That the Economic Development, Governance and Communication Portfolio Report to Council be received.

Resolution:

Moved Cr DW Kratzmann, seconded Cr KA Duff.

That the Economic Development, Governance and Communication Portfolio Report to Council be received.

PROJECT UPDATES

Business Development and Growth

Business Excellence Awards including Training WorkshopsProject Update:

- A launch event is being planned for 3rd August 2015 (new date for opening of nominations)
- The BEA committee would like SBD Committee members to be guest speakers at workshops, relevant to their business/area of expertise. Members will be contacted individually as the workshop schedule is finalised.

Education pathways

Skilling Queenslanders for Work project

Further discussion on this project has identified that TAFE Kingaroy are unable to deliver the Tourism qualifications required. In addition, the requirements for completion and employment are quite high and not in line with the original intent of the project. Further opportunities will continue to be explored.

Leadership

Communication

SBD Website

Please visit <u>www.southburnettdirections.com.au</u> to view updates and improvements over the next few weeks.

Monthly e-newsletter

A draft newsletter has been prepared to be distributed via Mail Chimp. It is proposed to distribute to stakeholders on a monthly basis.

National Stronger Regions

South Burnett Regional Council has not nominated a project, but will support the bottling plant application by CTC.

Infrastructure

Digital Connectivity

The 'GoMobile' broadband and mobile phone connectivity app is up and running with initial testing results being collated. The logistics of planning routes and identifying existing known black spots to ensure testing is done in these areas is currently being undertaken. A survey is being prepared for distribution to the community. If members know of blackspots in the region, please let us know so that we can ensure testing is undertaken in these areas. This testing is for the next level following the initial 700kms of testing that was done predominantly on main roads which supported the recently announced successful black spot funding for 4 sites in our region.

The Australian Government has just announced the list of successful new telecommunications base stations through the Commonwealth's Mobile Black Spot Programme.

Of the 68 locations awarded throughout Queensland, the South Burnett was successful with new funding for 4 locations - Durong, Kumbia, Wattlecamp and Boyneside. This will provide significant improvements for mobile phone and broadband overage.

The selection of tower locations throughout Australia was determined by the Commonwealth Government based on a variety of factors including the demographics, potential coverage, cost and stakeholder co-contributions compared to all other candidate locations submitted nationally.

The telecommunication carriers and Commonwealth Government will provide more detail about the equipment to be installed and the roll-out timetable over the next couple of months.

NBN have also advised that they are expecting to expand the coverage of our fixed wireless network in the South Burnett Regional Council area. The number of sites in the expansion is yet to be finalised, however Ericsson and their contract partners will soon be in the area conducting scoping activities. Some expression of interest discussions may already be in progress for a number of sites. These partners will be in contact with Council once scoping has been finalised. Ryan Williams, Community Affairs Manager, has offered to provide Councillors and SBD with an update on their current activity.

Tourism

Tourism Officer

Congratulations to Julie Foley (current Economic Development Officer) who was successful in obtaining this position based on her skills and extensive local networks.

SBRC Visitor Information Centres

Effective July 1st SBRC's VICs are now part of Council's Economic Development Department. This realignment now brings all tourism activities within Council under one Department.

South Burnett Cherbourg on Show - Finer Things Festival CommitteeSBRC Economic Development Department continues to support the South Burnett Cherbourg on Show Committee.

BASS Nation Fishing Competition

Meet & Greet held in the Kingaroy forecourt 18 June with approximately 500 attendees and a good platform for the councillors, media, pro anglers and the public to socialise. BASS Nation are excited about the support and interest received and the potential benefits for the region including an increase to the number of competitions held in the South Burnett, an increase of awareness of our facilities and the area in general via BASS Nation social media outlets and developing mutually beneficial relationships. The fishing competition on the Sunday had an increase in public attendance assisted from the meet & greet event raffle that you had to be present on the Sunday to win, every one drawn was present and no redraws were required.

Regional Flavours

Sponsorship level sees South Burnett Regional Council as a supporting partner of Qld Taste location where a delivery of a regionally inspired menu will be made. Economic Development has engaged Chef Jason Ford to execute the South Burnett menu. The savoury item recipe is attached and focus on the use of local product incorporates **Proteco, Swickers, Bunya Red Farm, The Peanut Van, Chinchilli, Taste SB, Just Aus** & other locally grown produce. This recipe is a good fit for Regional Flavours event as it will appeal to the 'foodie' market, can be eaten with one hand as people stroll around and showcases the high quality of produce that the South Burnett offers. To complement the South Burnett wrap an offering of Bunya Nut Fudge will be included on our menu. This product can be used as a lead in to promote the uniqueness of the Bunya Mountains and market the South Burnett region. The design of this space promotes the South Burnett and acknowledges **South Burnett Directions, Growing Queensland's Finest, Ford on Food, Proteco Oils, Bunya Red Farm, The Bunyas, Taste SB, The Peanut Van, Barkers Creek Pork and Chinchilli** as contributors to the menu items.

Sponsorship level allows SBRC to continue to support producers & increases the spotlight on the South Burnett including:

- 3 sites to showcase our local producers, allowing us to support 5 producers. Others have chosen to attend in their own right and will occupy the South Burnett space creating a hub of cross promotion Crane Wines, The Peanut Van, Bunya Red Farms, Kingaroy Gourmet Peanuts, Kingsley Grove Estate, Taste SB, Clovely Estate, Kingaroy Cheese, Chinchilli.
- Pop Up food menu site to execute South Burnett inspired menu
- Dedicated on stage presence Serving up the South Burnett: Cameron Matthews. Talent supplied by Brisbane Marketing with goal to develop and provide our own talent if sponsorship deemed successful for all parties and we continue to partner
- Annoska Tucker-Evans & Susan Mercer wine matching segment
- South Burnett inclusion in award winning state wines with Des Houghton/Annoska Tucker-Evans

- Several sponsor area wineries were presented for consideration for menu inclusion and
 Clovely Estate has been selected for The Hunting Club wine offer
- Billboard promotion: From South Burnett to Southbank. Digital GOA billboards across Brisbane City in the lead up to the event, featuring changing promotions.
- Opportunity for producer or Jason Ford to appear on Eat, Show, Tell stage with Miguel Maestro. Suggested Jason Ford to provide overarching promotion of the South Burnett.
- Program sponsor promotion Courier Mail insert 7 July
- Regional Flavours website and social media promotion
- Integrated South Burnett moments & ingredients Brisbane Marketing pitch our products to
 the chef talent eg. Kate Gibbs (Margaret Fulton's granddaughter) has requested and been
 supplied with quantity of bunya nuts to substitute in her pear and macadamia nut crostata.
 If test recipes successful the adaptations will be used in presentations, capturing moments
 for the South Burnett.

Regional Queensland Showcase event

12 – 13 June at Brisbane Convention and Exhibition Centre. Our stand was the busiest display and this was contributed to by our high staffing rate, we had the numbers to engage with the visitors. Rob Patch and Susan Mercer attended our Wide Bay Burnett stand to showcase their products and were wonderful ambassadors for the South Burnett. A regional hamper was given away on the day and thanks to Taste South Burnett and Kingsley Grove Estate for their contribution to this.

Some feedback from Department of State Development:

I would like to take this opportunity to thank you all for attending and assisting at the Regional Qld Showcase event held on 12 and 13 June 2015. It was a very busy 2 days not to mention the planning and organising leading up to the event! The Wide Bay Burnett booth was voted the best booth and had the most visitors and interest from members of the public. It was great to see you all engaging and we were both very pleased and proud to stand alongside you promoting the Wide Bay Burnett. Top job everyone and thank you once again for all of your efforts in the lead up and at the event!

Creek to Coast

Creek to Coast South Burnett dam episode aired Saturday 6 June and feedback from Dam Management has been requested. If you missed the episode I've placed it on the Directions Facebook page.

Kingaroy Observatory

Kingaroy Observatory opening night 27 June with the observatory operational from the Kingaroy Aerodrome 29 June.

Brisbane Valley Rail Trail

Brisbane Valley Rail Trail discussion and development of possible promotion to showcase BVRT at Gold Coast cycling event held 18 October.

Carried 6/0 FOR VOTE - Councillors voted unanimously ABSENT. DID NOT VOTE - Cr RLA Heit

4.2 Governance

Officer's Report

4.2.2 G - 1479122 - Operational Plan Update and Review Report

Summary

The Annual Operational Plan details the projects, services and initiatives that Council has planned to deliver for the 2014/15 financial year. Pursuant to section 174(3) of the *Local Government Regulation 2012* a report must be presented to Council detailing the progress towards the implementation of the Annual Operational Plan.

Officer's Recommendation

That the Operational Plan 2014/15 Progress Report for the June Quarter be adopted.

That the Roads & Drainage Portfolio Report to Council be received.

Capital Works

• Bunya Highway - Overtaking Lanes at Wooroolin

This project will finally be completed this week with the first coat of the seal to go down and linemarking completed. The second seal that will be required will occur when the temperature is warmer. This crew will then move on to the Proston Boondooma Rd for the reshaping and widening job there.

• Markwell St, Kingaroy

o The first coat of 45mm asphalt will go down by Friday which will then open both sides of the street up. This crew will then move to Ellesmere Rd job.

• Nanango Streetscape

 The streetscape project in Drayton St continues on, with just two corners left to be completed before work starts on the roundabout. The roundabout will be started within one month.

• Semgreen's Rd, Coolabunia

This job has taken quite a long time to complete due to the severity of moisture on the road. The two layers of gravel base have gone down and it is then anticipated that the road will open back up to traffic when crews are not working at night. The seal should be ready to go down in the following week. The crew will then move on to Coulson St in Blackbutt given the pipes for that job are due to be delivered shortly.

<u>Ironpot Rd, Ironpot</u>

This Thursday will see this sealing of that section completed.

Maintenance

The following roads have be attended to by our maintenance crews since my last report,

- Byanda Rd Speedwell
- K Hansen Rd Speedwell
- Howard Rd Speedwell
- Back Creek Rd Speedwell
- Foxs Rd Speedwell
- Manthey's Rd Speedwell
- Speedwell Abbeywood Rd Speedwell
- Bullcamp Runnymede Rd Runnymede
- Mylett's Lane Runnymede
- Mt Stanley Rd Nanango
- Walsh's Rd Nanango
- Old Esk Rd Nanango
- Manumbar Rd Manumbar
- Nords Rd Goodger
- Neales Rd Goodger
- Coolabunia Malar Rd
- Semgreens Rd Coolabunia
- Red Tank Rd Ironpot
- Boyne River Rd Ironpot

Design & Technical Services

Survey and design for the following projects has either been completed or is in the process of being completed and on the program for construction:

- Fisher St/Moore St Intersection, Kingaroy The design has been finalised and is in the
 programme ready for construction. There will be some liaising with other sections &
 authorities to assist with the realignment of underground and overhead services prior to the
 roadworks commencing.
- Pring St, Wondai The water main design has been finalised and is currently under construction.
- Booth St, Kingaroy The water main design is in the process of being reviewed and will be finalised shortly.
- Henry St, Kingaroy The water main design is in the process of being reviewed and will be finalised shortly.
- Reen St, Kingaroy The water main design is in the process of being reviewed and will be finalised shortly.
- William St, Kingaroy The water main is currently being surveyed for design between Haly St and Queen St.
- Queen St, Kingaroy The water main is currently being surveyed for design between William St and the Bunya Hway.
- Hodges Rd, Kingaroy This design is still being completed adjacent to the new Kingaroy
 Wastewater Treatment Plant. The project will include road widening, kerb and channel and
 an underground drainage system for the full frontage of the site.
- Minmore Rd The design is currently being reviewed for constructability and will be finalised shortly.
- Glendon St Carpark (Circular PI), Kingaroy The carpark has commenced preliminary design and will include the replacement of the water main, installation of subsoil drainage and the reconstruction of the pavement and crossovers.
- Gladys St, Blackbutt This design is part of the Blackbutt Town Development and is currently being designed for the section of road between Miller St and Morris St.
- Stonelands Rd Bridge The survey has been completed for this site and is in the design programme to be replaced with large box culverts.

