbutt IGA opened its doors. This development is significant for the Blackbutt district and will continue to reap benefits, outside of local jobs, for the area.

Disaster Recovery

A workshop on the Recovery Activity of Local Government with the Queensland Reconstruction Authority was attended by Economic Development staff. The Economic Recovery Continuity Plan is under development and it is expected to be completed in draft format in May. This workshop provided some other definition of other Councils in the state who have worked in this space previously and have refined plans over longer periods of time, informing development of South Burnett's planning process.

Governance and Communication:

Information Privacy Week 14-20 May

Council is a proud supporter of Privacy Awareness Week partnering with the Queensland Office of the Information Commissioner to promote local awareness of the importance of information privacy. Council invited the Privacy Commissioner Mr Phil Green to our region for this special event and yesterday was a very informative, positive opportunity to exchange experiences and ideas.

> Carried 7/0 FOR VOTE - Councillors voted unanimously

4.2 Governance (G)

Officer's Report

4.2.1 G - 2495182 - Seeking Council adopt the South Burnett Regional Council Operational Plan 2018/19.

Summary

Council is required to adopt an Operational Plan pursuant to Section 174(1) of the *Local Government Regulation 2012,* which states how Council will progress the implementation of the Corporate Plan 2018/19 to 2022/23 during the 2018/19 financial year.

In the development of the plan, Council has taken an innovative and succinct approach whereby the most poignant and critical elements of operational delivery for 2018/19 have been encompassed within the plan. This approach provides a more compact digestible document for our community to understand and monitor.

Officer's Recommendation

That in accordance with Section 174(1) of the *Local Government Regulation 2012*, Council adopt the South Burnett Regional Council Operational Plan 2018/19.

SOUTH BURNETI

INTRODUCTION

The Quarterly Report is the result of a focus from Economic Development on communication. It is intended to provide:

An overview of activity across Economic Development;

A record of statistics, media articles, comments, presentations and notes;

The Economic Development Quarterly Report is documented through a defined process, as follows.

- · Collation of team contributions through Team meeting and alternative sources
- Documentation of Draft Quarterly Report circulated to Council CEO for review
- · Draft Quarterly Report presented to South Burnett Directions meeting for review
- Changes from Council CEO, South Burnett Directions and internal proofreading identified
- Documentation of Quarterly Report and associated Presentation for Council Portfolio Session
- Quarterly Report presented to Council Portfolio meeting
- Quarterly Report and Presentation, including any minor changes required by Council, documented for consideration of Council Meeting
- Quarterly Report and Presentation accepted by Council for distribution
- Quarterly Report and Presentation distributed

This extended process is expected to take approximately six (6) weeks past the end of the quarter.

ECONOMIC DEVELOPMENT OVERVIEW

2018 commenced with a flurry as storms disrupted economic activity. The Economic Recovery Sub-Group was activated in mid-January in response to Boxing Day storm that left a path of destruction through the centre of the region, with major rural area damage west of Kumbia and north of Cushnie. February also bit hard with many Nanango residents not loving Valentine's Day as storms caused major damage. Neither storm triggered a 'disaster' and business as usual for the Economic Recovery Sub-Group, resumed in March. Testing of lessons learned from December's Recovery exercise and assessment of 'actions' taken through January and February will inform development of the Economic Continuity Plan due for completion in June 2018.

It was the quarter for sod turns, with major project activity celebrated at Swickers and Coopers Gap Wind Farm. The Hon Cameron Dick, Minister for State Development, Manufacturing, Infrastructure and Planning, officially commenced construction activity at the sod turning for the Coopers Gap Wind Farm. Over 100 people, including wind farm representatives from AGL, Catcon and GE, attended the significant event held at the Cooranga North Hall. Straddling the Local Government border between South Burnett and Western Downs, the Coopers Gap Wind Farm will be Australia's largest wind farm upon completion.

South Burnett Unpacked 2 visited the Bunyas and we were blown away by the destination discussion, with the full gamut of Bunya Mountains attractions and activities in the mix. While we didn't get to see the Clydesdales, over 80 attendees heard about them and more with a highlight being the day's middle session, featuring speakers from the Bunya Mountains National Park and Murri Rangers Program. All this in the close vicinity of Australia's highest whiskey bar – you'll have to visit to hear the story of its name.

Then, the eyes of the world turned to the South Burnett as, after weeks of maintaining confidentiality while delivering information, South Burnett was named as one of the areas in which filming would take place for the Battle of Long Tan feature film, Danger Close. Premier Annastacia Plaschuzck made the announcement from LA with the film's star, Travis Fimmell. Since the announcement, focus has turned to making plans a reality as Wooroolin and the South Burnett get ready to be inundated with over 200 personnel and lots of other things that make movie magic happen. Lights, camera, ACTION in April 2018!

INVESTMENT & INNOVATION

South Burnett Directions

Through the first quarter of 2018, South Burnett Directions has met to continue development of an Economic Development Action Plan, the 'scaffolding'. These meetings have focussed on building links between the 2014-19 Economic Development Strategy and the 2020 Strategy adopted by Council in August 2017.

Swickers Export Boning Room Official Opening

The aftermath of the Swickers fire in November 2016 was almost a distant memory when the redeveloped Export Boning Room and associated facilities was officially opened along with the sod turning ceremony for further investment in abattoir facilities. Swickers is at the forefront of regional investment activity, leveraging State Government assistance through the Jobs and Regional Growth Fund, to not only recover from the fire but expand capacity and jobs. More than \$160 million will be invested on site by the time the new abattoir is completed in 2019. Hundreds of people turned up to the sod turn event on 24 January to celebrate Swickers' recovery and next steps. Swickers is the largest employer in the South Burnett region.

Coopers Gap Wind Farm

The Hon Cameron Dick, Minister for State Development, Manufacturing, Infrastructure and Planning, officially commenced construction activity at the sod turning for the Coopers Gap Wind Farm. Over 100 people, including wind farm representatives from AGL, Catcon and GE, attended the significant event held at the Cooranga North Hall. Straddling the Local Government border between South Burnett and Western Downs, the Coopers Gap Wind Farm will be Australia's largest wind farm upon completion, establishing up to 200 jobs through construction and approximately 20 jobs in operations.

Brisbane Marketing Future Food Bootcamp

Council representatives Craig Tunley and Julie Foley attended Brisbane Marketing's Future Food Bootcamp with Josh Gadischke, Proteco on 23 March. The Future Food initiative is an industry development extension of the well-established Regional Flavours Festival held at South Bank annually. With strong representation at Regional Flavours, the Future Food program is of particular interest to Council as a means of generating continued growth in the local food industry. It is expected that further activity under the Future Food banner will be implemented in the lead up to Regional Flavours, with potential for more South Burnett businesses to be exposed to the program and its benefits for the region's food industry.

Mundubbera to Jandowae Road Working Group

Major announcements in January for action on the Mundubbera to Jandowae Road were welcomed by Working Group members. The Queensland Government announced staged rehabilitation will take place on a 6.8- kilometre section from Chinchilla–Wondai Road to just north of Shellytop Road intersection. This program of work is expected to commence in March 2018 and will be completed by the end of the year. Design is also underway to widen a single-lane section south from the South Burnett Regional Council boundary and replacement of the John Peterson Bridge over the Boyne River at Mundubbera. The Mundubbera to Jandowae Roads Working Group is currently working on completion of an advocacy document.

FLA/TSBE Intensive Ag Conference, Dalby

Craig Tunley, Council's Senior Economic Development Officer, attended the one day Intensive Ag Conference held in Dalby on 28 February 2018. Presentations were made throughout the day by Food Leaders Australia, Western Downs Regional Council, Queensland Farmers Federation, World Wildlife Fund (WWF), University of Southern Queensland (USQ), Feed Central and March IT. Approximately 100 persons attended the conference, predominately made up of Government agencies and service providers. Access to water, telecommunications and cost of power dominated networking conversation with participants agreeing that events like this are needed to move forward.

Investment Attraction - 'Danger Close'

After approximately 6 weeks of providing confidential support activity to a Screen Queensland locations and production specialist, Queensland's Premier, The Hon Annastacia Palaszczuk announced the filming of 'Danger Close' had been attracted to Queensland. Council's Economic Development Department provided a local contact point, contact details for potential suppliers and facilitated location inspections. Filming will occur in the Gold Coast and South Burnett regions. 'Danger Close' is a feature film of the Battle of Long Tan starring Travis Fimmel as Major Harry Smith. Filming is expected to commence in the region in May 2018.

Regional Partnerships - North Burnett Regional Council

Council's Senior Economic Development Officer, Craig Tunley, met with North Burnett Regional Council's Economic Development Manager, Melanie Lavelle-Maloney in Proston to discuss current projects, tourism, strategic planning and cross border synergies. The meeting was the first since both started their Council roles in 2017 and will pave the way for further cross-border collaboration. Initial discussion focussed on economic development planning and tourism marketing. Further meetings between the Economic Development sections are planned, with the next meeting to be held in Eidsvold, providing opportunity to review the recent renovations at the RM Williams Centre.

VISITOR ECONOMY

Welcome to 2018

The role of volunteers in the Visitor Information Centre Network is vital for the ongoing provision of information and assistance to the visitor and local coming into any of the Visitor Information Centres. The tourism team continue to encourage networking across the volunteers in the VICs, art galleries and museums and to help with this and to facilitate connection with Councillors, rolled out informal BBQs in each town. Nanango was the first town, followed by a fortnightly rotation at Murgon, Blackbutt, Wondai with the final BBQ in the first round completed with Kingaroy 22 March. Positive feedback received from the volunteers who have appreciated the access to tourism staff, Councillors, and to connect with volunteers from other shifts. Attendees provided further feedback from visitor contact, day to day running of the centres and input of their ideas. It's been a casual endeavour but one that offers a great deal of value.

South Burnett Unpacked

The second tourism industry networking event, South Burnett Unpacked, was hosted at the Bunya Mountains on 20 February. There were approximately 80 attendees including operators and volunteers.

South Burnett Unpacked events as volunteer famils

The presentation by Murri Rangers group was fascinating

Presentations from destination operators of The Bunyas, Bunya Accommodation Centre, Bunya Horse Drawn Tours were complemented by informative talks from Qld Parks and Wildlife Services and the Murri Rangers. An impromptu call for operator updates had Mulanah Gardens, Kingsley Grove Estate, Out There Cycling, Shackleton's Whisky Bar and Kingaroy Observatory stand and deliver some insights into their operations. The model of South Burnett Unpacked delivers a famil to the volunteer base that also allows for greater networking opportunities. South Burnett Unpacked 3 will be held on 19 April in the Kingaroy Town Hall and launch the tourism season. Tourism Services Officers are working to have operators host a stall promoting their business and/or deliver a presentation.

Media Famils

Working with Sequel PR the region has received media famils from Road Ahead magazine 2-4 March and Q weekend travel writer Belinda Seeney 24 – 25 March. The RACQ famil had a family focus with editor Deb Eccelston travelling with her three (3) children enjoying the diverse activities, attractions and flavours of the South Burnett. Starting at the gateway to the South

Burnett, the party was welcomed to the Bunya Nut Café and Roy Emerson Museum in Blackbutt, continuing on to stay the night at Yallakool Park. Other activities included a cycle on the South Burnett Rail Trail, stargazing at the Kingaroy Observatory, racing action at South Burnett Kart Hire, savouring lavender scones, Kingsley Grove Estate wine ice-cream and Dusty Hill hospitality, restful accommodation at Room Motels and a host of other experiences. Look for the article out early April for everything the family discovered in the South Burnett.

The brief for Q Weekend was a girl's retreat getaway at the Bunya Mountains. An itinerary was developed and proposed and added value by pushing the trio to Maidenwell Trading Post, home of the Sauceman to experience the culinary delights now on offer in Maidenwell. The ladies were hosted for the evening by Bunya Accommodation Centre, experiencing a horse drawn tour, highest whisky bar in Australia and the Bunya Mountains Markets. Once again the operators were co-operative and welcomed the opportunity to showcase their piece of the South Burnett and display a positive and welcoming environment.