Projects Of Interest

- Blackbutt Town Development- The successful tenderer for the Supply of Concrete Stormwater Components has been awarded at the May Council Meeting. The design for the Coulson St drainage systems has been finalised by GHD and is in the programme for construction. An additional system to the south that encompasses Hart St, George St, Margaret St, John St & Sutton St's is now being designed. This will be completed in conjunction with a number of road construction projects to compliment the underground works.
- Clark & Swendson/Kingaroy Barkers Creek Intersection The upgrade of this intersection
 to facilitate the movement of B Double vehicles to a new location off Clark & Swendson Rd
 has commenced. This will include a slip lane configuration at the intersection, the
 construction of a concrete floodway and the widening of Clark & Swendson Rd to a new
 access. All access works to the road widening on Clark & Swendson Rd will be undertaken
 by Swickers civil contractor.
- Streetlighting Studies –The consultants are currently assessing the lighting infrastructure of Murgon and Proston, which are the last towns in the region yet to be assessed.

Material Laboratory Update

The Materials Laboratory officers are currently undertaking construction materials testing for the following projects:

- Kingaroy Wastewater Treatment Plant Upgrade (QCGC)
- Murgon Gayndah Rd road rehabilitation, north west of Murgon (TMR)
- Wide Bay Highway Intersection upgrade, west of Kilkivan (TMR)
- D'Aguilar Highway Road rehabilitation in Blackbutt (TMR)

Bridge Tender

15/16 Bridge Replacements – The tender closure occurred on 3 July and 19 conforming submissions were received and these are currently being assessed. A report will be provided to Council for further consideration at the early August Council Meeting.

Bridges To Recovery Program

The Councils of the Wide Bay Regional Organisation of Councils met with the Deputy Prime Minister and Minister for Infrastructure to discuss the first round of the Bridges To Recovery program. Concerns were raised that the Queensland government had received the bulk of the funding from the first round – particularly four bridges at Peak Downs costing \$30 million. The Deputy Prime Minister confirmed that local government would be the priority in the second round, but highlighted the economic development importance for projects into the future.

Wide Bay Regional Road & Transport Group

The Mayor, GM of Infrastructure and myself attended the RRTG meeting in Bundaberg last week with the Director-General of Transport & Main Roads, and a number of issues were raised.

• Road Maintenance Performance Contract (RMPC) on State controlled roads

The maintenance of the state road networks are undertaken by Councils under a contract given to them by the State. There has been no increase in the funding provision for these since Council amalgamations, with the road network getting run down by limited capital and rehabilitation projects. Major concerns relate to only the highest priority defects being addressed due to the stretch on budgets, and even Councils are overspending their contracted amounts and being advised by the State that the overspend will come out of next financial year's allocation – placing further stress on the work to be done.

It was stressed on the DG that increases in the RMPC needed to occur, and he advised to await the State budget to see if this will be addressed.

Other State Controlled Road (OSCR) Network funding

The issue of an absence of funding available for the OSCR network was raised with the DG. This was particularly relevant to the South Burnett given that moved funding to enable the Maidenwell Bunya Mountains Rd sealing project to occur, but when Council lost funding for Main Road capital work with the cuts to TIDS that project was taken off the table. There is also concerns relating to the design, project management and overheads for projects that results in a significant loss for the actual completion of works.

• Future of the Transport Infrastructure Development Scheme (TIDS) Funding

TIDS is to be doubled in line with the election commitment from the elected Queensland government from 2016/2017 for two financial years. As the program is based on a 50% split of funds from the State and Councils, Council needs to find the additional funds to match the increase into the future, this is very possible. However, there is concern about the ongoing commitment to the funding and the RRTG would like to seek clarity from the government about the program into the future.

Wide Bay RRTG Declared Network Priorities

It was advised that the top ten priorities(subject to Council approval) from the South Burnett Regional Council on State controlled roads were as follows...

- Taylors Rd & Meiers Road intersection on the Bunya Highway
- Chinchilla Wondai Road intersection with the Bunya Highway
- Coolabunia Rd & D'Aguilar Highway intersection
- Rogers Dr & D'Aguilar Highway intersection
- Maidenwell Bunya Mountains Rd realignment and sealing
- Kingaroy Barkers Creek Rd widening from Burnett Highway to Wattlecamp Rd
- Memerambi Gordonbrook Rd widening from Bunya Highway to Stuart River to two lanes

- Mundubbera Durong Rd widening from Boondooma Creek to North Burnett Regional Council boundary
- Proston Boondooma Rd realignment and widening to 25m B-double standard and upgrading Stuart River bridge and approaches
- Byee Road widening from Wondai Proston Rd to Silverleaf Rd

Carried 6/0 FOR VOTE - Councillors voted unanimously ABSENT. DID NOT VOTE - Cr RLA Heit

The Mayor briefed Council on the South Burnett Community Hospital and called on the community to support him in his attempts to keep the hospital open by signing a submission for him to take to relevant Ministers, Health Providers etc. He hoped to have 5,000 signatures within the next seven (7) days.

Officer's Reports

5.3.1 D&TS - 1477890 - Minutes of the Traffic Advisory Committee Meeting held on Tuesday 16 June 2015

Summary

The Minutes of the Traffic Advisory Committee Meeting held in the Warren Truss Chamber of South Burnett Regional Council on Tuesday 16 June 2015 are provided for Council to note and consider.

Officer's Recommendation

That Council endorse the attached Minutes of the Traffic Advisory Committee held on Tuesday 16 June 2015.

MINUTES

Traffic Advisory Committee

Meeting of Traffic Advisory Committee (TAC) Purpose: Marren Truss Chamber, SBRC Kingaroy Office /enne:

16 June 2015 Date: Cr Damien Tessmann, Cr Kathy Duff, Russell Hood (General Manager Infrastructure), Ramesh Mantena (Snr Technical Officer (Design & Attendance:

Technical Services), Russell Rogers (Snr Advisor Traffic & Road Safety, TMR Bundaberg), Maree Shepherd (Safety Officer, TMR Bundaberg), Alan Dixon (Manager Road Safety, Warwick), Snr Sgt Duane Frank (OIC QPS Kingaroy), Snr Constable Jade Miller (QPS Kingaroy), Snr

Constable Adam Entwistle (QPS Kumbia), Sgr Alan Gerrard (QPS Blackbutt), Acting Inspector Lance Gutteridge (11.15 am to 11.40 am), Acting Snr Sgt Rick Christensen and Sgt Ken Slater (QPS Murgon), Colleen Brownsey (QAS), Kay Dove (Infrastructure Support Officer).

Cr Wayne Kratzmann (Mayor SBRC) Colin Goodsel (RACQ) Peter Van Eysden (Principal Engineer TMR Bundaberg), Sgt Brett Stevenson and Snr Constable Brendan Seymour (QPS Dalby), Sgt Jason Newton (QPS Nanango), James D'Arcy (Manager Design & Technical Services), Desley Shailer (Translink / Passenger Transport Services) Apologies:

(Redgate Rd is listed on Google Maps, Navman etc as Kilcoy Murgon Rd & known locally as Redgate Rd The two taxi bays at IGA have been approved by Council and it is planned for this work to commence in Moved by Cr Duff, seconded Maree Shepherd, that the Minutes of the previous Traffic Advisory Committee held 10 March 2015 as recorded be confirmed. Cr Damien Tessmann was Chairman and welcomed all present especially the newcomers Sgt Jade Miller (QPS Kingaroy), Acting Snr Sgt Rick Christensen (QPS Murgon). OUTCOME reference maps have State names.) Iuly. CLOSED CONFIRMATION OF PREVIOUS MINUTES **BUSINESS ARISING FROM 10 March 2015** (a) Taxi bay at Kingaroy IGA update **AGENDA ITEM** Redgate Rd, Murgon OPENING <u>@</u>

Russell Hood has been in contact with TMR and advised that this is not a short term process as it involves re-gazetting the whole Kilcoy Murgon Rd. CLOSED

(c) Email from Cr Tessmann (for Craig Lucas) requesting to check vegetation where Booie Crawford Rd meets the Bunya Hwy	This corner was inspected and found that it was a private property. It was deemed that there was adequate sight distance. No further action. Cr Tessmann to advise Mr Lucas. CLOSED
(d) Update on Kingaroy Police requests for tree removal Cnr Moonya & Carroll Sts Kingaroy	The owner had trimmed conifers and SBRC had removed every second tree on the footpath. This improved visibility. CLOSED
(e) Email from Cr Tessmann on behalf of Ian Rankin - requesting signage change Cnr Fisher and Coral Sts, Kingaroy.	Stop sign was not changed to a Give Way as requested however a new Stop sign was installed. CLOSED
(f) Request from a member of the public for a Speed Review Nanango Brooklands Rd	The review was conducted and new signage installed as per March 2015 meeting. CLOSED
(g) Memerambi bus stop on Bunya Hwy / speed limit	(March 2015: The speed limit at Memerambi at the school bus pick-up / drop-off (near the shop) Is the 80 kph zone was raised with police. James D'Arcy advised the intention was to keep the highway speed at 80 kph. Russell Hood said there is ample area to pull off the highway)
	This is a public bus stop as well as a school bus stop. Desley Shailer was not in attendance so this will hold over until next meeting. ACTION: Desley Shailer to report to next meeting.
(h) Murgon Police request for advisory signage at Krebs St & Bunya Hwy, Murgon intersection to investigated	(March 2015: Ongoing problem at Krebs St intersection where vehicles turn right coming from IGA across intersection north toward Cherbourg.)
	Russell Rogers and Snr Sgt Lance Gutteridge had worked together to produce a 'Give Way To All Traffic' sign however Brisbane wouldn't approve the signage. Russell Rogers believes a reduction of 2 or 3 parking bays would help improve vision.
	Acting Snr Sgt Rick Christensen felt that the current 40 kph had prevented serious accidents as there were near misses daily. It was also considered that there could be confusion if a 'Stop' sign was installed on this intersection as there was 'Give Way' signage on the other side. ACTION: This meeting recommended that SBRC engages with business owners in that area regarding the removal of a few parallel parking bays along the Bunya Hwy. SBRC to report to the next meeting.

(i) McDonalds Kingaroy - proposed removal of parking bays in Haly St	(March 2015: Russell Rogers had received a complaint regarding a near miss outside McDonalds in Haly St. There is currently 15 metres of 2 lanes. DTMR want to change to 45 metres of two lanes and this would mean removing the parking near McDonalds entrance in Haly St.)
	Due to other commitments, Council has not yet carried out this inspection. ACTION: SBRC will investigate and bring back to the next meeting.
GENERAL BUSINESS	
(a) Email from Cr Heit via Cr Tessmann re Bunya Hwy / Murphys Rd corner at entrance to Crumptons.	DTMR has inspected this corner and crash data does not support any change. Russell Rogers will organise to upgrade with new reflective signage and will move this approx. 1 mt off the road. DTMR will not install a slip lane. CLOSED
(b) Email from Cr Duff re St Joseph's Primary School, Murgon - school bus stop	A recent incident involving the school bus stop. Maree Shepherd (TMR) met with the Principal and Parish Priest before this meeting to check the whole environment. Maree advised that there is a bus zone on the school side which she feels is in the wrong place and recommends that the bus zone be moved to the western side of the crossing on Angel Avenue. For this to be compliant, SBRC will have to remove 4 car parks. The school will then follow-up with an education program. ACTION: SBRC will investigate and report back to next meeting.
(c) Due to Nanango Streetscape upgrade volume of traffic, it is proposed to reduce	This is currently a 50 kph zone but given CBD nature of this area the creation of a slow traffic environment in Drayton St from Gipps St (QAS) to Henry St and this will reinforce slow environment.
tne speed in Drayton St from SU to 40 kpn i.e. from Gipps St to Henry St, Nanango	Currently Fitzroy St from Drayton St to the north has historically been a 20 kph shared zone. SBRC will look at removing this and making it 40 kph as well. The meeting offered no objection. ACTION: SBRC to formally request this change with DTMR and this will then go to a Council meeting.
(d) Blackspot Funding Application	Funding applications will be submitted via Vince Green @ DTMR who submits on behalf of SBRC. Projects will include (1) Bunya Hwy and Taylors Rd intersection, Kingaroy, (2) D'Aguilar Hwy and Mary St Coolabunia (near school), (3) Rogers Drive and D'Aguilar Hwy, Kingaroy. SBRC will undertake a road safety audit of these intersections as a proactive approach to improve safety and also in support of the application. CLOSED
(e) Request from Cr Campbell - pedestrian crossing near the Commonwealth Bank on Haly St.	Request to investigate the Pedestrian Crossing that runs between Commonwealth Bank, Kingaroy and the car park at the rear of the bank. This is not very well lit and the crossing needs re-painting. ACTION: SBRC will investigate and report back to next meeting.

REPORTS	
Department of Transport & Main Roads (Russell Rogers)	
From previous meetings: 1. Acting Snr Sgt Newton advised of another accident on the D'Aguilar Hwy between George Green Dve and Nanango Tarong Rd. There had been 14 crashes from 1 Jan 2014 to 10 March 2015.)	Russell Rogers reported that he is working with DTMR Toowoomba for the Yarraman area north bound traffic. DTMR will also install ' <i>Driver Fatigue Kills</i> - <i>Rest or RIP'</i> . signs on the southern side of Yarraman on the New England Hwy. It was also identified that a rest stop needs to be provided. CLOSED
2. Kingaroy St - sign outside Pharmacy Essentials.	Russell Rogers advised that Pharmacy Essentials in Kingaroy St had again contacted DTMR asking that this sign be removed however the Department has responded that they will not be shifting this sign. No further action. CLOSED
3. Haly St / Glendon St pedestrian crossing	Haly St / Glendon - DTMR added a blister island. DTMR communicated with local shop holders and the comment was mainly about the vegetation on this crossing.
	Russell Rogers asked if SBRC would consider removing this vegetation. Russell Hood advised that SBRC was considering a future streetscaping project and this would be included however this could be some years away. ACTION: SBRC will consider this request.
	Russell Rogers also mentioned a few other items resulting from their public consultation i.e. George St where it meets Haly St is two way traffic with a loading zone one side and no standing on the other side; the suggestion was made to remove one or the other. SBRC is aware of this issue. ACTION: SBRC will investigate and bring back to the next meeting.
4. Kingaroy Cooyar Rd (Cnr Industrial Ave, Kingaroy)	DTMR received a letter asking about the possibility of closing Industrial Avenue. If this was done the intersection of D'Aguilar Hwy and Kingaroy Cooyar Rd would need improvements. Russell Hood advised that is this was accepted for Blackspot Funding this would negate this problem and suggested we await the outcome. No further action .
5. Community Shelter Murgon	Although closed out last meeting, this was again raised by Russell Rogers at DTMR as Sgt Ken Slater had been in contact with him. Russell Hood advised that this matter has been discussed between SRBC and Cherbourg Aboriginal Council and it was decided not to make any change. Council had also received a letter (via NRM & Parks Manager, Greg Griffiths) from DTMR's Mike Chambers advising there were no issues as far as the Road Corridor Permit was concerned.

	Sgt Slater's gave his reasons for wanting the shelter moved to Cherbourg Rd which included members of the public walking on the highway to where the current shelter is. Russell Hood advised SBRC will not get involved in this unless this comes from DTMR as a safety issue.
	Russell Hood suggested Russell Rogers discuss issue with Mike Chambers and if DTMR do have safety concerns then SBRC will go back to Cherbourg Aboriginal Council. He considered that addressing safety concerns would have been done as part of the Road Corridor Permit decision.
	Russell Rogers DTMR moved and Acting Snr Sgt Christensen seconded that DTMR undertake a safety audit of the shelter and location given QPS Murgon believe this is a safety issue. All present agreed other than Cr Duff and Russell Hood who voted against the motion. ACTION: DTMR to conduct a safety audit of the bus shelter and activities surrounding the shelter.
DTMR - Road Safety (Maree Shepherd)	St John's Lutheran School, Kingaroy: Maree is meeting after today's meeting with her Manager Alan Dixon and SBRC's Ramesh Mantena - re the current parking arrangement and school bus 'drop and go' zone. ACTION: SBRC will investigate further and report back to next meeting.
	Road Safety Week, late August - Alan Dixon advised that he is currently working on this event with QPS at State level regarding Road Safety Week.
Kingaroy Police	Snr Sgt Frank acknowledged prompt attention of SBRC regarding the traffic flow in Short Street, Kingaroy where no standing signs were installed to assist with traffic flow during the construction of the new Police Station.
	Meeting Closed: 12.30 pm Next Meeting: 8 September 2015

Resolution:

Moved Cr DP Tessmann, seconded Cr KA Duff.

That the Officer's Recommendation be adopted.

Carried 6/0 FOR VOTE - Councillors voted unanimously ABSENT. DID NOT VOTE - Cr RLA Heit

5.3.2 D&TS - 1479083 - Adopted Infrastructure Charges Resolution (No.2) 2015

Summary

Revisions have been made to Council's previous Adopted Infrastructure Charges Resolution (No.1) 2013 to ensure compliance with the amended provisions in the Sustainable Planning Act and the charges have been increased in line with the phase-in that was agreed to upon commencement of this original resolution.

Officer's Recommendation

That Council adopt the South Burnett Regional Council Adopted Infrastructure Charges Resolution (No.2) 2015 to have effect on and from 20 July 2015.

South Burnett Regional Council

Adopted Infrastructure Charges Resolution (No. 2) 2015

South Burnett Regional Council Adopted Infrastructure Charges Resolution (No. 2) 2015

Part 1 Introduction

1. Preliminary

1.1 Short title

The adopted infrastructure charges resolution may be cited as Adopted Infrastructure Charges Resolution (No. 2) 2015.

1.2 Sustainable Planning Act 2009

- (1) The resolution is made pursuant to the Sustainable Planning Act 2009.
- (2) The resolution is to be read in conjunction with the following:
 - (a) the infrastructure State planning regulatory provision;
 - (b) the applicable local planning instruments.
- (3) The resolution is attached to but does not form part of the applicable local planning instruments.

1.3 Effect

(1) The resolution has effect on and from 20 July, 2015.

1.4 Purpose of the resolution

- (1) The purpose of the resolution is to assist with the implementation of the applicable local planning instruments by stating the following:
 - (a) an adopted infrastructure charge for the following trunk infrastructure networks:
 - (i) water network;
 - (ii) sewerage network;
 - (iii) parks network.
 - (b) other matters relevant to the adopted infrastructure charge.

1.5 Interpretation

- (1) A term used in this resolution has the meaning assigned to that term in one of the following:
 - the Sustainable Planning Act 2009 and associated guidelines and regulations;

- (b) the Queensland Planning Provisions (version 3) or as amended;
- (c) the dictionary in Schedule 1;
- (d) the Macquarie Dictionary.
- (2) In the event a term has been assigned a meaning in more than one of the instruments listed, the meaning contained in the instrument highest on the list will prevail.

1.6 Application to the local government area

(1) The adopted infrastructure charge applies to the whole of the local government area.

1.7 Application to particular development

- (1) The adopted infrastructure charge applies to all development classes listed in the State planning regulatory provision (adopted charges) and associated uses under the applicable local planning instruments.
- (2) The development under an applicable local planning instrument as stated in column 1 of Table 1.1 (Development classes and particular development) is included within the development class stated in column 2 of Table 1.1 (Development classes and particular development).
- (3) The Council is to allocate development not otherwise stated in column 1 of Table 1.1 (Development classes and particular development) to an applicable development class based on an assessment of use and demand.

Table 1.1 Development classes and particular development

Column 1 Development under an applicable local planning instrument	Column 2 Development class	Column 3 Unit of measurement for adopted infrastructure charge
Dwelling House, Caretakers Residence, Relatives Unit, Annexed Unit, Multiple Dwelling Unit	Residential	Per dwelling unit
Accommodation Building, Caravan Park, Motel, Bed and Breakfast, Small-scale tourist facilities	Accommodation (Short Term)	Per dwelling unit
Correctional Facility, Retirement Village	Accommodation (Long Term)	Per dwelling unit
Community Facility, Funeral Parlour, Outdoor Recreation, Outdoor Sport and Entertainment, Passive Recreation, Place of Worship	Places of Assembly	Per m ² of GFA
Retail Warehouse, Sales or hire premises, Car Park, Garden Centre, Plant Nursery, Produce Store	Commercial (Bulk goods)	Per m² of GFA

Column 1 Development under an applicable local planning instrument	Column 2 Development class	Column 3 Unit of measurement for adopted infrastructure charge	
Brothel, Car washing station, Industrial retailer, Service Station, Major Shopping Development, Restaurant and/or Take-away food store, Shop, Shop (integrated shop), Shop (General store or Neighbourhood shopping), Shopping Centre, Market, Vet Clinic	Commercial (Retail)	Per m ² of GFA	
Office, Medical Centre, Estate office	Commercial (Office)	Per m² of GFA	
Educational Establishment, Child-care centre	nal Establishment, Child-care centre Education Facility		
Hotel (non-residential component), Theatre, Nightclub, Major Tourist Facility	Entertainment	Per m² of GFA	
Indoor entertainment, Indoor Sports facility	Indoor Sport and Recreational Facility	Per m ² of courts plus Per m ² of GFA	
General Industry, Landscaping Supplies, Light Industry, Storage Premises, Transport Station, Rural service industry	Industry	Per m² of GFA	
High Impact Industry, Borrow Pit, Extractive Industry	High Impact Industry	Per m ² of GFA	
Animal Keeping, Farming, Farming (including on-farm processing), Animal Husbandry	Low Impact Rural	Nil Charge	
Intensive Animal Husbandry, Forestry business, Wholesale nursery	High Impact Rural	Per m ² of GFA	
Local Utility, Telecommunications Facility, Major Utility	Essential Services	Per m² of GFA	
Advertising Billboard, Home Based Business, Minor Building Work, Park, Residential Outbuildings, Roadside Stall	Minor Uses	Not applicable	

1.8 Priority infrastructure area

- (1) The priority infrastructure area is the priority infrastructure area identified in the State planning regulatory provision which is reproduced for convenience on Maps 1 to 6, Priority Infrastructure Area in Schedule 2 (Maps).
- (2) The impact of development outside the Priority Infrastructure Area will be determined at the time of application.