South Burnett Facilities

Can you believe it's been 30 years since the eyes of the world were on Brisbane for the opening of Expo 88?

To celebrate Kingaroy Heritage Museum will host a 30th anniversary Expo 88 exhibiton for 6 months from 30 April coinciding with the date and run time of Expo 88. Jason Ford has been a moving force behind the exhibition with several high coverage media interviews conducted on radio and a spot on the Icons of Queensland television show – a big thank you to Jason for the regional promotion.

Dam Management team are managing and sharing 'how to' YouTube video content to connect 'have a go' anglers with some professional tips and tricks.

Brisbane Kids media famil in development to promote outdoor family activity and will focus on one of the dams and activities and the South Burnett Rail Trail.

Visitor Information Centre Network – one social media page for the five (5) Visitor Information Centres has been implemented. Volunteers with an interest in social media have been encouraged to express interest in editor role.

South Burnett Rail Trail – google business listing, 287 people found SBRT on google, 20 asking for directions, ratings and reviews beginning to come in: 'Wondai to Murgon has the most to offer for the naturalist. A few towns in between offer a more epicurean approach to tackling this trail' 'What an amazing new push bike trail for the area'

Brisbane Valley Rail Trail – Discover South Burnett promotion with click through website link on http://www.brisbanevalleyrailtrail.com.au/discover-south-burnett/

Regional Flavours

Planning for Regional Flavours 2018 is well underway. Applications for stallholders has closed and the South Burnett hub will include Clovely Estate, Crane Wines, Kingsley Grove Estate, The Peanut Van, Chinchilli, South Burnett pop up food stall, local producer hampers and the destination food events – Blackbutt Avocado Festival, Goomeri Pumpkin Festival and Kingaroy BaconFest. Regional Food Ambassador Chef Jason Ford is busily planning his Queensland Taste stage demonstration and delivery of the South Burnett sticky pork belly wrap. Discover South Burnett is working in partnership with the three (3) destination food events to utilise Jason at each of these events further promoting regional produce.

Australian Tourism Data Warehouse (ATDW)

Request for ATDW team to run an education session at South Burnett Unpacked 2 was declined due to prior commitments. From this contact the ATDW team included the South Burnett into their direct call workload to connect directly with businesses to run through the benefits and how to set up a listing. An ATDW team member is attending South Burnett Unpacked 3 in April to connect directly with operators.

Kingaroy VIC - January/February/March 2018

STATS	Visitor No.	Sales	Volunteer Hrs.	Bus Groups
January	857	\$3551.08	1106.5	
February	588	\$2353.90	1013	
March	976	\$3295.70	732.5	

In early **January** the Tourism Service Officer for Nanango and Kingaroy VIC was succonded to upgrade the "Discover South Burnett" website. The Kingaroy Volunteers managed the general operation of the VIC in absence of Tourism Services Officers.

In **February**, two of our volunteers, Ralph & Kay Clark, represented the South Burnett at the Melbourne Caravan & Camping Super show. They had a very productive time in Melbourne promoting our great Region. Volunteers attend South Burnett Unpacked 2 at the Bunya Mountains.

Some of the Kingaroy Volunteers helped at the Queens Baton Relay in **March** which was a very successful event for the local community.

Visitor Comments

Robin (Gold Coast) - "Great Direction and Local Knowledge"

Leeanne (Balina NSW) - "Nice helpful staff"

Richard (Blackpool England) - "Fantastic Information"

Kate (Burleigh Heads) - "I love all the nut items"

Mary (Golden Beach NSW) - "Fabulous Staff. Thanks for all the great info"

Nanango VIC - January/February/March 2018

STATS	Visitor No.	Sales	Volunteer Hrs.	Bus Groups
January	739	\$617.25	456.5	
February	441	\$623.15	432.5	
March	581	\$578.45	441	

In early January the Tourism Service Officer for Nanango and Kingaroy VIC was seconded to upgrade the "Discover South Burnett" website. The Nanango Volunteers managed the general operation of the Energy Centre in absence of Tourism Services Officers.

Seven Volunteers attended South Burnett Unpacked 2 at the Bunya Mountains in February. Presentations included

- The Bunyas
- Bunya Mountains Horse Drawn Tours
- Murray Rangers
- Astro Tourism
- Out there Cycling

Two new computers where installed in the energy centre this month for customer use.

March saw the Cub Scouts visit the Energy Centre due to the closure of the Kingaroy Heritage Museum.

Visitor Comments

Karen (Sunshine Coast) - "Really amazing staff, so friendly and helpful"

Mr Weiler (Gympie) - "Love the butter factory Engine"

Kerry (Marcoola) - "Great & Friendly staff"

Kingaroy Heritage Museum

In February, 31 people visited the Museum from Caloundra.

56 Students visited the Museum from St Marys College in March. They were studying "changes over the years."

The Museum was closed from the 12/03/2018 until the end of March for repairs.

Visitor Comments/Social Media:

Oyster Point Cub Scouts (Scarborough) - "The cubs loved being spies"

Eleanor (Brisbane) - "Interesting History"

Ralph (Ocean Shores NSW) - "Thanks for the trip down memory lane"

Sue (Kenmore) - "Fascinating Very well put together & Kept thankyou"

Keith (Moffatdale) - "One of the Best"

Wondai VIC – January/February/March 2018

STATS	Visitor No.	Sales	Volunteer Hrs.	Bus Groups
January	528	\$2086.30	239.50	
February	470	\$1158.85	470	2
March	583	\$1887.50	205	

The museum continues to receive visitors to the area through **January** staying at the popular Boondooma Dam and Bjelke-Petersen dam for the school holidays.

Nine volunteers from the Wondai Timber Museum attended South Burnett Unpacked 2 at the Bunya Mountains in **February**. They enjoyed presentations from a number of local businesses.

Volunteers visited the newly opened 'Wondai Accommodation Units and Villas'. They enjoyed a guided tour of the top class facility.

Volunteers from Wondai Timber Museum, Heritage Museum, Woodcrafters Workshop and Art Gallery met for their first Volunteers engagement BBQ in **March**. The first of many, the engagement BBQ's are a quarterly event aimed at giving volunteers an opportunity to interact with the Mayor, Councillors and Economic Development staff.

February	364	\$162.95	\$344.20	174	
March	438	\$329.50	\$2485.59	192	

January has seen hot temperatures in the South Burnett, which has affected the number of visitors travelling on the roads and staying in the Free Camp.

Five volunteers from the Murgon VIC attended South Burnett Unpacked 2 at the Bunya Mountains in **February**. They enjoyed presentations from a number of businesses in the Bunya Mountains.

Volunteers from the Murgon VIC and Dairy and Heritage Museum met for their first Volunteers engagement BBQ in **March** with Cr Kathy Duff. The first of many, the engagement BBQ's are a quarterly event aimed at giving volunteers an opportunity to interact with the Mayor, Councillors and Economic Development staff.

Visitor Comments

Noel - "Spent too much money loved your centre and loved your town"

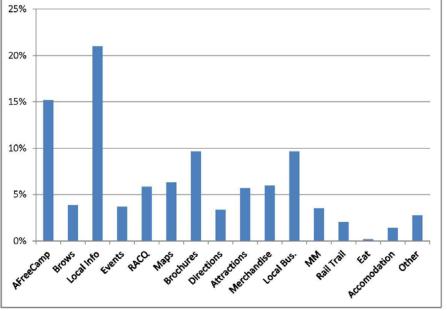

Beth - "Very attractive, Enjoyed Free Camp"

During the months of January to March a survey was completed on a sample of visitors as to the reason why they visited the Murgon Area. The survey results are collated below.

Wondai Heritage Museum – January/February/March 2018

The museum is solely operated by four volunteers who continue to keep the facility open to the general public four days per week. These volunteers do an exceptional job and continue to preserve and showcase Wondai's history for the community.

This year the museum was closed for two weeks instead of the usual four, which has seen an increase of visitors to the museum in **January**.

Special thanks to Winston Burrows who donated his valuable time and backhoe to move heavy farming equipment and laying bitumen in the machinery shed. This completes the renovations to the machinery shed to ensure that the equipment is preserved.

The volunteers have completed restoring one of three old carts donated to the Museum in **February**. They are busily working on the 2nd one at present.

The external ramp to the hospital has been repaired and resealed.

The volunteers have been busy setting up regular displays for the public through **March**. The first being a school display marking a return to school for children in January and household display showcasing household equipment used in days gone by.

The security fence has been completed this month to safeguard visitors.

The museum continues to receive donations from the public with the most recent being a donation of books from the 1930s to 1950s and a working gramophone.

Blackbutt V	IC – January/February/March 20	J18
-------------	--------------------------------	-----

STATS	Visitor No.	Sales	Volunteer Hrs.	Bus Groups
January	688	\$337.60	314	
February	604	\$91.50	261	
March	773	\$180.00	246	

In **January** our volunteers engaged in the decluttering of the Blackbutt VIC making optimum use of our small space.

All our volunteers attended South Burnett Unpacked 2 at the Bunya Mountains in **February** and the first volunteer BBQ. The volunteers were impressed with the information and presentations on the day at the Bunya Mountains. They also had positive feedback from the engagement BBQ with staff and Councillor Jones.

Volunteer Stan Podger installed our Plaque displaying the history of our Slab Hut story in **March**, which has been very popular with visiting tourist and locals.

BUSINESS GROWTH

South Burnett Rewards

Economic Development staff ran a competition throughout the Visitor Information Centre network for volunteers to come up with a catchy headline for a media release, to entice residents and visitors to travel the entire region. Jan Cooke, volunteer at the Blackbutt Visitor Information Centre won the competition with the Phrase "Don't dawdle, swipe your rewardle"

Media Release

PO Box 336, Kingaroy Q 4610 - P: 07 4189 9100 - F: 07 4162 4806 - E: media@southburnet.cld.gov.au - W: www.southburnet.cld.gov.au - ABN 89 972 463 351

FOR IMMEDIATE RELEASE 27/03/2018

START

Don't dawdle, swipe your Rewardle!

Fill up the tank and pack some snacks, because by being a tourist in your own backyard can earn you a FREE powerbank!

To entice residents and visitors to travel the entire region, Rewardle has been introduced to all of our region's accredited Visitor Information Centres (VICs). In order to claim your Discover South Burnett powerbank, all you need to do is swipe your Rewardle card or app at all the VICs within a twelve (12) month period. Not only will you receive a Discover South Burnett powerbank, but you will also be achieving your goal as a resident tourist, getting all sorts of insights on local information, local products and local knowledge.

"This is a great concept for encouraging locals to visit to our region's high quality Visitor Information Centres and meet our wonderful volunteers. Not only do the volunteers who work in our VICs have a valuable understanding of local attractions, the centres also stock local produce and brochures, and some are co-located with our regional museums and/or art galleries." Said Mayor Keith Campbell

The region's VICs are located at Blackbutt, Nanango, Kingaroy, Wondai and Murgon.

END

Photo: (L-R) Volunteers at the Kingaroy Visitor Information Art & Heritage Centre - Julie Harm, Ralph Clark & Kay Clark

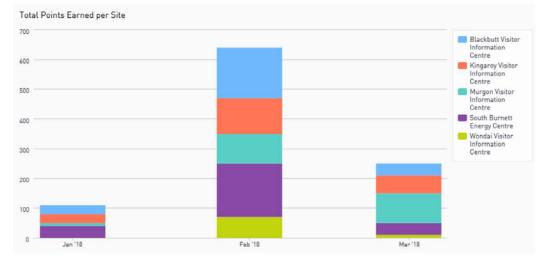

Following a review of South Burnett Rewards v2 last quarter, it was decided to withdraw from the 'master franchise agreement' between Economic Development and Rewardle. This has reduced staff time associated with growing the program.

Currently, the South Burnett Rewards Facebook Page has a following of almost 1,000 consumer based fans. Most small businesses in the region have fewer than 500 fans following their profiles, so with this in mind, next quarter a rebrand of the South Burnett Rewards Facebook Page will be explored to gage the benefit of small business focused exposure through this page.