1.9 Trunk infrastructure

- (1) Trunk infrastructure is defined by the items stated in Table 1.2.
- (2) The desired standards of service for the trunk infrastructure are shown in Schedule 3.
- (3) The plans for trunk infrastructure are shown in Schedule 4.
 The establishment cost of trunk infrastructure items is the cost shown in the schedule of works in Schedule 5.

Table 1.2 Definition of trunk infrastructure

Column 1 Network	Column 2 Planning Scheme area	Column 3 System	Column 4 Trunk Items		
Water	All areas	Bulk supply	Water sources (dams, bores, bulk supply mains)		
			Raw water mains (including associated pump stations and fittings)		
			Water treatment facilities		
			Associated monitoring systems		
		Distribution	Reservoirs and storage facilities		
			Chlorination facilities		
			Distribution mains generally ≥ 150mm diameter		
			Associated pump stations and fittings		
			Associated monitoring and control systems		
			Firefighting devices		
Sewer	All areas	Reticulation	Rising mains generally - all sizes		
			Gravity sewers generally ≥ 225 mm diameter		
			Associated pump stations, manholes and fittings		
			Odour and corrosion control systems		
		Sewerage treatment	Sewerage treatment plants		
			Storage facilities		
			Release systems		
			Associated monitoring and control systems		
Public parks and land for	All areas	Public parks	Land, works and embellishments for district and regional par for formal and informal recreation and sporting purposes.		
community facilities		Other community facilities	Land and basic works associated with the clearing of land a connection to services		

2. Adopted infrastructure charge

2.1 Purpose

(1) Section 2 states the calculation of the adopted infrastructure charge to be levied by the Council under the Sustainable Planning Act 2009 for the water, sewerage and parks networks.

2.2 Calculation of adopted infrastructure charge

(1) An infrastructure charge for the additional demand is levied as follows:

AIC = AC - C

Where:

- AIC is the adopted infrastructure charge that may be levied for development.
- AC is the adopted charge for the trunk infrastructure networks to service the development stated in section 2.3 (Adopted charge).
- C is the credit for the trunk infrastructure networks servicing the premises stated in section 2.4 (Credit).
- (2) For the purpose of calculating the infrastructure charge to be levied under subsection (1):
 - (a) where development is not to be connected to a trunk infrastructure network, the adopted charge for the development is to be reduced by the relevant proportion of the adopted infrastructure charge allocated to that trunk infrastructure network as stated in section 4 (Allocation of adopted infrastructure charge); and
 - (b) where the premises is not connected to a trunk infrastructure network, the credit for the development is to be reduced by the relevant proportion of the adopted infrastructure charge allocated to that trunk infrastructure network as stated in section 4 (Allocation of adopted infrastructure charge).

2.3 Adopted charge

The adopted charge is stated in Table 2.1 (Adopted charge).

Table 2.1 Adopted charge

Column 1	Column 2	Column 3	Column 4	Column 5	Column 6	Column 7
Development class	Unit of measurement for adopted infrastructure charge	Kingaroy PIA area	Nanango PIA area	Blackbutt PIA area	Wondai PIA area	Murgon PIA area
Reconfiguring a lot	Per new lot	8,896	6,708	7,892	5,789	4,275
Residential (1 or 2 bedrooms)	Per dwelling unit	8,896	6,708	7,892	5,789	4,275
Residential (3 or more bedrooms)	Per dwelling unit	11,386	8,586	10,102	7,410	5,472
Accommodation (Short Term)	Per 1 or 2 tent site/1 or 2 bedroom hotel room/1 or 2 bedroom cabin/suite	5,693	4,293	5,051	3,705	2,736
Accommodation (Short Term)	Per 3 tent site/3 or more bedroom hotel room/3 or more bedroom cabin/suite	5,693	4,293	5,051	3,705	2,736
Accommodation (Long Term)	Per 1 or 2 bedroom suite	8,540	6,439	7,577	5,557	4,104
Accommodation (Long Term)	Per 3 or more bedroom suite	11,386	8,586	10,102	7,410	5,472
Places of Assembly	Per m ² of GFA	18	13	16	12	9
Commercial (Bulk goods)	Per m ² of GFA	27	20	24	17	13
Commercial (Retail)	Per m ² of GFA	42	32	37	27	20
Commercial (Office)	Per m² of GFA	44	34	39	29	21
Education Facility*	Per m² of GFA	18	13	16	12	9
Entertainment	Per m ² of GFA	53	40	47	35	26
Indoor Sport and Recreational Facility	Per m² of GFA	18	13	16	12	9
Industry	Per m ² of GFA	27	20	24	17	13
High Impact Industry	Per m² of GFA	27	20	24	17	13
Low Impact Rural	Nil Charge	0	0	0	0	0
High Impact Rural	Per m ² of GFA	0	0	0	0	0
Essential Services	Per m² of GFA	0	0	0	0	0
Minor Uses	Nil Charge	0	0	0	0	0
Other specialised uses	Per m² of GFA	As determined at the time of application by assessment of the impact to the infrastructure networks				

Note * Excluding an Eduction Facility for the Flying Start for Queensland Children program)

2.4 Credit

- (1) The credit for the premises is an amount which is the greater of the following:
 - (a) the amount of a previous adopted infrastructure charge paid for the development of the premises;

- (b) where an applicant can provide evidence of a previous financial contribution paid for trunk infrastructure for the premises, the amount of the financial contribution paid;
- (c) where the premises is not subject to an existing lawful use, the amount stated for reconfiguring a lot in Table 2.1 (Adopted charge) for each existing lot within the premises;
- (d) where the premises is subject to an existing lawful use, the amount stated for an adopted charge for the lawful use, the amount stated in Table 2.1 (Adopted charge);
- (e) where the premises is subject to an existing lawful use no longer taking place, the amount stated for an adopted charge for the lawful use, the amount stated in Table 2.1 (Adopted charge);
- (f) where other development may be carried out on the premises without the need for a further development permit, the amount stated for reconfiguring a lot in Table 2.1 (Adopted charge) for each existing lot within the premises.
- (2) However the credit calculated in accordance with subsection (1) is not to exceed the adopted charge.
- (3) For the avoidance of doubt where a credit exceeds the value of an adopted charge no refund is to be paid by the Council.

2.5 Offset and refund for trunk infrastructure

- (1) One of the following apply if an applicant is conditioned to provide a Trunk Infrastructure Contribution which services or is planned to service premises other than premises the subject of the relevant approval and an levied charge applies to the development the subject of the relevant approval:
 - (a) An offset where the establishment cost for the Trunk Infrastructure Contribution is equal to or less than the levied charge; or
 - (b) A refund where the establishment cost for the Trunk Infrastructure Contribution is more than the levied charge.
- (2) The establishment cost is the cost shown in the schedule of works in Schedule 5, or calculated as an initial land valuation or, when an application is made under section 657 of the Act, the establishment cost re-calculated in accordance with the process outlined in Schedule 6: Method for re-calculating establishment cost (Land Contribution) and Schedule 7: Method for re-calculating establishment cost (Work Contribution).

2.6 Conversion applications

- (1) This section applies where:
 - (a) A development approval requires the construction of non-trunk infrastructure; and

- (b) The construction of the non-trunk infrastructure has not commenced.
- (2) An applicant may apply, in writing, to the Council to have non-trunk infrastructure converted to trunk infrastructure to be eligible for an offset or refund. Council will consider the application, and may request further information, based on the criteria contained within Section 2.7 below, and will give the applicant notice of the decision. All criteria must be met for a conversion application to be approved.

2.7 Conversion criteria

The infrastructure:

- (a) meets the definitions of trunk infrastructure contained within table 1.2;
- (b) has an approved design with the capacity to service multiple unrelated developments in the area; and
- (c) is owned or is to be owned by the Council; and
- (d) is not temporary infrastructure or sacrificial works to be superseded by an ultimate solution; and
- (e) performs a function and purpose that is consistent with other trunk infrastructure identified in Table 1.2 and the plans for trunk infrastructure shown in Schedule 4; and
- (f) would meet the desired standards of service in Schedule 3; and
- (g) is not consistent with non-trunk infrastructure for which conditions may be imposed in accordance with section 665 of the Act; and
- (h) is of a type, size and location which is the most cost effective option (based on the life cycle cost of the infrastructure to service future urban development in the area at the desired standard of service) for servicing multiple users in the area; and
- (i) could have been planned by the Council without knowing the detailed layout
 of lot reconfigurations or the design details for material change of use
 applications in the area.

3. Administration of levied infrastructure charges

3.1 Purpose

Section 3 states how an infrastructure charge levied by the Council is to be administered.

3.2 Development subject to adopted infrastructure charge

The Council may levy an adopted infrastructure charge on the following development:

- (a) a reconfiguring a lot (including compliance assessment);
- (b) a material change of use of premises.

3.3 Subsidy for an adopted infrastructure charge

The Council may identify a subsidy for an adopted infrastructure charge for a certain lot or use or type of lot or use in accordance with the "Subsidies for Adopted Infrastructure Charges Policy".

3.4 Time of payment of an adopted infrastructure charge

An adopted infrastructure charge is payable at the following time:

- (a) if the charge applies to reconfiguring a lot that is assessable development or development requiring compliance assessment— then before the Council endorses the plan of subdivision for the reconfiguration; or
- (b) if the charge applies to a material change of use— then before the change of use happens; or
- (c) if paragraphs (a) and (b) do not apply— on the day stated in the infrastructure charges notice or negotiated infrastructure charges notice.

3.5 Alternatives to paying an adopted infrastructure charge

- (1) The Council may enter into an infrastructure agreement involving an alternative to the way a payment is to be made or an infrastructure contribution provided in a form other than paying an adopted infrastructure charge.
- (2) The Council may, for development infrastructure that is land, give a notice in addition to or instead of an infrastructure charges notice requiring the land to be given to the Council in fee simple.

3.6 Indexing of levied charges

(1) An automatic increase provision may be applied at the time of payment of the levied charge. In this situation, the PPI Index will be applied to the levied charge from the day the charge is levied to the day the charge is paid.