South Burnett Rewards VIC Data

During this quarter, volunteers registered 92 Transitions, with the greatest activity being experienced in February, following face book promotion. It is anticipated that and increase will be seen during April, following further advertising.

South Burnett Business Builders Program "Breaking Through the Beige"

Thanks to the Building better regions funding secured by BIEDO, Economic Development staff in partnership with BIEDO and the University of Southern Queensland will be delivering the South Burnett Business Builders Program. The project team will work closely with 15 South Burnett Small Businesses to assist in building their capacity and providing links to support their business. The program will also include a bus trip for the participants to attend the Grow Gympie Forum to be held in May.

The program will also see the development of a database of business-related resources and the making of a South Burnett wide business network.

The South Burnett Business Builders Project Team, with Program Participants, Lawless Beef Co.

Boondooma Homestead

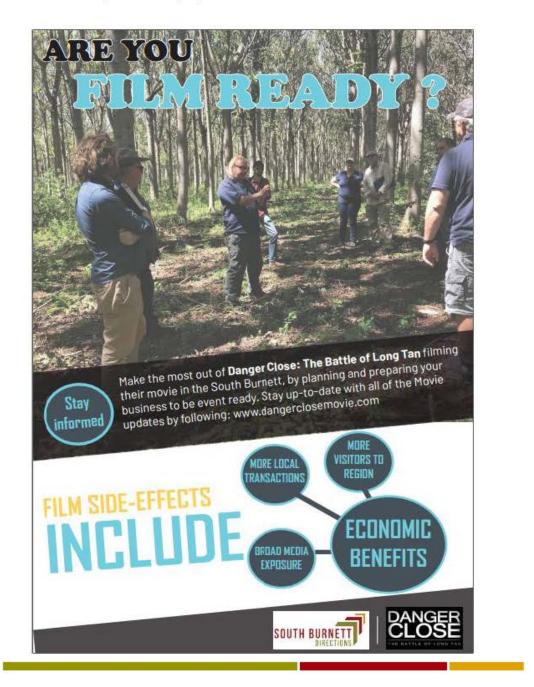

Economic Development staff continues to work with the Boondooma Homestead Management Advisory Committee. Following the last meeting held 17 February 2018, it was identified that a complaints possess should be adopted by the committee to highlight clear actions and responsibilities between the INC, MAC and Caretakers. Economic Development staff is working with the committee to develop a process to manage complaints.

New flooring in the caretaker's cottage, museum, and office was laid this month with painting of the homestead commencing early April. The stone cottage will also be re-grouted with termite mud to reduce further deterioration.

Film Ready Flyer

To assist small business to prepare for increased foot traffic during the filming of Danger Close -The Battle of Long Tan, Economic Development staff worked in conjunction with a local marketing business to develop a 'Film Ready' flyer.

Google search is the go to place for consumers to search for small businesses, particularly those on the road.

The South Burnett has over 3,000 small businesses within the region with only a margin of those being situated of the main highway. Being a rural regional area, the Google street car only travels along the major highway and on occasion, main streets. Because of this, the South Burnett has a very minimal digital foot print in this space.

Google Maps & Street View allows visitors, residence and people planning trips, to explore places around the South Burnett through 360-degree, street-level imagery. They can explore the region, view our wonderful dams, wineries, Bunya Mountains and more, and navigate their trip. It also has the ability to showcase both the inside and out of local businesses.

Economic Development staff have addressed issues with the 360 degree camera, registered a Google account for South Burnett Directions and will be ready to start shooting next quarter.

Resolution:

Moved Cr RJ Frohloff, seconded Cr TW Fleischfresser.

That the Officer's Recommendation be adopted.

4.5 Disaster Management

Officer's Report

4.5.1 DM - 2495929 - Appointment of General Manager Infrastructure as Local Disaster Coordinator

Summary

Following the commencement of General Manager Infrastructure, Aaron Meehan, it is recommended the General Manager Infrastructure be appointed as Local Disaster Coordinator.

In addition, delegation is to be given for the Chief Executive Officer to nominate members of the Local Disaster Management Group.

The purpose of this delegation is to assist with administrative efficiency. Members of the Local Group may change from time to time e.g. due to Officers relieving another officer, an Officer being absent for extended periods and their replacement not being a member, resignation or retirement. This delegation will allow the Chief Executive Officer to make the appointment without the requirement for a report to be prepared to Council for each change in member.

It is also recommended that the Local Disaster Coordinator be the representative on the District Disaster Management Group (DDMG).

Officer's Recommendation

That

- 1. Council appoint Aaron Meehan as the Local Disaster Coordinator and that Peter O'May and James D'Arcy be appointed as Deputy Local Disaster Coordinators in accordance with the *Disaster Management Act 2003*, and
- 2. the Chief Executive Officer be delegated authority to appoint members of the Local Disaster Management Group in accordance with the *Disaster Management Act 2003* and *Disaster Management Regulation 2014*, except for those members that are required to be Local Government Councillors.

Resolution:

Moved Cr RJ Frohloff, seconded Cr DA Potter.

That the Officer's Recommendation be adopted.

Carried 7/0 FOR VOTE - Councillors voted unanimously

 TMR will continue to work with P&G, Greg Griffiths. Action can be closed. Status: Complete – DTMR will continue to liaise with SBRC Parks & Gardens 	 James met with Cr Duff, Maree Shepherd and the 2 school Principals in January to discuss the pedestrian crossings adjacent to the pool. After discussions with the 3 schools, it was confirmed that Dutton St East pedestrian crossing is used for access to the school. They were happy to utilize the existing crossing and do away with the second crossing on Gore St. Dutton Street East is the critical crossing. The issue is that the crossing but approximately 20 metres back from the intersection. The pedestrian crossing is to be moved back from the intersection, this will cause impact on the pool in relation to parking spaces out the front of the pool. The pool will lose approximately 10 parking bays. Build outs would be extended back to pram ramps. The proposed pedestrian crossing would not be as wide as the current crossing and would go to the depth of the parking bays. Build outs would be extended back to pram ramps. There will be a conversion of parallel parking to angle parking and also a need to shift the bus zones back to the would be extended the proposed crossing. D&TS have approximately the bus zones back to the fire hydrants), however this would then need future footpath to be installed. SBRC Design and Tech Services (D&TS) have drafted the proposed crossing. D&TS have bus disonabled with the SBRC Property Manager who holds lease of the pool. DSTS with the bus zones back to the weet (in front of the pool. SBRC is trying to minimise disruptions, but aiming to provide a similar level of service which is currently in piace. Cr Jones raised concerns in relation to waiting 2 years to fall in line with Safe ST program.

Action - D'Aguilar Highway, Nanango - Western Approach 80 km - 60 km speed zone - Speed Report (DTMR)	 Drawings from DTMR were provided to the TAC members to review. Speed readings were carried out to gauge what actual speeds of traffic were since the 60km per hour reduction was implemented. Findings were in the 85th percentile. 	 Proposal to move existing speed limit change from where 60 km per hour is currently to west side of Fairway Drive. James asked if this caused an issue for QPS and QPS advised they did not see a need to 	 move the 80 km per hour sign further up. Police advised they would enforce the 60 km per hour zone and they were happy for the 80 km per hour speed sign to remain the same. 	 - SBRC were happy with the outcome. - DTMR advised there is a program called Town Entry Treatment (TET) which emphasises where speed changes on the road. The Nanango entries are a proposed site for the TET 	 Program. Speed limit locations will be changed now, but this program will be enforced at this spot in the future. This action can now be closed. 	Action - Complete	Action - Wilsons Road, Windera (Windera School) - (Aaron - SBRC)	 Speed review was carried out by SBRC. Traffic counts were erected to assess environmental speed conditions. James advised the findings were speed is down to 70 km per hour at this site. There is no genuine need to change speed limit as people are self-regulating. Q-Limits assessment was also carried out to analysis speed environments. 2 of the 3 outcomes indicated that it should remain the same speed. Recommendation is to keep speed limit as its. Traffic Advisory Committee members agreed with this finding.

 Visibility mowing has been completed (photo 3&4) Also concerns were raised with roadside grass covering and limiting visibility for guideposts. This was advised that grass is at intervention level and relayed to DTMR North Coast. This action can now be closed. Status: Complete 	 Action: Maidenwell Bunya Mountains Road, Wengenville - Safety Audit Results & Crash Data Request (QPS) Crash data provided. This will be e-mailed to the TAC members. Crash data provided. This will be e-mailed to the TAC members. Peter advised that the problem with this road being rural, many people don't record crashes. Safety audit is currently being progressed. The problem is going to be constructing the road to the width of the existing seal, you have a predicament by just sealing the road - what level of road do TMR want to build? Survey and design has been carried out by SBRC, this will be a compromise to get the balance of risk right however it comes back to available funding. TMR are looking into a barrier for this section of road rather than catseyes due to the road having to have the correct width. This would involve tree clearing and some of these trees could be heritage listed. Status: Current - TMR to carry out Safety Audit and report back to next meeting.	Peter advised below: - Kilcoy Murgon Road, Barambah – Fatal crash on 5th January – The issue on the intersection is bleeding on the seal which due to warm weather worsened & pooling of water. The combination of these two (2) issues caused loss of control were fatalities occurred.

CO SOUTH	REGION

 Item 2 - Fisher Street, Kingaroy Speed Review (QPS) Enquiry made from Jade Miller re: Fisher Street, Kingaroy surrounding what the default speed environment is for this street. Is it 60 or 50? James advised Fisher Street is a collector street due to volume of traffic and function of network. Three (3) traffic counts have been installed, but James did not have statistics at this point from the traffic count. There is an absence of signage. Historically people have driven it to 60 km per hour. However, it is 50 zone, but due to absence of signage, this has been gauged as 60 as no signage to support. Signs need to be erected. Perhaps built up area sign should be installed. James will bring data back to next meeting. 	SBRC	12/6/18
 Item 3 - B-Double Restrictions - Brooklands Pimpimburgee Road, Brooklands (QPS) QPS have had a customer raise concerns in relation to road safety due to B-doubles. The customer has displayed concerns in relation to the issue of permits for B-doubles in excess of 19 m. The comments were in relation to the use of B-doubles on Brooklands Pimpimbungee Road servicing the diatomite mine and any oversize vehicle requirements that require a permit. There were also observations detailed about b-double operating from the feedlot on Maidenwell Bunya Mourtains Road and how they operate under vehicle escort connecting back to the New England Highway. It was agreed that QPS and DTMR officers would investigate further on the issues detailed in the complaint and report on at the next meeting. Cr Jones will liaise with locals surrounding the legitimacy of the claims that have been raised. 	QPS & DTMR	12/6/18

5.3.2 D&TS - 2496326 - Road Renaming of Southern Part of Mollenhauers Road, Ficks Crossing

Summary

Mollenhauers Road commences at the Bunya Highway and terminates at Simpsons Road with an unformed section in between the two (2) sections of road. Council does not propose to construct the middle unformed section in the near future.

Council has received a request for the rural addressing of Lot130 on FY600 site on the eastern end of Mollenhauers Road which is accessed from Simpsons Road. Council Technical Officers investigated and identified it is difficult for the emergency services to understand the access point if rural property addressing commences at the Highway.

The issue has been assessed in accordance with the Council's Infrastructure Asset Naming Policy.

Officer's Recommendation

That Council recommends renaming the eastern part of Mollenhauers road to Iszlaub Road, Ficks Crossing.

Resolution:

Moved Cr RLA Heit, seconded Cr DA Potter.

That the Officer's Recommendation be adopted.

Carried 7/0 FOR VOTE - Councillors voted unanimously

6. Portfolio - Community, Arts, Tourism and Health Services

6.1 Community, Arts, Tourism and Health Services Portfolio Report

Summary

Cr Potter presented her Community, Arts, Tourism and Health Services Portfolio Report to Council.

Officer's Recommendation

That Cr Potter's Community, Arts, Tourism and Health Services Portfolio Report to Council be received.

Resolution:

Moved Cr DA Potter, seconded Cr KA Duff.

That Cr Potter's Community, Arts, Tourism and Health Services Portfolio Report to Council be received.

South Burnett Libraries

The South Burnett Libraries are excited to be once again host the National Simultaneous Storytime (NSS) held annually by the Australian Library and Information Association (ALIA). Every year a picture book, written and illustrated by an Australian author and illustrator, is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country. In our libraries on Wednesday 23 May at 11am, "Hickory Dickory Dock" by Tony Wilson will be read to local audiences to promote the value of reading and literacy, promote the value and fun of books as well as promote storytime activities in public libraries.

Bookings are still available this year at the Kingaroy and Nanango libraries for local artists of the South Burnett Region to showcase their work. Artists have the opportunity to display their artworks for a month long exhibition.

Wondai Library's Tech savvy sessions are proving popular. These sessions provide participants the chance to learn about computers, smart devices (iPads/smartphones), the internet & email, as well as online shopping and internet banking in a safe and friendly way. All sessions are free and by appointment only. Similar sessions are held in each South Burnett Library branch.

Community Grants Program

Today, the revised Community Grant Program is tabled for Council adoption. I would like to highlight the support Council has provided to local not-for-profit organisations to date for 2017/18, through the In-Kind category under the program:

Human and Social Disaster Recovery – 'What if' Sessions

Last week, I was pleased to have welcomed participants in the 'What If' Resilient Community Organisation Workshop hosted by Council and delivered by Queensland Fire and Emergency Services. The training was to assist local community organisations to plan and be prepared for an event that could potentially impact their service delivery for four (4) to seven (7) days. There is still time for local community organisations to find out more about how to develop their business continuity plans as Council, through State Government funding, has engaged BIEDO to assist local organisations in this space. I encourage local service providers to make contact with BIEDO over the coming month.

Tourism Update:

- South Burnett Unpacked 3 had good support from local operators and event organisers. . The operators delivered informative and engaging presentations facilitating a collaborative approach to promotion of the South Burnett.
- *rEvents Academy module delivery continues with valuable sharing of information, case studies, templates and networking across the participating regional events.*
- Expo 88 30th anniversary exhibit hosted at the Kingaroy Heritage Museum launched 1 May with good visitation experienced. The exhibit runs untill 30 October so be sure to pop in say g'day to the museum volunteers and enjoy the nostalgia of Expo 88.

- The Kingaroy Heritage Museum air conditioning unit upgrade is currently being installed and with the help of the volunteers. Thank you to Council's Property Branch for working in a way for the museum to stay open during the process.
- Thank you to Kim and Laraine from the Murgon Visitor Information Centre for their time spent promoting the region at the Nambour Caravan and Camping Show in late April. Although a wet weekend the ladies engaged with many potential visitors with feedback being there was a lot of interest in the events the South Burnett has on offer.
- The Brisbane Valley Rail Trail has been the location for two (2) events in early May. The Bicycle Queensland Ride for bike week and the annual R & R Rail Trail Experience run by G'onya Adventures were both well attended with Blackbutt abuzz with activity.

Carried 7/0 FOR VOTE - Councillors voted unanimously

Carried: 5/0

Regional Arts Development Fund Management Advisory Committee - MINUTES-24 APRIL 2018

2.4. 2017/18 Round 2 Applications Assessment

Council has received three (3) applications for Round Two (2) with a total amount requested of \$7,204.00

Applicant: South Burnett Musical Comedy Society Description of Workshop: Skills in design, construction and implementation of theatrical arts Amount Requested: \$3,369.00

Resolution: That the committee approve the \$3,369.00 pending the provision of supporting documentation to Council prior to payment.

Moved: Terry Jacobsen Seconded: Val McGrath

Carried: 5/0

Val declared a conflict of interest and left the room at 1.16pm

Applicant: Blackbutt Art Gallery Inc. Description of Workshop: 2 Day Dichroic Glass Workshop Amount Requested: \$1,560.00

Resolution: That the committee approve the application for \$1,560.00 conditional on the \$100 listed in the budget be used for development and not printing of promotional material.

Moved: Terry Jacobsen Seconded: Elaine Madill

Carried: 4/0

Val re-entered the room at 1.20pm

The following application was also received but is ineligible and unable to be assessed, as the organisation has already been successful for a grant in Round Two (2) of the Community Grants Program.

Applicant: Jumping Ant Arts Inc. Description of Workshop: Silky Art for All Ages Amount Requested: \$2,275.00

2.6. 2018/19 Regional Arts Development Fund Bid

Cr Potter updated the committee on the 2018/19 Region Arts Development Fund Bid. The committee was advised that Council has supported the committee's request for the bid to be increased with Council's contribution increased from \$5,000 to \$10,000 and further seeking \$15,000 from Arts Queensland making a total proposed RADF budget of \$25,000 for 2018/19.

2.7. Regional Arts Development Management Advisory Committee

Cr Potter provided an update to the committee on the proposed changes to the community grants program, which encompasses this funding category. Given the discussions with the committee over the past 12 months and that Council's arts

Regional Arts Development Fund Management Advisory Committee - MINUTES- 24 APRIL 2018

development focus is delivered by the Economic Development branch, it is timely to dissolve the RADF Management Advisory Committee.

2.8. Economic Development Initiatives

Craig Tunley (Senior Economic Development Officer) attended the meeting to update the committee on Council's activities in the arts development area explaining how committee members can become involved in a number of partnership programs between Council and neighbouring Councils.

3. CLOSE MEETING

Cr Potter declared the meeting closed at 1.53pm

Resolution:

Moved Cr DA Potter, seconded Cr RLA Heit.

That the Officer's Recommendation be adopted.

Carried 7/0 FOR VOTE - Councillors voted unanimously

6.2.2 CS - 2495451 - Adoption of the revised Community Grants Program Policy and dissolution of the Mayor's Community Benefit Fund and Regional Arts Development Fund Management Advisory Committees

Summary

In 2017, Council recognised the important contribution community organisations and individuals make to the South Burnett region through the adoption of the Community Grants Program Policy.

The Community Grants Program Policy combines all Council's grant, donation and sponsorship programs so that the process is easier for community groups to understand and access, in a fair and equitable way.

With the Program in place for twelve (12) months it was timely to review the Policy and the administrative processes undertaken to deliver this function.

Officer's Recommendation

That Council:

- (a) Adopt the revised Community Grants Program Policy; and
- (b) Dissolve the Mayor's Community Benefit Fund and Regional Arts Development Fund Management Advisory Committees.

1. POLICY STATEMENT

Council recognises the important contribution community organisations and individuals make to the South Burnett region. Through the provision of community grants, Council is committed to investing in initiatives and partnerships that align with Council's corporate priorities and encourage individuals and groups to make a positive and ongoing contribution to the region.

This Policy is to guide the administration of Council's Community Grants Program so that the grants contribute to Council achieving its strategic goals, identified key initiatives; and align with the intent of the *Local Government Act 2009 (LGA2009)* and the *Local Government Regulation 2012 (LGR2012)*, which state that (community) assistance will be used for a purpose that is in the public interest.

2. SCOPE

This Policy applies to all grants, donations, sponsorship and other assistance made to:

- eligible not-for-profit community organisations delivering programs, activities and events within the South Burnett Regional Council area.
- eligible individual South Burnett residents to attend competitions or programs representing Queensland or Australia in their chosen performance field.

The provision of concessions and waivers relating to Building and Development Applications, Undetected Water Leaks, Provision of Recycled Water, Lease Payment Fees, Rates and Utilities Charges is **not** covered by this Policy.

3. POLICY OBJECTIVES

To ensure that financial assistance delivered through the Community Grants Program is distributed to support the provision of programs, events and initiatives which respond to identified community need, contribute to the building of stronger and vibrant communities, meet relevant guidelines and are in accordance with Council's strategic objectives as identified in the South Burnett Regional Council Corporate Plan 2018/19 to 2022/23.

Council provides the Community Grants Program to be used for a purpose that is in the public interest.

4. BACKGROUND AND/OR PRINCIPLES

Council will determine annually the amount of funding to be made available under this Program.

Community Grants Program Policy V2

Page 1 of 6

The Community Grants Program is competitive. Applications will be assessed on merit with no obligation by Council to fully expend the allocations provided.

Applications made to various grant categories within the Community Grants Program for the same project will not be eligible to receive more than one (1) allocation of support per financial year.

Applicants are only eligible to receive one (1) grant from the Community Grants Program per funding round.

Funding is not available for activities that have already commenced prior to approval.

5. GENERAL INFORMATION

This Policy provides an overview of the Community Grants Program. Applicants are to complete in full the Community Grants Program Application and Acquittal forms following the relevant guidelines.

Assessment Criteria

Applications for funding will be assessed against the following criteria:

- Applicants capability to deliver the program, event or initiative within the South Burnett Regional Council area; and
- Demonstrated South Burnett community need for the project; and
- Demonstrated South Burnett community support of and involvement in the project; and
- Eligibility and viability of applicant's not-for-profit organisation; and
- Evidence of anticipated positive outcomes that will be of long term benefit to the South Burnett community;
- A letter of support from the Property Branch of Council must be provided with the application for a project or activity involving improvement / change to a Council asset; and
- Regional Arts Development Fund Guidelines (for RADF applications only).

Community Events Sponsorship

This grant provides sponsorship funding to assist not-for-profit community organisations to deliver community events which build community capacity. Council will determine on a case by case basis the requirements for acknowledgement of sponsorship. Successful applicants will need to reapply each year for assessment on merit. The fund will provide individual event sponsorship of up to \$3,000, excluding costs associated with marketing and advertising.

Applications will be assessed by the Community Grants Program Assessment Panel against the Community Grants Program Policy based on the Assessment Criteria. A recommendation will be made by the Community Grants Program Assessment Panel with approval by the Manager Social & Corporate Performance. The Community Grants Program Assessment Panel will comprise of four (4) Councillors as decided by Council.

The fund will provide two (2) funding rounds in August and February each financial year.

Community Hall Insurance Grant

This grant provides funding to assist not-for-profit community organisations to pay the insurance costs associated with the management of community halls within the South Burnett Regional Council area.

Grants are available for up to \$1,000 to eligible applicants.

Applications will be assessed by the Community Grants Program Assessment Panel against the Community Grants Program Policy based on the Assessment Criteria. A recommendation will be made by the Community Grants Program Assessment Panel with approval by the Manager Social & Corporate Performance. The Community Grants Program Assessment Panel will comprise of four (4) Councillors as decided by Council.

The fund will provide two (2) funding rounds in August and February each financial year.

Community Grants Program Policy V2

Page 2 of 6

Councillor Discretionary Fund

Pursuant to section 202 of the *LGR2012*, a Councillor may use any Councillor Discretionary Fund in the following ways:

- a) spend for a community purpose;
- b) allocate for capital works of the local government that are for a community purpose, but only with the approval of -
 - (i) if the councillor is the mayor the deputy mayor and the chief executive officer; or
 - (ii) otherwise the mayor and the chief executive officer;
- c) allocate to a community organisation for a community purpose.

The Councillor Discretionary Fund provides Council with the ability to approve small miscellaneous discretionary grants to eligible not-for-profit community organisations in response to requests which are received from time to time.

This fund recognises that small activities, projects and events, deserving of support from Council, come up in an ad hoc way throughout the year. Requests for assistance are assessed by the relevant Councillor with approved by the Manager Social & Corporate Performance.

Applications can be made throughout the financial year. Applicants must indicate on the request if they are seeking support from multiple Councillors Discretionary Funds for the same activity/event.

Elite Performance Youth Grant

This grant is provided to encourage excellence in sport, the performing arts and education providing opportunities for the professional development for youth (up to 25 years).

The grant provides assistance for South Burnett residents to attend competitions or programs representing Queensland or Australia in their chosen performance field (No funding is available for South Burnett or Wide Bay representation levels).

Successful applicants are only eligible to receive one (1) allocation per financial year and can apply for up to:

- \$500 if representing Queensland; or
- \$500 if representing Australia within Australia: or
- \$1000 if representing Australia competing in another country.

Applications from multiple members of a team or group will be bundled and considered as a whole with funding available up to \$2,000 per team or group.