4. Allocation of infrastructure charges to trunk infrastructure networks

4.1 Purpose

Section 4 states how the adopted infrastructure charge is to be allocated to a trunk infrastructure network for the following purposes:

- (a) calculating the levied charge for development;
- (b) calculating the credit for development.

4.2 Allocation of adopted infrastructure charge

The adopted infrastructure charge is to be allocated to a trunk infrastructure network as stated in Table 5.1 (Allocation of infrastructure charge to trunk infrastructure networks).

Table 5.1 Allocation of infrastructure charge to trunk infrastructure networks

Column 1 Trunk infrastructure network	Column 2 Allocation of infrastructure charge (%)
Water network	45
Sewerage network	45
Parks network	10

Schedule 1 Dictionary

In this resolution:

applicable local planning instruments means the following:

- (a) Nanango Shire Council IPA Planning Scheme;
- (b) Kingaroy Shire Council IPA Planning Scheme;
- (c) Murgon Shire Council IPA Planning Scheme;
- (d) Wondai Shire Council IPA Planning Scheme.

bedroom means an area of a building or structure which:

- is used, designed or intended for use for sleeping but excludes a lounge room, dining room, living room, kitchen, water closet, bathroom, laundry, garage or plant room; or
- (b) can be used for sleeping such as a den, study, loft, media or home entertainment room, library, family or rumpus room or other similar space.

credit means the amount to be applied for the purpose of calculating an levied infrastructure charge which takes into account the existing usage of the trunk infrastructure networks by the premises on or in relation to which development is carried out as stated in section 2.4 (Credit).

dwelling unit means a single dwelling within a premises which is self-contained.

infrastructure State planning regulatory provision means the State planning regulatory provision (adopted charges) made under the *Sustainable Planning Act 2009*.

PPI Index means the 3 year moving average quarterly average Producer Price Index for construction (6247.0 – index number 3101) available from the Australian Bureau of Statistics.

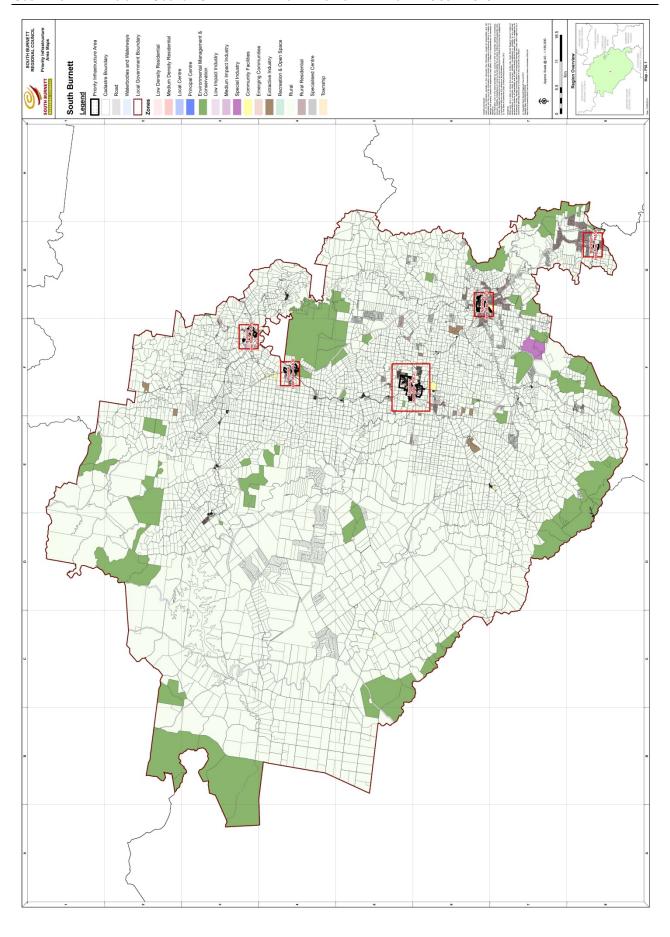

priority infrastructure area see section 1.8 (Priority infrastructure area).

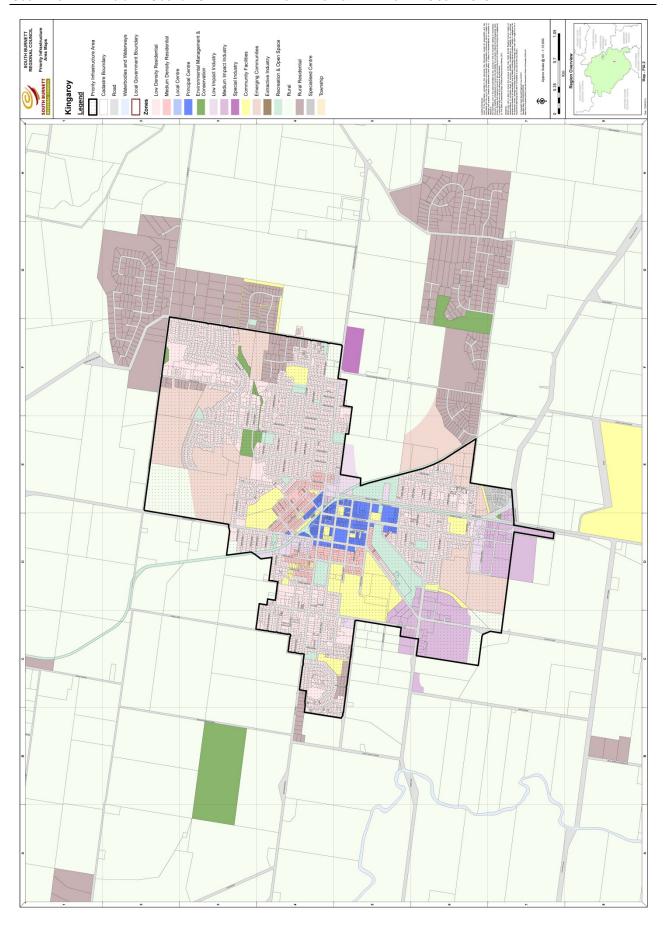

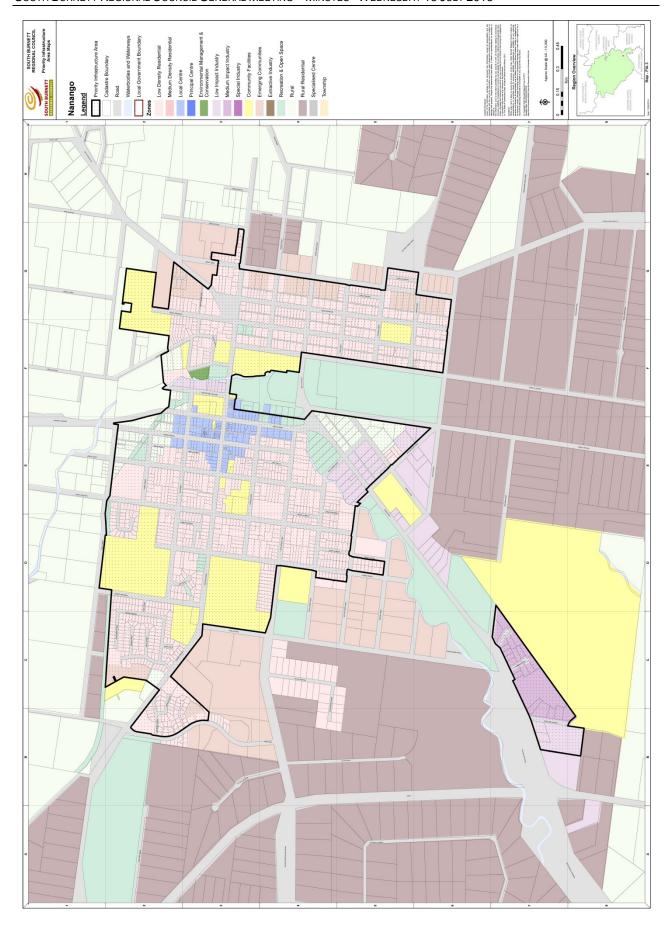

Schedule 2 Maps

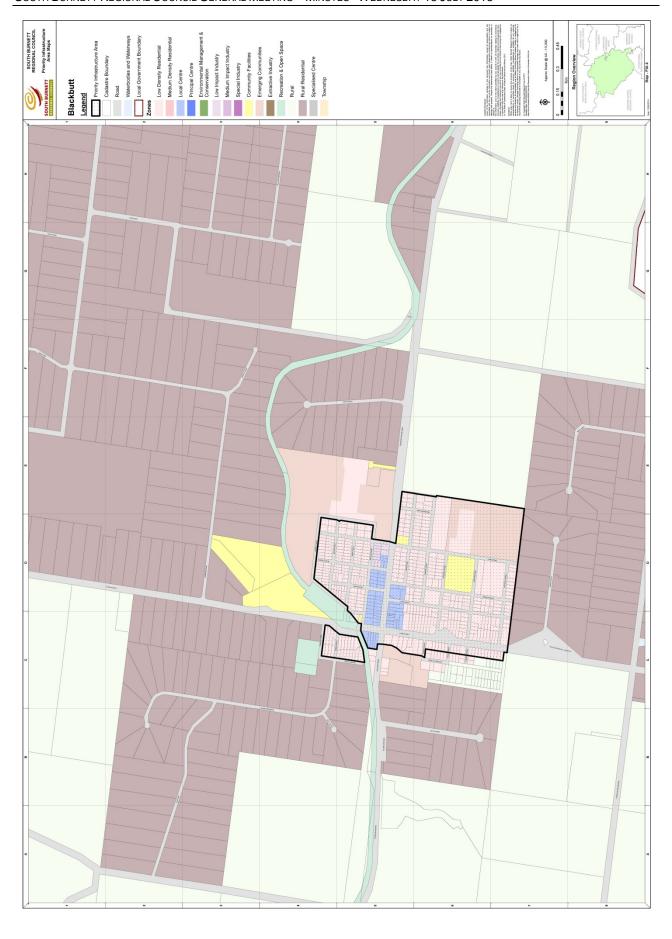

- Map PIA 1 Priority Infrastructure Area Maps Regional Overview
- Map PIA 2 Priority Infrastructure Area Maps Kingaroy
- Map PIA 3 Priority Infrastructure Area Maps Nanango
- Map PIA 4 Priority Infrastructure Area Maps Blackbutt
- Map PIA 5 Priority Infrastructure Area Maps Murgon
- Map PIA 6 Priority Infrastructure Area Maps Wondai

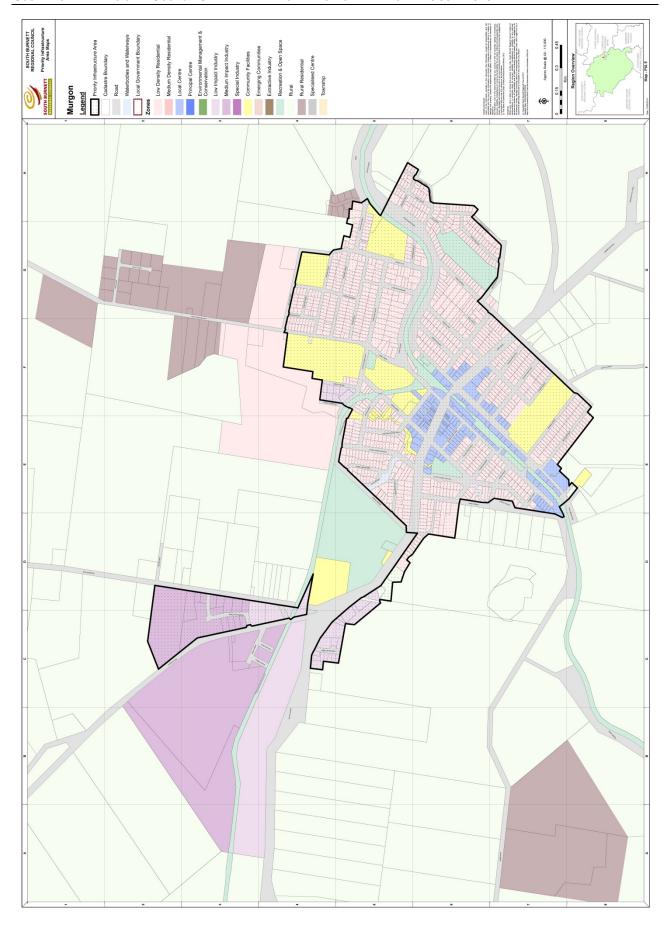

Note: Not all premises within the PIA will be serviced by all networks of trunk infrastructure.

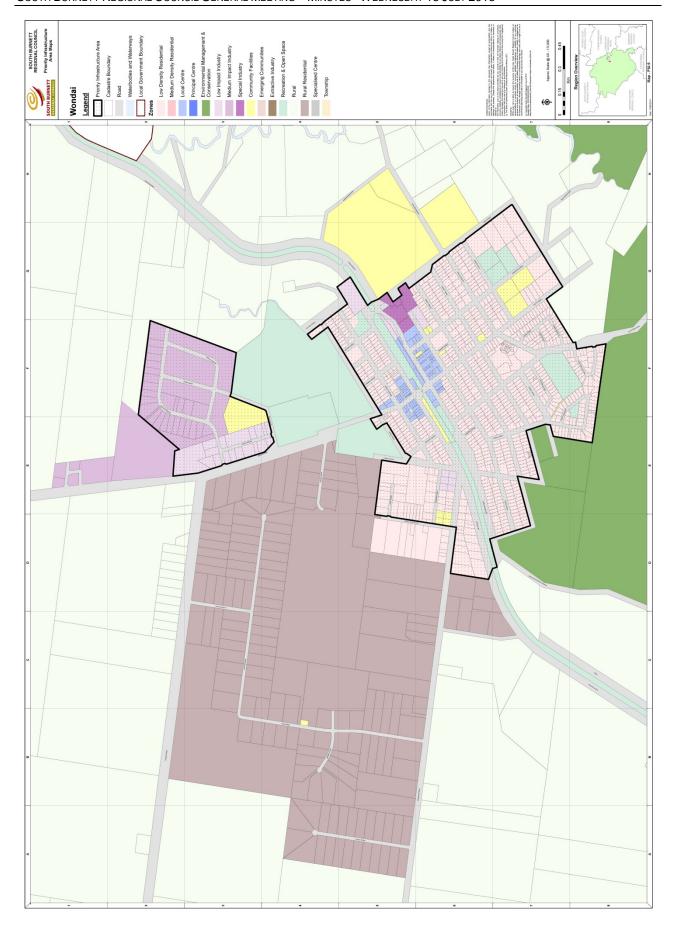

Schedule 3 Desired Standards of Service

- (1) Water supply
 - (a) Ensure drinking water complies with the National Health and Medical Research Council (NHMRC) Australian drinking water guidelines for colour, turbidity and microbiology and the South Burnett Regional Council Service Provider No 491 Drinking Water Quality Management Plan.
 - (b) Collect, store, treat and convey potable water from source to consumers in accordance with the Water Act 2000 and Water Supply (Safety and Reliability) Act 2008.
 - (c) Minimise non-revenue water loss.
 - (d) Design the water supply network in accordance with the Queensland Water Supply Regulator, Water Supply and Sewerage Services, Department of Energy and Water Supply Guidelines for Planning and Design or Water Supply Systems and Council's adopted standards to provide:
 - a. average day consumption (AD) 650 I/EP/day;
 - b. mean day maximum month (MDMM) demand of 1.45 x AD
 - c. a maximum day (MD) demand of 1.5 x MDMM
 - d. a maximum hour (MH) demand of MD/12
 - (e) Design recycled water systems to meet requirements of Water Supply (Safety and Reliability) Act 2008 in accordance with state regulatory guidelines.
- (2) Sewerage
 - (a) Provide a reliable network that collects, stores, treats and releases sewage from premises.
 - (b) Design the sewerage network in accordance with:
 - a. the Queensland Water Supply Regulator, Water Supply and Sewerage Services, Department of Energy and Water Supply Guidelines for Planning and Design or Water Supply Systems
 - b. Council's adopted standards
 - c. Water Services Association of Australia (WSAA) guidelines

- d. the Water Act 2000
- e. the Water Supply (Safety and Reliability) Act 2008
- f. Council's Department of Environment and Heritage Protection (EHP) licence conditions
- (3) Public parks and land for community facilities
 - (a) Provide an accessible network of parks, open space, and community facilities that meets the needs of residents and visitors in accordance with the South Burnett Regional Council Healthy Communities Plan.

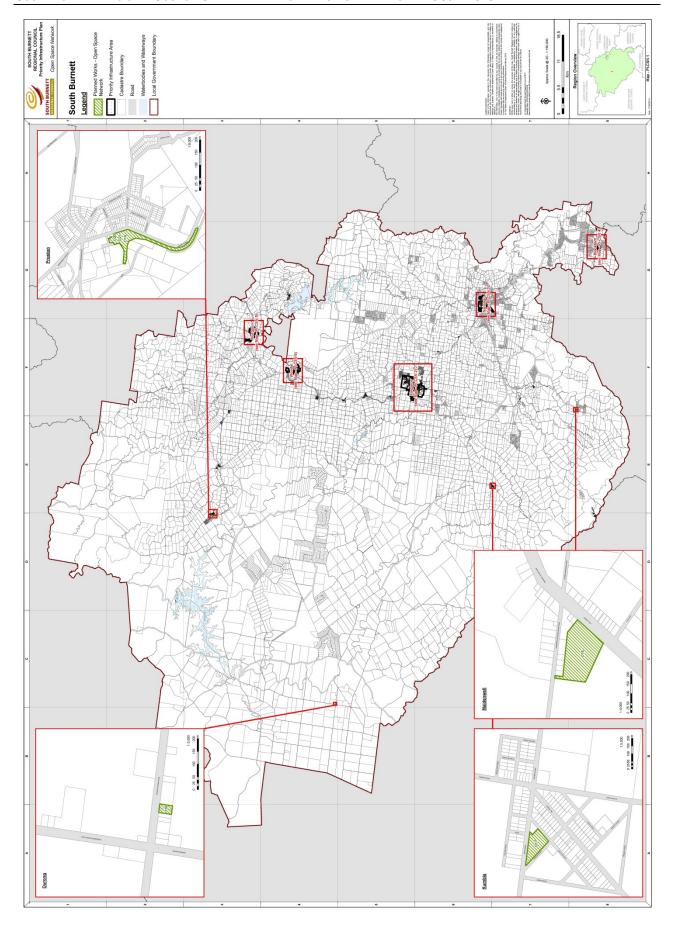

Schedule 4 Plans for Trunk Infrastructure

Plans identifying the future trunk infrastructure, as well as the service catchments, for the water, sewerage and parks infrastructure network are shown in the following maps:

- Water Supply Maps 1 6;
- Sewerage Maps 1 3 and 5;
- Community Maps 1 6.

Note: Not all premises within the PIA will be serviced by all networks of trunk infrastructure.