Applications will be assessed by the Community Grants Program Assessment Panel against the Community Grants Program Policy based on the Assessment Criteria with approval by the Manager Social & Corporate Performance. The Community Grants Program Assessment Panel will comprise of four (4) Councillors as decided by Council.

Applications can be made throughout the financial year.

Healthy Communities Sponsorship

This fund is to support projects and activities that increase the number of South Burnett residents engaged in physical and/or healthy programs and activities.

Programs and activities are eligible if:

Participant improvement data is able to be monitored and provided in the acquittal report; and
 Participant contribution is identified in the budget.

The fund will provide sponsorship for individual projects and activities up to \$2,000.

Applications will be assessed by the Community Grants Program Assessment Panel against the Community Grants Program Policy based on the Assessment Criteria. A recommendation will be

Community Grants Program Policy V2

Page 3 of 6

made by the Community Grants Program Assessment Panel with approval by the Manager Social & Corporate Performance. The Community Grants Program Assessment Panel will comprise of four (4) Councillors as decided by Council.

The fund will provide two (2) funding rounds in August and February each financial year.

In-kind Sponsorship

This in-kind grant provides minor sponsorship to assist not-for-profit community organisations to deliver community activities and events which build community capacity.

In-kind services include:

- Supply of gazebo marquee imprinted with Council's branding;
- Supply of minor works;
- Supply of road signage and barriers;
- Supply of skip bins; and/or
- Supply of wheelie bins and chairs.

Council will determine on a case by case basis the requirements for acknowledgement of sponsorship. The fund will provide individual event sponsorship of up to \$2,000.

The in-kind services provided by Council are dependent on operational priorities, availability of resources and over all annual budget allocation with approval by the Manager Social & Corporate Performance. Applications can be made throughout the financial year and must be received by Council a minimum of three (3) weeks prior to the activity/event.

Project / Program One-off Sponsorship

This grant provides funding for a project/program to assist not-for-profit community organisations to deliver one-off projects that meet an identified need and build community capacity.

Council will determine on a case by case basis the requirements for acknowledgement of sponsorship. The fund will provide sponsorship for an individual project/program of up to \$3,000.

Applications will be assessed by the Community Grants Program Assessment Panel against the Community Grants Program Policy based on the Assessment Criteria. A recommendation will be made by the Community Grants Program Assessment Panel with approval by the Manager Social & Corporate Performance. The Community Grants Program Assessment Panel will comprise of four (4) Councillors as decided by Council.

The fund will provide two (2) funding rounds in August and February each financial year.

Regional Arts Development Fund

This fund is a partnership between South Burnett Regional Council and Arts Queensland to:

- Support skills development of South Burnett professional artists, emerging artists and arts practitioners; and
- Increase local participation in the arts in the South Burnett Region.

Availability of this funding is dependent on Council being successful annually with an application to Arts Queensland.

Applications will be assessed by the Community Grants Program Assessment Panel against the Community Grants Program Policy based on the Assessment Criteria. A recommendation will be made by the Community Grants Program Assessment Panel with approved by the Manager Social & Corporate Performance. The Community Grants Program Assessment Panel will comprise of four (4) Councillors as decided by Council.

The fund will provide two (2) funding rounds in August and February each financial year dependent on Arts Queensland requirements and available funding.

Community Grants Program Policy V2

Page 4 of 6

School Student Awards

This grant provides sponsorship funding for student awards in conjunction with a school's annual awards night. Council will determine on a case by case basis the requirements for acknowledgement of sponsorship. Successful applicants will need to reapply each year for assessment on merit. The fund will provide awards sponsorship of up to \$300 per school, maximum \$150 per award. The awards are to reflect Council's values of ACHIEVE – Accountability, Community, Harmony, Innovation, Ethical Conduct, Vision and Excellence.

Applications will be assessed by the Community Grants Program Assessment Panel against the Community Grants Program Policy based on the Assessment Criteria. A recommendation will be made by the Community Grants Program Assessment Panel and approval by the Manager Social & Corporate Performance. The Community Grants Program Assessment Panel will comprise of four (4) Councillors as decided by Council.

The fund will provide two (2) funding rounds in August and February each financial year.

Subsidised Hire of Council Facilities

Council sets annually the hire fees associated with the halls owned and operated by Council. Please refer to Council's fees and charges.

6. DEFINITIONS

Eligible Individuals must reside within the South Burnett Regional Council area. Individuals who have not acquitted under any Council funded program are not eligible for further funding until the outstanding acquittal report is submitted and accepted by Council. Applicants shall have no outstanding debt with Council (including rates).

Incorporated Not-for-profit Organisations are incorporated under Queensland legislation, community based, providing services and activities of benefit to the South Burnett Regional Council area and whose primary purpose is not directed at making a profit. Incorporate not-for-profit organisations operating gaming machines or with liquor selling facility or who identify as a political party or are affiliated with State or Federal Government (excluding funding for schools for awards) will not be eligible for assistance. Incorporated not-for-profit organisations who have not acquitted under a Council funded program are not eligible for further funding until the outstanding acquittal report is submitted and accepted by Council. Applicants shall have no outstanding debt with Council (including rates).

Not-for-profit Organisations are community based organisations providing services and activities of benefit to the South Burnett Regional Council area and whose primary purpose is not directed at making a profit. Not-for-profit organisations operating gaming machines or with liquor selling facility or who identify as a political party or are affiliated with State or Federal Government (excluding funding for schools for awards) will not be eligible for assistance. Not-for-profit organisations who have not acquitted under a Council funded program are not eligible for further funding until the outstanding acquittal report is submitted and accepted by Council. Applicants shall have no outstanding debt with Council (including rates).

6.3 Health Services (HS)

Officer's Reports

6.3.1 HS - 2494539 - Systematic Inspection Program Animal Management (Cats and Dogs) Act 2008

Summary

The Animal Management (Cats and Dogs) Act 2008 provides for Council to approve a Systematic Inspection Program in order for staff to proactively investigate compliance with the legislation.

Officer's Recommendation

That Council approve a Systematic Inspection Program of properties within the South Burnett Regional Council's jurisdiction in accordance with section 113 of the *Animal Management (Cats and Dogs) Act 2008.*

The properties to be included in the Systematic Inspection Program are to be within the designated town areas for animal management purposes of Kingaroy, Kumbia, Crawford, Memerambi, Taabinga, Wooroolin Nanango, Blackbutt, Maidenwell, Brooklands, Wondai, Proston, Tingoora, Mondure, Hivesville and Murgon in order to monitor compliance with the requirements of the *Animal Management (Cats and Dogs) Act 2008,* more specifically dog registration.

The Systematic Inspection Program will be conducted between the hours of 9.00am and 5.00pm on weekdays and/or Saturdays, commencing on Monday 4 June 2018 and concluding on Friday 31 August 2018.

Resolution:

Moved Cr DA Potter, seconded Cr RJ Frohloff.

7. Portfolio - Planning & Property

7.1 Planning and Property Portfolio Report

Summary

Cr Fleischfresser presented his Planning and Property Portfolio Report to Council.

Officer's Recommendation

That Cr Fleischfresser's Planning and Property Portfolio Report to Council be received.

Resolution:

Moved Cr TW Fleischfresser, seconded Cr DA Potter.

That Cr Fleischfresser's Planning and Property Portfolio Report to Council be received.

Planning

Coopers Gap Windfarm Construction Update

Council granted Operational Works approval for the earthworks associated with the wind farm access tracks, crane hardstands, laydown area and wind turbine foundations. Construction of the foundations are well underway in Area 1 and 2 of the wind farm, which is north east of Niagara Road.

GE CATCON has also established two concrete batching plants on site to supply the concrete required for the project.

Outside of the construction site, shipments of the wind turbine components have started to arrive at the Port of Brisbane. The first 10 tower sections arrived on 24 March, 57 blades are scheduled to arrive on 17 April and the nacelles and hubs later in April.

Queensland Solar Farm Guidelines

The consultation period for making submission on the proposed guidelines closed on 11 May 2018. The State Government will now consider the submissions and decide how to progress the final guidelines. This process is likely to be finalized by the second half of this year. Council planning staff attended a presentation by the State Government on 19 April 2018 and provided comments on the proposed guidelines.

Property

Property branch has successfully awarded works to builders, electricians, and plumbers to implement Work for Queensland projects. Plumbers will commence works at the O'Neil Square Stage Structure to install guttering and downpipes to prevent rainfall flowing onto the stage. The works will be completed by the end of July.

The replacement of the Kingaroy Heritage Museum roof has now been completed and no more leaks for the Museum. I would like to acknowledge the volunteers that have worked and managed the building, displays and clean ups during this period of disruption.

Council has sourced quotations from Stone Masons to undertake works at two Heritage Facilities in the South Burnett Region. These works include repairs to the Hut made from stone pitching and ant bed mortar at Boondooma Homestead and repairs to the Chimneys at Ringsfield House. South Burnett Regional Council newly appointed security firm, South Burnett Traffic Control and Security has successfully transferred all of Councils buildings and depot alarm monitoring into their management and control. South Burnett Traffic Control and Security will provide a high standard of alarm monitoring and quick response to activated alarms and continue to patrol some of Councils buildings and depots.

Council's surplus equipment and materials will be auctioned on Saturday 19 May at the Nanango Depot in Dalby Street Nanango.

Also Councils house and land will be auctioned on the 19 May at the Nanango, inspection of the home can be arranged by appointment or by attending the open house. All enquiries can be made through Raine and Horne Kingaroy.

Carried 7/0 FOR VOTE - Councillors voted unanimously

7.2 Planning (P&LM)

Officer's Reports

7.2.1 P&LM - 1647588 - Forwarding IDAS Application for Material Change of Use & Reconfiguration of a Lot - 1 Lot into 80 Lots including Park; New Road & Drainage Reserve at 33 Oliver Road Nanango - Lot 33 RP811870 - Rest Estates P/L

Summary

- The first development permit seeks a Preliminary Approval to Vary the Effect of the Nanango Planning Scheme is requested to facilitate development as follows:
 - Modifications to the Rural Residential Locality Table of Assessment;
 - Modifications to the Rural Residential Locality Code;
 - Modifications to the Dwelling House, Annexed Unit and Caretakers Code, with code assessment responses;
 - Natural Features and Resource Overlay Code assessment responses;
 - Community Facility Overlay Code assessment responses;
 - Cultural Features Overlay Code assessment responses
 - The proposed Sandy Creek Pioneer Estate Table of Assessment and Sandy Creek Pioneer Estate Local Area Code.
- The second development permit seeks a development permit for the Reconfiguration of a Lot (1 into 80) and incorporates following lot sizes:
 - Minimum lot size of 4000m²
 - Maximum lot size of 1.7hectares
 - Average lot size of 5,219m²
- It is proposed to undertake the 80 lot subdivision over 8 stages and as detailed on the plan of subdivision.
- The proposal includes a new access via Frank Brown Road and retaining and extending Oliver Road for secondary access purposes. A third access point via Sandy Creek is also proposed, however, is for emergency purposes only. A new internal road network is proposed which will facilitate the development and provide access to all proposed lots.
- The development proposal is recommended for Part Approval and Part Refusal based on the grounds contained herein.
- The development permit for Preliminary Approval to vary the effect of the Nanango Planning scheme is recommended for refusal in that the South Burnett Planning Scheme has taken effect before the decision making period of IDAS and generally supports development of this scale and typology. It is considered unnecessary to include an independent or separate 'Sandy Creek code' as assessment criteria that would override the general planning scheme

provisions as the new South Burnett Planning Scheme appropriately addresses future house development on the lots proposed and risks and hazards. Development should also be subject to the relevant overlays under the current South Burnett planning scheme as the development proposal to override the relevant overlay codes has not been supported by sufficient information in the form of risk and hazard analysis assessments, particularly for bushfire.

• The development permit for Reconfiguration of a Lot (1 into 80) is recommended for approval subject to the amended plan contained herein. The amendments are for the protection and enhancement of the scenic and environmental values of Sandy Creek corridor. The applicant is required, by conditions, to submit an updated subdivision plan to address the environmental protection of the riparian zone.

Officer's Recommendation

The Council:

- A. **Refuse** the application for Preliminary Approval for a Material Change of Use to vary the effect of the Nanango Shire IPA Planning Scheme, and;
- B. **Approve** the application for a Development Permit to Reconfiguring a Lot (1 lot into 80 lots) including park, new roads and drainage reserve;

at Oliver Road, Nanango and described as Lot 33 RP811870, subject to the plan amended in red and conditions contained herein.

ADMINISTRATION

- GEN1. All conditions of this approval must be undertaken and completed to the satisfaction of Council, at no cost to Council.
- GEN2. All conditions, works, or requirements of this approval must be undertaken and completed prior to the commencement of use, unless otherwise stated.
- GEN3. Unless otherwise stated, all works must be designed, constructed and maintained in accordance with the relevant Council policies, guidelines and standards.
- GEN4. All engineering drawings/specifications, design and construction works must comply with the requirements of the relevant Australian Standards and must be approved, supervised and certified by a Registered Professional Engineer of Queensland. Any concurrence agency conditions will apply in addition to these standard conditions.

APPROVED PLANS AND DOCUMENTS

RAL1. Undertake the proposed reconfiguration generally in accordance with the stamped approved plans, as amended in red and documentation as detailed in the following schedule and any amendments arising through conditions of this approval:

Drawing/Document Title	Date	Reference	Prepared by
Sandy Creek Buffer Nanango Shire Council Planning Scheme SMOA 2C 2003	n/a	Proposal Plan revised by Reel Planning in Red	Reel Planning Pty Ltd

AMENDED APPROVED PLANS

RAL2. Submit for Council's approval an amended Staging plan and amended overall subdivision plan that addresses the following within two (2) months of the Development permit for Reconfiguring a Lot taking effect. The amended plans are to be endorsed by Council prior to the applicant lodging any permits for operational works or compliance assessment associated with this approval:

Stage	Lots not supported within the waterway riparian zone
5	42, 43, 44 & 45
7	61, 62, 63 & 64
8	68, 69, 70 & 71

The above lots are to be revised/ amalgamated and resubmitted for Council's endorsement in accordance with the following requirements:

- All lots should be 4000m2 or greater and show on the plan a development footprint plan that all development on the lot is contained outside of the waterway buffer areas detailed on the attached approved plan Nanango SMOA Map 2C with waterway and riparian details prepared by Reel Planning Pty Ltd;
- No lot boundaries shall intersect the Sandy Creek waterway and its riparian buffer, all lot boundaries are to terminate at the 100m riparian land buffer (light blue);
- No clearing or earthworks are to extend within the area of 100m riparian land buffer (light blue);
- No development shall occur within the 100m riparian land buffer (light blue);
- Any fencing along the riparian land buffer boundary is to be fauna friendly and allow for the natural flow of water in any flood event;
- The area of riparian buffer is subject to conditions regarding protection and rehabilitation.
- Stage 7, a 4m pedestrian path remains applicable from the end of the public road corridor and is to be dedicated pedestrian access that will, in the future, provide a connection to a walking route across the Sandy Creek corridor adjacent to the subject development land. This will provide a connection to an existing bike and walking track that traverses along the Sandy Creek corridor.

ENVIRONMENTAL - WATERWAY CORRIDOR

ENV1. No materials, equipment or structures (including but not limited to material stockpiles, sheds, concrete areas, landscaping materials, etc.) of any description be located within the 100m waterway buffer from the edge of Sandy Creek waterway at any time.

ENVIRONMENTAL - VEGETATION MANAGEMENT PLAN – WATERWAY RIPARIAN AREA

- ENV2. Prepare and submit by a suitably qualified person a Vegetation Management Plan. The Plan must be in the form of scale plans and supporting documentation for the protection, retention and or/management of vegetation on the site, and including the following:
 - The extent of the VMP must include evaluation of all areas, including and proposed road reserves, external works and development areas;
 - The location and extent of all site works including all proposed infrastructure and areas of earthworks;
 - Detail design of all civil works must protect significant vegetation, including any identified hollow bearing trees;
 - The location and description of all vegetation to be retained or removed;
 - Methods of identification of trees/vegetation to be retained or removed;
 - A description of all measures to protect vegetation and habitat features to be retained during construction, including protective fencing, site protocols, etc.;
 - A description of all pruning and tree surgery works (to AS 4373/96) to maintain the health and stability of trees and reduce potential hazards for future site users, the location and extent of storage and stockpile areas for cleared vegetation and site mulch;
 - A description of all methods to salvage and/or re-use cleared vegetation in landscape or rehabilitation works;
 - Details of all measures to protect and recover fauna during clearing operations, including presence of a qualified wildlife officer/fauna spotter during clearing

operations, pre-clearing inspections, staging and sequence of clearing and rehabilitation procedures; and

• No native vegetation is to be removed or disturbed within the area identified as Riparian Land 100m buffer from waterway centreline.

ENVIRONMENTAL – REHABILITATION PLAN – WATERWAY RIPARIAN AREA

ENV3. Prepare by a suitably qualified person and submit certification for the implementation and management of a Site Rehabilitation Plan for the area identified as Riparian land 100m buffer from the Sandy Creek waterway centreline on the approved plan of subdivision and as amended in red.

The Rehabilitation Plan is to be in the form of scaled plans and supporting documentation that includes at least the following information and generally in accordance with the approved plans:

- The rehabilitation plan should detail the extent of works to be carried out within each stage within a maximum allowable time period of five years for entire rehabilitation works;
- Description of proposed rehabilitation, including earthworks, methods, objectives;
- Location and description of proposed fencing/retaining walls abutting any waterway corridor, (NB: no retaining walls or fill to be placed in the environmental corridor);
- Location of proposed maintenance tracks;
- Location of existing vegetation over 150mm DBH, and indication of tree protection zones for these trees;
- Location of any ground disturbing works (removal of fill/waste, reprofiling, stormwater drainage, etc);
- The location, type and quantity of fill/waste material that is to be removed. Method (including types of machinery) and staging of removal shall also be detailed;
- Surface treatments, including the preparation of all open ground within the environmental corridor. Ensure that a suitable planting media is present and the site is protected to prevent erosion. Details on soil treatment, imported soil material, mulch and sub-grade treatment is to be provided;
- Contours and spot levels for all existing and proposed finished levels;
- Presence, extent and treatment methods of all weeds including those listed under Weeds of National Significance, the Land (Pest and Stock Route Management) Act;
- Proposed plant species (only locally native species to be used);
- Provision of plant schedule listing all proposed plants;
- Habitat enhancement actions including reuse of hollow bearing and woody debris;
- Implement the approved plan and certify works are completed with the approved plan by a suitably qualified professional.

ENGINEERING WORKS

- ENG1. Submit to Council, an Operational Work application for all works that will become Council infrastructure and for earthworks, stormwater, and roadworks.
- ENG2. Complete all works approved and works required by conditions of this development approval and/or any related approvals at no cost to Council, prior to Council's endorsement of the Survey Plan unless stated otherwise.
- ENG3. Undertake Engineering designs and construction in accordance with the Nanango Shire Planning Scheme, Council's requirements, Standard Drawings, and relevant design manuals.
- ENG4. Be responsible for any alteration necessary to electricity, telephone, water mains, sewer mains, stormwater drainage systems or easements and/or other public utility installations resulting from the development or from road and drainage works required in connection with the development.

- ENG5. Submit to Council, certification from a Registered Professional Engineer of Queensland (RPEQ-Civil) that all works authorised by this development approval and any related approval issued by Council have been designed and constructed in accordance with the requirements of the development approval:
 - a. submit a Design Certificate with the application; and
 - b. submit a Construction Supervision Certificate at completion of the approved works and prior to Council's acceptance of the works on-maintenance.

LOCATION, PROTECTION AND REPAIR OF DAMAGE TO COUNCIL AND PUBLIC UTILITY SERVICES INFRASTRUCTURE AND ASSETS

- ENG6. Be responsible for the location and protection of any Council and public utility services infrastructure and assets that may be impacted on during construction of the development.
- ENG7. Repair all damages incurred to Council and public utility services infrastructure and assets, as a result of the proposed development immediately should hazards exist for public health and safety or vehicular safety. Otherwise, repair all damages immediately upon completion of works associated with the development.

STORMWATER MANAGEMENT

- ENG8. Submit to Council, a final detailed Stormwater Management Plan (SWP) and report based on the revised lot layout. The SWP shall be submitted and approved by Council prior to submission of any application for Operational Work, and the Stormwater Management Plan must include, but not be limited to the following:
 - a. demonstration that the peak discharge from the development is not greater than pre-development flows;
 - b. details of open channel and detention basin design, capacities and operation (where applicable);
 - c. lawful point of discharge;
 - d. piped and overland flow site stormwater systems designed in accordance with Queensland Urban Drainage Manual;
 - e. stormwater infrastructure, relevant landscaping and engineering designs;
 - f. hydrology for the site based on Australian Rainfall & Runoff: A Guide to Flood Estimation using design Intensity Frequency Duration (IFD) data for the area as provided by the Bureau of Meteorology considering ARI 2 and ARI 100 events
 - g. all digital data files, where a software program is used in the design; and
- ENG9. Provide overland flow paths that do not alter the characteristics of existing overland flows on other properties or that create an increase in flood damage on other properties.
- ENG10. Design and construct stormwater drainage that provides:
 - a. for stormwater infrastructure to be included in easements where the infrastructure is located in downstream properties; and
 - b. upgrades of the downstream stormwater infrastructure required to convey design flows unless it has been demonstrated to Council that existing infrastructure has the capacity to cater for the post development conditions.
- ENG11. Provide overland flow paths that do not alter the characteristics of existing overland flows on other properties or that create an increase in flood damage on other properties.

- ENG12. Design and construct stormwater drainage that provides:
 - a. for stormwater infrastructure to be included in easements where the infrastructure is located in downstream properties; and
 - b. upgrades of the downstream stormwater infrastructure required to convey design flows unless it has been demonstrated to Council that existing infrastructure has the capacity to cater for the post development conditions.
- ENG13. Design and construct all internal stormwater drainage works to comply with the relevant Section/s of AS/NZS 3500.3.2.
- ENG14. Ensure that adjoining properties and roadways are protected from ponding or nuisance from stormwater as a result of any site works undertaken as part of the proposed development.

Comment: Contrary to previous advice, Council has determined that the stormwater easement in the existing gully, between Lot 63 and Sandy Creek, shall not be included as part of the proposed lots, and is to be used exclusively for the management of stormwater. The easement is to be shaped to adequately manage runoff velocities, whilst also facilitating Council maintenance vehicles.

LAWFUL POINT OF DISCHARGE

ENG15. Discharge all minor storm flows that fall or pass onto the site to the lawful point of discharge in accordance with the Queensland Urban Drainage Manual (QUDM).

WATER SUPPLY

ENG16. Provide on-site water storage for each lot in the development, with a minimum capacity of 67.5kl (3 x 5000 gallon rainwater tanks).

Timing: Upon submission of a building application for a Class 1 structure.

WATER SUPPLY - FIRE FIGHTING SUPPLY

ENG17. Each lot in the development shall be provided with a minimum water supply of 10,000 litres in a separate on-site water tank. This is to be a permanent supply of water for fire fighting purposes, separate from any potable water supply. The supply outlet is to be fitted with a 50mm male camlock fitting for fire fighting connection.

Timing: Upon submission of a building application for a Class 1 structure.

ON-SITE SEWERAGE

ENG18. Future dwellings on each lot shall have an on-site effluent disposal system, in accordance with Schedule 6, SC6.2.2 Internal, Connecting & External Infrastructure – Design and Construction Standards, Division 3: Water Supply and Sewerage, Table 6.2.10 – Sewerage Standards of Service, AS1547 and the Queensland Plumbing and Waste Water Code.

Timing: Upon submission of a building application for a Class 1 structure.

VEHICLE ACCESS

ENG19. Design and construct property accesses in accordance with Table S2.7 (a)(3) of Schedule 2 of the Nanango Shire Planning Scheme.