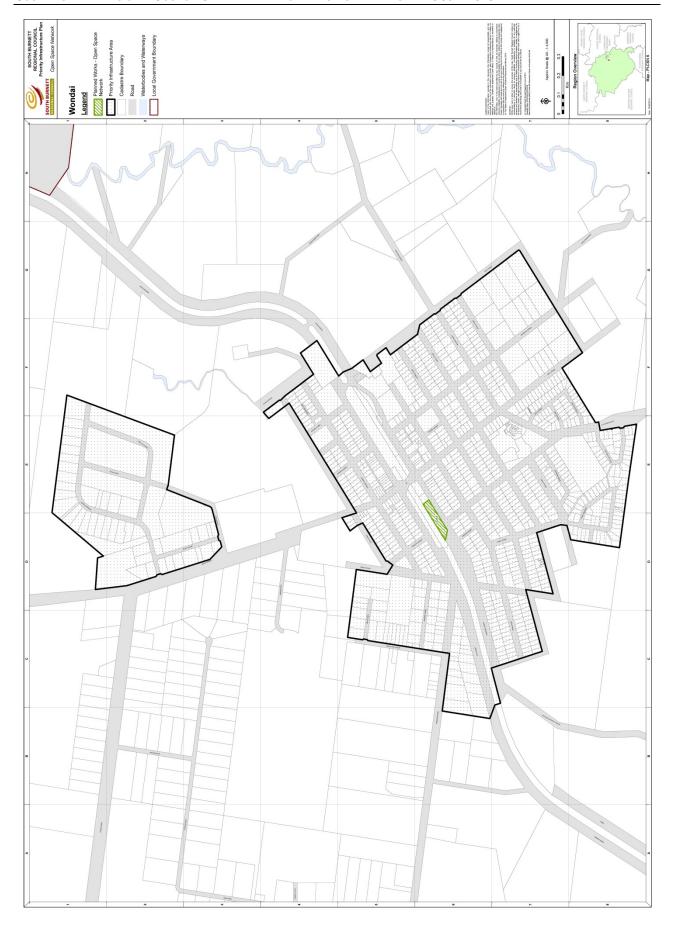

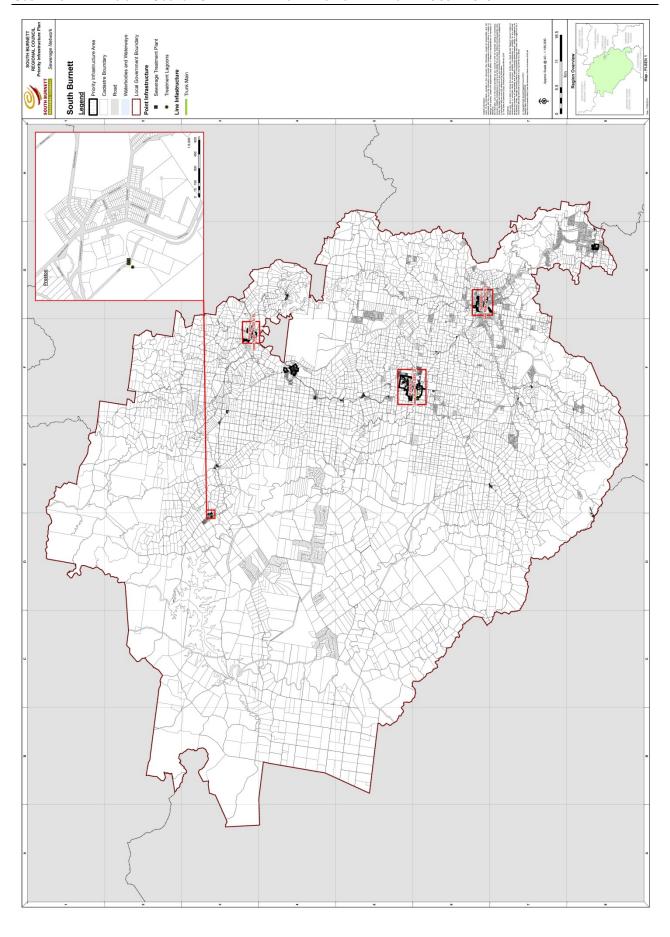

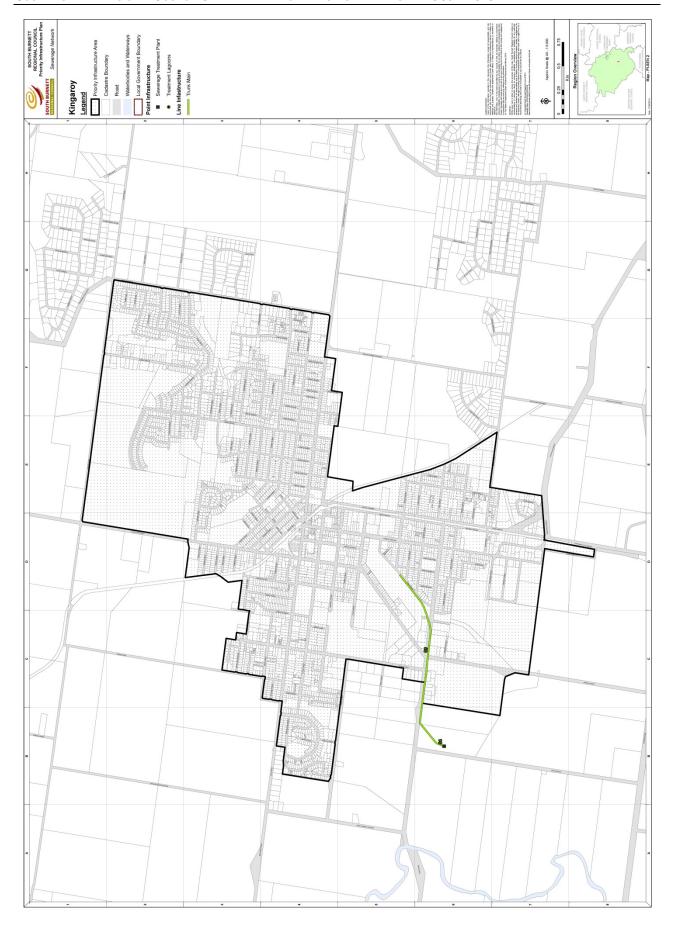

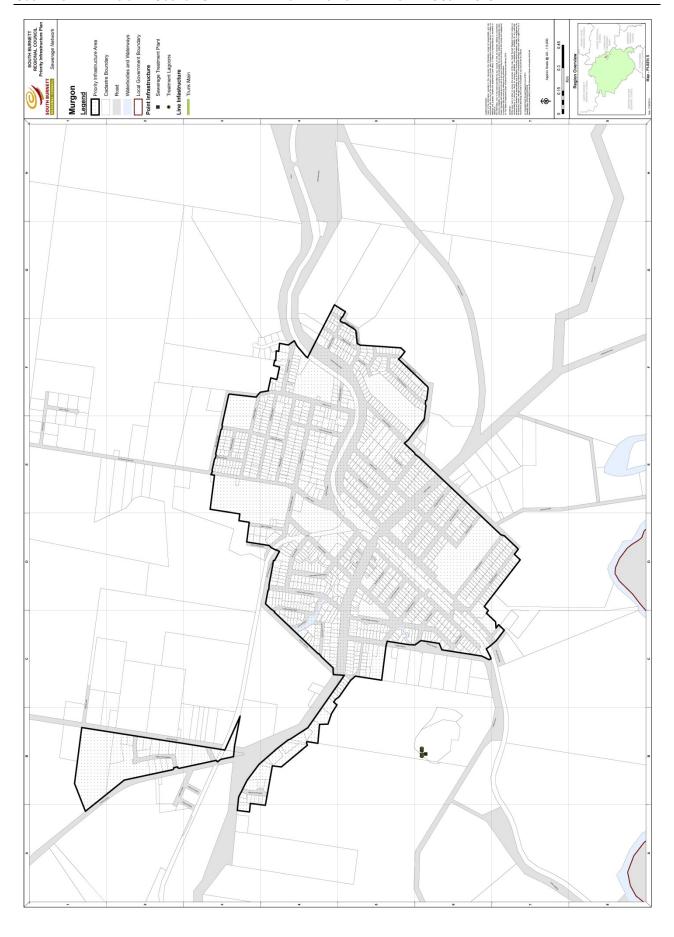

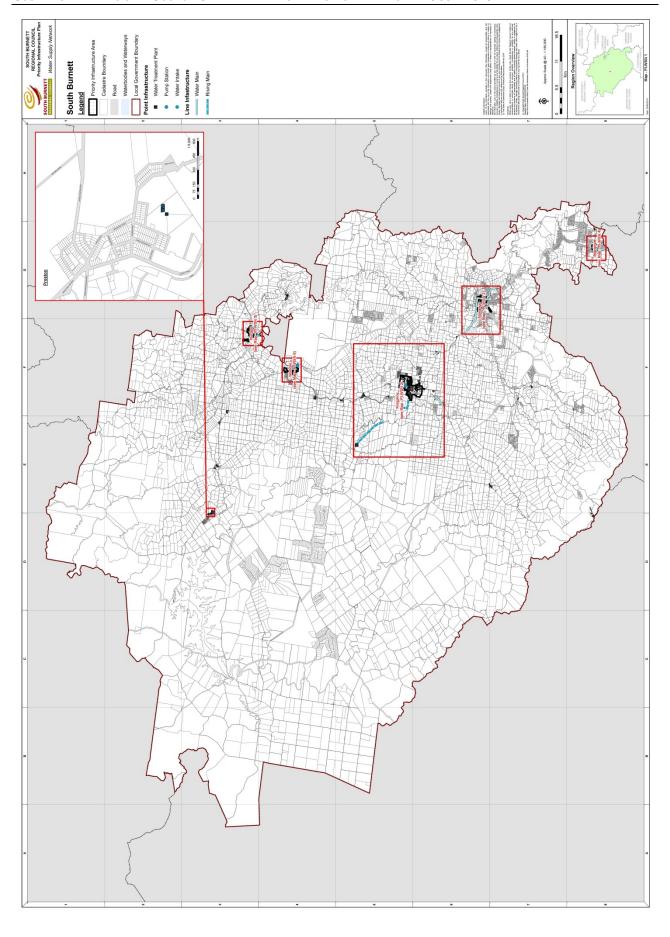

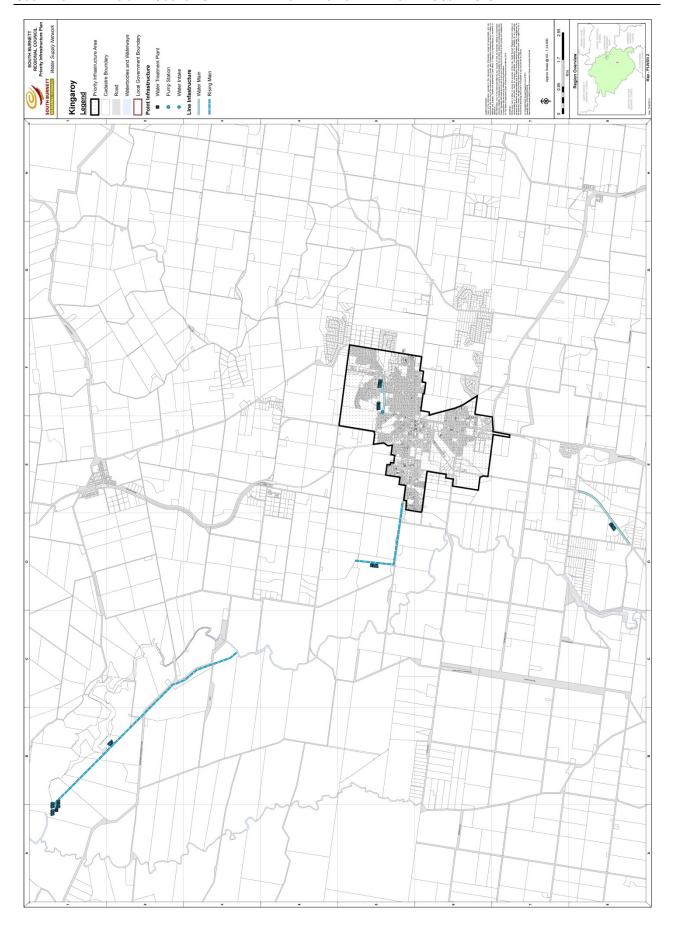

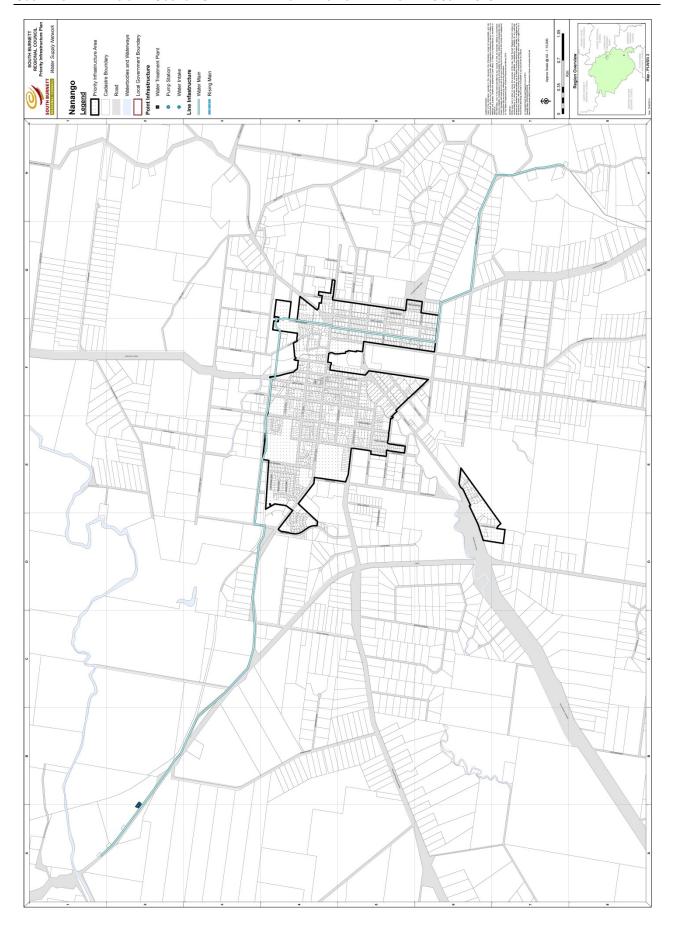

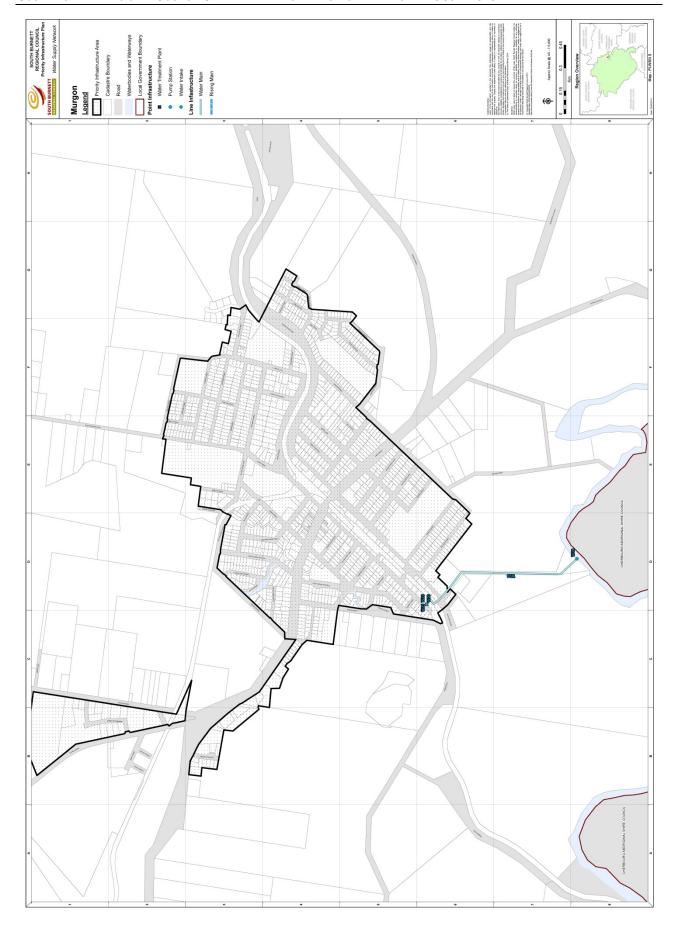

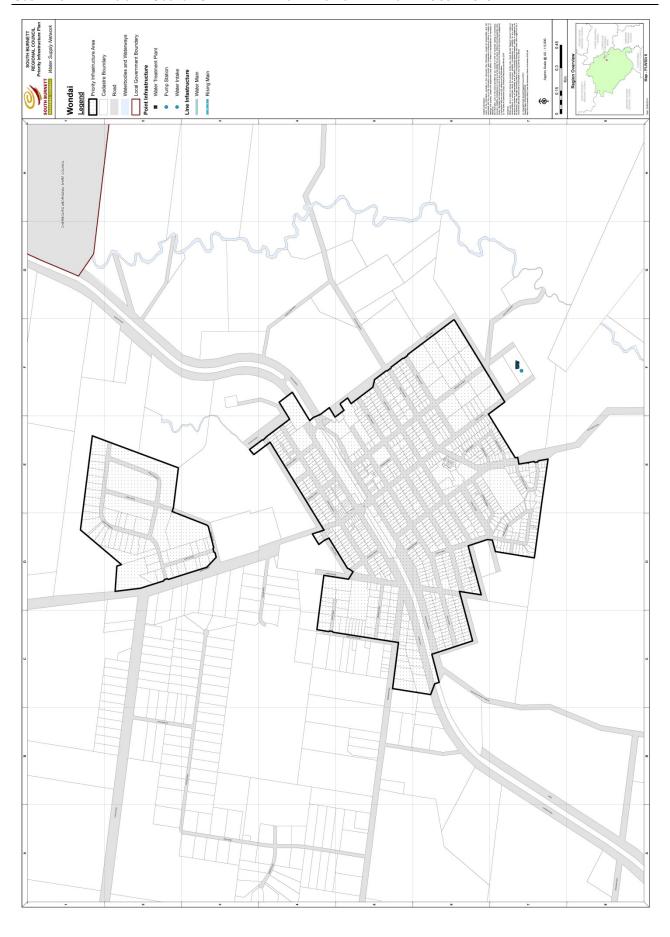

Schedule 5 Schedule of Works

- (a) Tables S5.1 to S5.3 identify the future trunk water, sewer and parks infrastructure items required to service anticipated growth.
- (b) The schedules of works for future assets identify the estimated establishment cost of each asset, the service catchment(s) to which it relates and the estimated time of completion. The location of these future assets are cross referenced and identified in the plans for trunk infrastructure.

Table \$5.1 Schedule of Works - Water Networks

Item ID	Future infrastructure asset description	Estimated year of completion	Estimated cost (\$)
W1	Blackbutt WTP – Process Upgrades	2018-23	\$200,000
W2	Blackbutt Trunk Mains Upgrades	2018-23	\$200,000
W5	Nanango Alternate Water Supply	2018-23	\$9,000,000
W8	Kingaroy WTP – Upgrade	2015-17	\$10,500,000
W10	Kingaroy Rising Main Upgrade Mt Wooroolin - Haly St	2016-18	\$800,000
W11	Kingaroy Reservoir (5ML) and Trunk Main- New LLZ	2015-20	\$2,500,000
W12	Kingaroy Trunk Main - Orana	2015-20	\$500,000
W13	Kingaroy Pump Station - Orana Upgrade	2015-20	\$150,000
W15	Kingaroy Trunk Main – Upgrade to Taabinga	2017-22	\$600,000
W17	Wondai - Pump Station Upgrade	2015-17	\$100,000
W21	Murgon WTP Upgrade	2015-17	\$550,000
W23	Murgon Pump Station Upgrade	2017-22	\$100,000
W24	Murgon Trunk Main - Upgrade	2017-19	\$200,000
W29	Telemetry (all schemes) - System Upgrade	2015-18	\$300,000
Total estimated cost			\$25,700,000

Table S5.2 Schedule of Works - Sewerage Networks

Item ID	Future infrastructure asset description	Estimated year of completion	Estimated cost (\$)
S2	Nanango STP - Class A Upgrade	2016-20	\$300,000
S4	Kingaroy STP Upgrade	2015-18	\$26,000,000
S9	Murgon STP - Class A Upgrade	2016-20	\$300,000
S12	Telemetry (all schemes) - System Upgrade	2015-18	\$300,000
Total estir	Total estimated cost		

Table \$5.3 Schedule of Works - Parks Networks

Item ID	Locality	Description	Timing	Estimated Cost (\$)
01	Kingaroy	Install outdoor exercising stations and associated infrastructure (shade, water stations, seating) in Bjelke Peterson Park	2015-20	120,000
O2	Kingaroy	Park on Parkside Drive – improve access and visibility along Parkside Drive	2015-20	80,000
О3	Kingaroy	Apex Park - improve access from Farr St and MacDiarmid St via pathways and improved vehicle barriers		40,000
O4	Kingaroy	Prepare a Master Plan for Memorial Park Kingaroy	2015-17	10,000
O5	Kingaroy	Implement the Master Plan for Memorial Park Kingaroy	2018-22	350,000
O6	Kingaroy	Develop two additional "dog parks"	2018-22	120,000
O7	Nanango	Improve the quality of pathway surfaces through Pioneer Park.	2015-20	10,000
O8	Nanango	Improve the Tipperary Flat trail with exercise equipment, distance markers, water and some seating.	2018-22	120,000
O9	Nanango	Prepare a Master Plan for Pioneer Park, Nanango	2015-20	10,000
O10	Nanango	Implement the Master Plan for Pioneer Park, Nanango	2018-22	200,000
011	Wondai	Undertake improvements to the youth precinct (seating, shade, water stations, half court)	2018-22	180,000
O12	Murgon	Develop a main town recreation park and embellish with shelters, shade and playground equipment	2015-20	180,000
O13	Murgon	Develop a "dog park" in McMahon Park	2015-20	50,000
O15	Blackbutt/ Benarkin	Develop a main town recreation park and embellish with playground equipment, shelters and exercise equipment	2020-25	150,000

Item ID	Locality	Description	Timing	Estimated Cost (\$)
O16	Maidenwell	Upgrade Maidenwell Sportsground by providing shade over the playground, signage, BBQ facilities, seating and water	2018-22	60,000