VEHICLE ACCESS - REAR ACCESS LOTS

ENG20. Construct a sealed (concrete, asphalt or bitumen) access driveway:

- along the full length of the access strip providing access to proposed rear access lot;
- b. having a minimum width of 4 metres; and
- c. the access strip having a minimum width of 7 metres.
- ENG21. Design and construct all services along the full length of the access strip.
- ENG22. Design and construct property accesses in accordance with Table S2.7 (a)(3) of Schedule 2 of the Nanango Shire Planning Scheme.
- ENG23. Construct any new crossovers such that the edge of the crossover is no closer than 1 metre to any existing or proposed infrastructure including any stormwater gully pit, manhole, service infrastructure (eg power pole, telecommunications pit), road infrastructure (eg street sign, street tree, etc).

RESTRICTED ACCESS

- ENG24. No vehicular access is permitted to Frank Brown Rd from proposed Lots 1,17, 31-35.
- ENG25. Include information on restricted access in any subsequent contracts for sale of proposed 1,17, 31-35.

ROADWORKS - INTERNAL/NEW ROADS

- ENG26. Design and construct the new road/s identified, for each stage, on the proposed plan/s of development as a "Street", in accordance with Schedule 2, Division 1, Table S2.2 and S2.6 of the Nanango Shire Planning Scheme, relevant Austroads' Standards, EDROC standards, and more specifically, include the following:
 - a. a minimum road reserve width of 20 metres;
 - b. kerb and channel;
 - c. bitumen seal between kerb and channel; and
 - d. provision for stormwater drainage, line marking, tapers to existing/new road pavements, signage, street lighting associated with the required road works and road reserve transitions between existing and proposed roads.
- ENG27. Construct a temporary gravelled surfaced turnaround to accommodate the turning movements of Council's refuse collection vehicle (HRV), where temporary dead ends are provided at stage boundaries.

ROADWORKS – EXISTING ROADS

- ENG28. Design and construct Oliver Road, between the development entrance and Nanango Brooklands Road, as a "Street", in accordance with Schedule 2, Division 1, Table S2.2 and S2.6 of the Nanango Shire Planning Scheme, relevant Austroads' Standards, EDROC standards, and more specifically, include the following:
 - a. Upgrading of the intersection of the Nanango Brooklands Rd and Oliver Rd, in accordance with *Austroads Guide to Road Design Part 4A*, for the left turn manoeuvre into Oliver Rd if warranted;

Timing: The upgrading of Oliver Road shall be completed prior to plan sealing for Stage 2a, 2b, 2c or 2d.

ENG29. Design and construct Frank Brown Rd, between the development entrance (Stage 1a) and Brown Rd, inclusive of all intersections, as a "Street", in accordance with Schedule 2, Division 1, Table S2.2 and S2.6 of the Nanango Shire Planning Scheme, relevant Austroads' Standards, EDROC standards, and more specifically.

Timing: Prior to Plan Sealing for Stage 1a.

ENG30. Design and construct Brown Road, between Frank Brown Road and Cairns Street, as a "Street", in accordance with Schedule 2, Division 1, Table S2.2 and S2.6 of the Nanango Shire Planning Scheme, relevant Austroads' Standards, EDROC standards, and more specifically, include the following.

Timing: The upgrading of Brown Rd shall be completed prior to the plan sealing for Stage 1c.

TELECOMMUNICATION

- ENG40. Design and provide underground telecommunications to all lots within the development.
- ENG41. Remove all redundant telecommunication connections and reinstate the land.

ELECTRICITY

- ENG42. Submit to Council, written confirmation from an electricity provider that an agreement has been made for the supply of electricity for each stage of the development.
- ENG43. Remove all redundant electrical connections and reinstate the land.
- ENG44. Submit electrical plans for Council's review prior to Council's endorsement of the Survey Plan. Be responsible to check and ensure that electrical drawings do not conflict with the civil engineering design.

STREET LIGHTING

- ENG45. Design and install street lighting to intersections and all streets within the development in accordance with AS/NZS1158 and the road classifications contained within this approval. Submit to Council, street light design plans showing the proposed public lighting system for Council's endorsement.
- ENG46. Enter into an agreement with an electricity supplier to provide a public lighting system in accordance with the lighting design plans as required by the previous condition. Submit to Council, written confirmation from an electricity provider that an agreement has been made to provide a public lighting system.
- ENG47. Ensure that any new street light poles required on external streets are of a consistent standard (ie steel poles) to street light poles within the immediate vicinity of the development.
- ENG48. Install street lighting in all road reserves on the same side of the road that accommodates any footpath or shared path.

Resolution:

Moved Cr TW Fleischfresser, seconded Cr DA Potter.

That the Officer's Recommendation be adopted subject to correcting the following typographical errors:

- 1. Delete conditions ENG9 and ENG10 as these conditions are repeated in conditions ENG11 and ENG12 and the conditions are renumbered.
- 2. Condition RAL2 is amended to reflect the correct staging numbers as follows:

Stage	Lots not supported within waterway riparian zone
2c	45,46,47
2d	35,35,37,38,39,40,41
2e	34

3. Removal of the words 'including park' from point B of the Officer's Recommendation.

Carried 7/0 FOR VOTE - Councillors voted unanimously

DECLARATION OF PERCEIVED CONFLICT OF INTEREST

Due to a Perceived Conflict of Interest between Cr KM Campbell (Mayor) and St John's Lutheran School, as Mayor Campbell's wife is on the board of management, Cr KM Campbell (Mayor) left the meeting at 10:08am.

The Deputy Mayor assumed the Chair.

7.3 Property (P)

Officer's Reports

7.3.1 P - 2496161 - St John's Lutheran School - Adermann Park

Summary

Council to consider licensing an area within Adermann Park to St John's Lutheran School for sport and recreation activities.

Officer's Recommendation

That Council licence part of Lot 488 FY2753 known as Adermann Park to St John's Lutheran School for sport and recreation activities during the hours of 10.50am to 11.20am and 12.50pm to 1.20pm on school days.

Resolution:

Moved Cr TW Fleischfresser, seconded Cr DA Potter.

That the Officer's Recommendation be adopted.

Carried 6/0 FOR VOTE - Councillors voted unanimously ABSENT. DID NOT VOTE - Cr KM Campbell (Mayor)

ATTENDANCE:

Cr KM Campbell (Mayor) returned from temporary absence at 10:13am and assumed the Chair.

8. Portfolio - Water, Waste Water, Waste Management, Sport & Recreation

8.1 Water, Waste Water, Waste Management, Sport & Recreation Portfolio Report

Summary

Cr Frohloff presented her Water, Waste Water, Waste Management, Sport & Recreation Portfolio Report

Officer's Recommendation

That Cr Frohloff's Water, Waste Water, Waste Management, Sport & Recreation Portfolio Report to Council be received.

Resolution:

Moved Cr RJ Frohloff, seconded Cr GA Jones.

That Cr Frohloff's Water, Waste Water, Waste Management, Sport & Recreation Portfolio Report to Council be received.

Water and Waste Water:

Mt Wooroolin Trunk Water Main

Work has continued on the 500mm trunk main and is progressing well with some 60% of pipe laid and all materials procured. The project is expected to be completed by the end of June, with some delays incurred due to the size of the pipe and difficult terrain.

Retschlag St.

The upgrade and replacement of the pumping equipment, switchboard and telemetry equipment was completed without incident in early May, This replacement will improve the reliability of the pumps and reduce ongoing operational and electricity costs for the network.

Class A Recycled Water Plants – Murgon and Wondai

Tender documents for the Murgon and Wondai Recycled Water Plants have been completed allowing tenders to be called in May. The new plants will allow irrigation of fields and facilities water to be more easily managed to meet safety standards by improving water quality to a Class A standard.

Hydrant Maintenance

Crews in the Southern area in the towns of Blackbutt, Nanango, Kingaroy and Kumbia have recommenced a co-ordinated hydrant maintenance program through the region which will clean,

test and refurbish a proportion of the hydrant system in the towns across the Region. This program will be ongoing and will ensure these critical infrastructure assets are functional when they are most needed.

Dam Levels

Dam levels continue to drop with no inflows during April meaning water restrictions within all town water supplies in the South Burnett Region will remain at Level 3 restriction levels until significant inflows to the major dams are received.

Sewer Relining

SBRC will be participating in the Wide Bay Burnett Regional Organisation of Councils – Sewer Relining Contract Project for 2018/19. Council's overall program including CCTV will total \$2.8M in 18/19 and will lead to a vastly improved sewer network with reduced blockages and ground water infiltration.

Carried 7/0 FOR VOTE - Councillors voted unanimously

8.2 Water & Waste Water (W&WW)

Officer's Reports

No Report.

8.3 Waste Management (WM)

Officer's Reports

8.3.1 WM - 2494608 - Adopting Public Interest Test Report recommendation and Making Local Law No. 6 (Waste Management) 2018

Summary

The State Government has established sunset expiry clauses for Section 7 of the Waste Reduction and Recycling Regulation 2011 and Chapter 5A of the Environmental Protection Regulation 2008. These previously long standing provisions are planned to expire 1 July 2018.

In order for Local Governments to keep these essential provisions it has now become necessary to adopt a Waste Management Local Law incorporating these to expire provisions.

Council proposed to make Local Law No.6 (Waste Management) 2018 at its January 2018 Council Meeting. Since this time, a State Interest Check and Public Consultation has occurred.

This report outlines the outcomes of the consultation phase and makes recommendations to progress the making of Local Law No.6 (Waste Management) 2018.

Officer's Recommendation

That Council resolves to ---

- (a) note that Council has consulted with relevant government entities about the overall State interest in Local Law No. 6 (Waste Management) 2018; and
- (b) note the contents of the Public Interest Test Report; and

- (c) note that Local Law No. 6 (Waste Management) 2018 contains anti-competitive provisions; and
- (d) implement the recommendations of the Public Interest Test Report about Local Law No. 6 (Waste Management) 2018; and
- (e) make Local Law No. 6 (Waste Management) 2018 as advertised

Resolution:

Moved Cr RJ Frohloff, seconded Cr GA Jones.

That the Officer's Recommendation be adopted.

Carried 7/0 FOR VOTE - Councillors voted unanimously

9. Portfolio - Natural Resource Management, Parks and Indigenous Affairs

9.1 Natural Resource Management, Parks and Indigenous Affairs Portfolio Report

Summary

Cr Duff presented her Natural Resource Management, Parks and Indigenous Affairs Portfolio Report to Council.

Officer's Recommendation

That Cr Duff's Natural Resource Management, Parks and Indigenous Affairs Portfolio Report to Council be received.

Resolution:

Moved Cr KA Duff, seconded Cr TW Fleischfresser.

That Cr Duff's Natural Resource Management, Parks and Indigenous Affairs Portfolio Report to Council be received.

Natural Resource Management

Update for April as follows:

Biosecurity

Weed Management on Roadsides

- Contractors completed over 150 hours spraying lantana on main roads
- Street Spraying in Towns continues

Feral Animal Management 1080 Baiting Program

- Baiting Enquiries made for the following areas:
 - o Ballogie
- 1080 Baiting Program for Feral Dogs and Pigs will commence 21 May 2018 for landowners to participate in controlling feral animals on their properties. Bait Collection Points:
 - o Mon 21 May Wondai Mellrose Road & Wondai Clearing Dip, Bunya Highway
 - Tues 22 May Proston Boondooma Tip & Proston Clearing Dip
 - Wed 23 May Nanango Mt Stanley Dip & Broadwater Access Road

- o Thurs 24 May Murgon Council Gravel Reserve, McAllister Street
- o Fri 25 May Kingaroy Hodges Road
- o Fri 25 May Kumbia Bunya Mountains Road, Alice Creek

Equipment Loan

- Splatter guns
 - o Cloyna
 - o Tarong
- Trailer
 - Tarong
- Feral Animal Traps
 - o 1 dog cage trap hired out Coverty Area
 - o 1 rabbit trap hired out Nanango Area
 - o 4 cat traps hired out Nanango, Booie & Benarkin Areas

Wandering Stock Management

- Livestock call outs were undertaken in the following areas:
 - o Inverlaw Cattle
 - o Taabinga Horses
 - Wooroolin Pigs

Saleyards

- Sale Totals for the Month of April 603 head
 - April 10 200 head in 68 lots Progency 33 head Total 233
 - April 24 361 head in 90 lots Progency 9 head Total 370

CAPEX & Work 4 Queensland – Update

Commenced & Scheduled Capex Projects

- Murgon Cemetery 2x New Columbarium Walls (1 owned by Murgon RSL) and Shelters
- Yallakool Dam Pool Works and New Pumps
- Proston Cemetery New Shade Shelters
- Taabinga Cemetery New Columbarium Walls
- Murgon Lions Park Drainage and Carpark Sealing
- Murgon Hospital Bridge Refurbishment
- Coomba Falls Installation of New Toilet Block

Commenced & Scheduled W4Q Projects

- Boondooma Dam Upgrade to Water and Electricity Services
- Wondai Dingo Park Installation of 2x New Shelters and Pathing
- Murgon Youth Skate Park Construction of New Pathing
- Bollards to be installed at Memerambi, Wooroolin , Wondai Rest Areas & Murgon Industrial Area

Parks & Gardens

Kingaroy

- Mowing program continued and Winter Maintenance Program scheduled to commence Early May
- Preparations and Clean-up for ANZAC Day services

- Customer Service Requests Mowing will soon slow down and tree requests will be scheduled for actioning
- Scheduled Works completed for the Preparations of the Kingaroy Show & Burrandowan Races in May

Murgon, Wondai & Proston

- Rail trail has been slashed and seats tidied up as well as guide posts being sprayed out
- Dingo park new footpath and shelters is happening
- Winter maintenance programs are due to commence now that mowing has started to slow down
 Park bench painting
 - Playground maintenance
 - o Toilet Block repairs
 - o Town Cleans
- Gardens are getting cleaned up and flowers put in with more permanent plants put in as well
- Preparations and Clean-up for ANZAC Day services complete

Nanango & Blackbutt

- Nanango tidy up mowing is underway
- Preparations and Clean-up of Anzac day, show day, and market day all done
- All parks in Nanango maintained with all action requests completed
- Nanango cemetery scheduled for maintenance
- Blackbutt approaches mowing done, crew will go and do town tidy for show day
- Main street gardens in both towns had a face lift. Annual plantings in Nanango and Blackbutt to be planted in early weeks of May

Dams

- Working with current Managers for a smooth transition for South Burnett Regional Council takeover on Monday 14th May.
- General Mowing & Maintenance
- Works of Queensland Project well under way

Indigenous Affairs

- The Reconciliation Fun Run is on this Sunday starting at 7.00am. This year there is 3km, 7km & 10km to run or walk. The funds go towards the Ration Shed and registrations can be done on line by visiting the Ration Shed Reconciliation Fun Run website.
- Planning is underway to hold another NAIDOC celebration in the Forecourt here in Kingaroy. The Kingaroy Hospital are combining their efforts with ours and we will be holding a joint event on July 12th this year.

Carried 7/0 FOR VOTE - Councillors voted unanimously

ADJOURNMENT:

Motion:

Moved Cr TW Fleischfresser, seconded Cr RLA Heit.

That the meeting adjourn for twenty (20) minutes

RESUMPTION:

Motion:

Moved Cr KA Duff, seconded Cr RJ Frohloff.

That the meeting resume at 11.01am with attendance as previous to the adjournment

Carried 7/0 FOR VOTE - Councillors voted unanimously

10. Portfolio - Finance, ICT & Human Resources

10.1 Finance, ICT and Human Resources Portfolio Report

Summary

Cr Heit presented her Finance, ICT and Human Resources Portfolio Report to Council.

Officer's Recommendation

That Cr Heit's Finance, ICT and Human Resources Portfolio Report to Council be received.

Resolution:

Moved Cr RLA Heit, seconded Cr KA Duff.

That Cr Heit's Finance, ICT and Human Resources Portfolio Report to Council be received.

Financial Reports to 30 April 2018

Just a brief report for Council today given our current focus on the preparation of the budget for the financial year ending 30 June 2019.

Except for the Operating Ratio the indicators of financial health (the financial ratios) are within the required parameters. The Operating Ratio is only slightly outside of the target limit. However, given that Council is aware that this ratio is influenced by the issue of half yearly rating there is no risk relating to this result.

The line items within the Statement of Comprehensive Income are also performing to expectation given the percentage of the year completed to date. Line items performing slightly outside of the 83% have been reported to Council in previous months.

Capital Expenditure

The capital expenditure report which has been included in the agenda for Council's information shows that 57.7% of the budget of \$35.774m has been utilised when committed costs are included. Council is aware that several projects in the Property, Waste Water Programs and the W4Q projects for round two, will be either held over to be completed in the 2019 Financial Year or completed by the project milestone date in the case of W4Q projects. Those other projects include the Nanango Office Refurbishment in Property and the Network Renewal Program in Waste Water. If those numbers are taken into account the utilisation of the Capital Budget at 30 April would be at 67% with two months of expenditure and project delivery yet to be incurred.

Budget for the financial year ending 30 June 2019

The major focus of the finance team and Council over this past month has been the preparation of the 2019 financial year budget. Council has been working through the finances to develop next

year's budget to ensure the optimal balance between costs and benefits of Council Services. At a Strategic Budget Meeting on Monday 14 May 2018 or last Monday Council considered the Operational Budget for General Operations, Water, Waste Water, Waste and Plant and Fleet. Two further workshops will be held before the end of May to complete this budget preparation cycle.

Works for Queensland

At reporting date, \$1.654m has been spent on the Round 2 Projects with a further \$348,516 committed to be spent making the total committed expenditure of \$2.003m at reporting date. That expenditure is better detailed in the report for Councillors information which is part of the agenda today.

Human Resources

Council welcomed 10 new trainees last month and we are delighted with how they are settling into their new roles. It's great that Council is able to offer these young people good training opportunities.

Carried 7/0 FOR VOTE - Councillors voted unanimously

Resolution:

Moved Cr RLA Heit, seconded Cr DA Potter.

That the Monthly Financial Report as at 30 April 2018 be received and noted.

Carried 7/0 FOR VOTE - Councillors voted unanimously

10.2.2 F - 2489298 - Fees and Charges Schedule

Summary

Each year the Council considers the level of fees and charges.

The Fees and Charges Schedule attached includes both the Regulatory Fees and Commercial Charges.

Section 97(2) of the *Local Government Act 2009* provides examples of a Cost Recovery Fee/Regulatory Fee:

"A cost-recovery fee is a fee for-

- (a) an application for the issue or renewal of a licence, permit, registration or other approval under a Local Government Act (an **application fee**); or
- (b) recording a change of ownership of land; or
- (c) giving information kept under a Local Government Act; or
- (d) seizing property or animals under a Local Government Act; or
- (e) the performance of another responsibility imposed on the local government under the Building Act or the Plumbing and Drainage Act."

A commercial fee is for a service which Council provides, however the service could also be sourced from another provider.

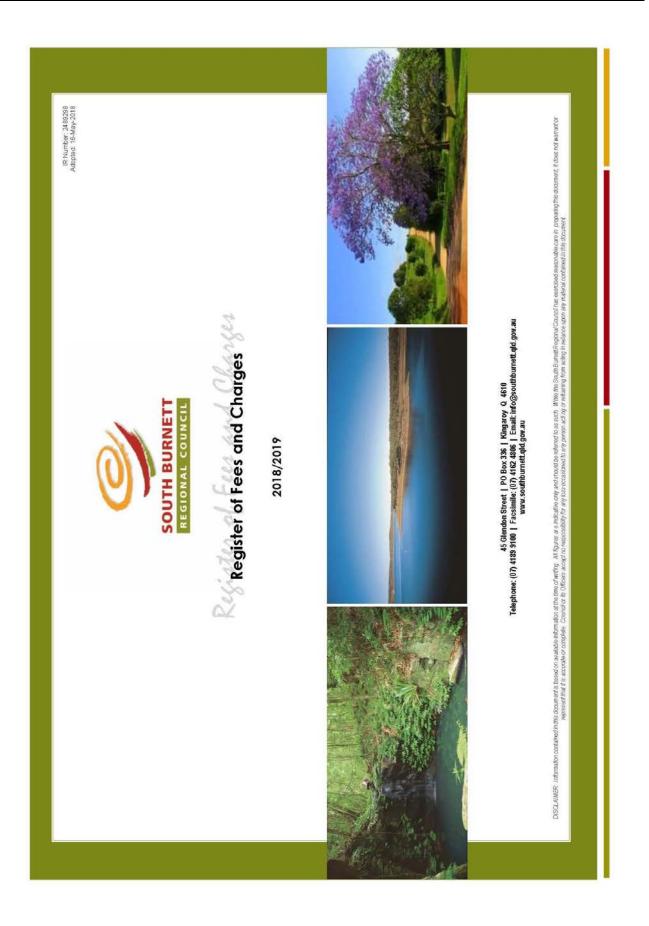

In the case of Cost Recovery Fee/Regulatory Fees the Act also states that a cost-recovery fee must not be more than the cost to the local government of taking the action for which the fee is charged.

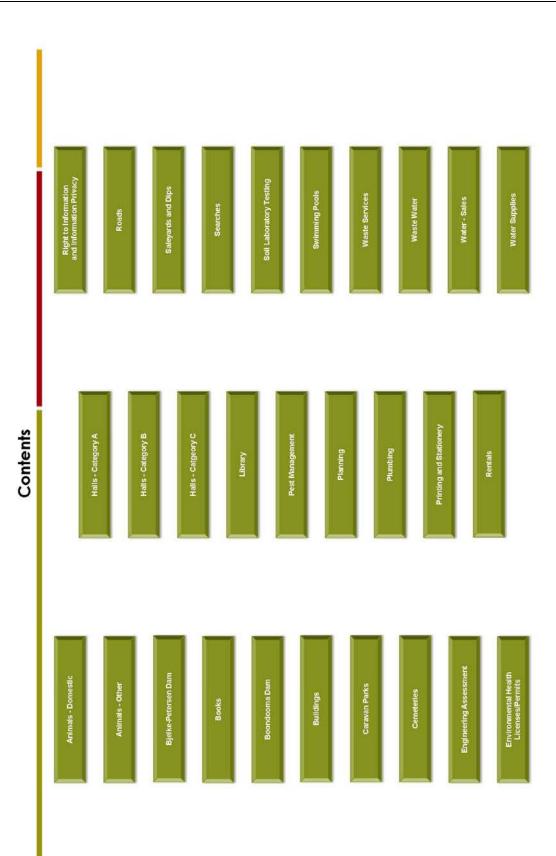

The Fees and Charges in the attached schedule have been generally increased by 2%. However some fees have not changed from those charged in the 2017/2018 financial year and a more detailed review undertaken in some cases. The charges for 2017/2018 financial year have been included in the schedule to allow comparison with the proposed charges for the 2018/2019 financial year.

As per section 98(1) of the *Local Government Act 2009* South Burnett Regional Council maintains a register of Cost Recovery Fees.

Officer's Recommendation

That the Fees and Charges listed be received and adopted effective from 1 July 2018 continuing in place until further reviewed by Council.

Standard Fees					
Hourly Travel Rate	/hour	\$ 98.00	7 0		c
Notes					
1. Costs include travel of up to 10km radius of Kingaroy, otherwise travel charges apply.					
2. A wait time of 15 minutes per job after which hourly rate charged at 15 minute intervals.					
3. If a sample is to be sent to another Laboratory, cartage shall be added.					
Any tests not listed but able to be undertaken by the Soils Laboratory shall be charged at the hourly rate.					
 The Soils Laboratory hours of operation are 6.30am to 3.30pm Monday to Friday. Testing outside of these hours will attract overtime rates. 					
When Soil Tester is undertaking a large volume of testing for a single client a lower charge out rate may be negotiated if in agreement with the Chief Executive Officer.					
Call fee of half an hour applies if job cancelled and not notified plus travel costs where applicable.