017	Kumbia	Develop a town recreation park at EJ Burke Park through provision of shaded playground equipment to suit a range of ages, picnic facilities, shelters, exercise equipment and trail linkages	2020-25	150,000
O18	Durong	Develop the area between the Durong Hall and the tennis courts as a town recreation area including shelters, shade, BBQ's, signage, and exercise stations	2018-22	100,000
O19	Proston	Provide shade over the existing playground	2015-20	50,000
O20	Proston	Further develop the playground to provide an area with play equipment suitable for older age groups	2018-22	120,000
O21	Proston	Develop a dog park	2020-25	50,000
Total				\$2,200,000

Schedule 6 Method for re-calculating establishment cost (Land Contribution)

The following methodology will be followed when recalculating the value of a Land Contribution.

- (1) The establishment cost of trunk infrastructure that is land must be determined using the before and after method for estimating the current market value of land (the before and after method of valuation). The before and after method of valuation must be given effect through the following procedural requirements:
 - a. The applicant, at their own cost, must provide to the Council a valuation of the specified land undertaken by a certified practicing valuer using the before and after method of valuation (the valuation).
 - b. The Council may accept the valuation.
 - If the Council accepts the valuation, the valuation is the establishment cost of the infrastructure.
 - d. If the Council does not accept the valuation provided by the applicant, it must, at its own cost, have a valuation undertaken by a certified practicing valuer.
 - e. If the Council rejected the valuation provided by the applicant, it must provide
 written notice to the applicant and propose a new valuation and its reasons for doing
 so.
 - f. Where a written notice of the Council's proposed valuation has been given, the applicant may negotiate and agree with the Council regarding a valuation. The agreed valuation is the establishment cost of the infrastructure.
 - g. If agreement cannot be reached, the Council must have a valuation undertaken by an independent, certified practicing valuer to assess the market value of the specified land.
 - The independent, certified practicing valuer is to be appointed by the Council, in its discretion, in consultation with the applicant. The Council will request the applicant provide two valuers for the Council's consideration. The cost of this independent assessment is to be equally shared between the Council and the applicant.
 - The amended valuation determined by the independent certified practicing valuer is the establishment cost of the infrastructure.
 - h. The Council must give an amended ICN to the applicant stating:
 - the value of the establishment cost of the infrastructure which has been indexed to the date it is stated in the amended ICN.

- ii. that the establishment cost of the infrastructure stated in the amended ICN is indexed from the date that it is stated in the amended ICN to the date it is to be offset against the levied charge.
- (2) The specific inclusions for determining the establishment cost of the land component of an infrastructure contribution are limited to the value of the land:
 - a. Registration fees
 - b. Stamp Duty;
 - c. Legal fees associated with preparing a registration documents.
- (3) The specific exclusions for determining the establishment cost of the land component of an infrastructure item are:
 - a. Application fees to Council or any other entity;
 - b. Valuation fees;
 - c. Goods and Services Tax;
 - d. Costs associated with the preparation of a survey plan including actual survey;
 - e. Applicant's Project Management or negotiation costs;
 - f. Costs associated with having the land comply with statutory obligations such as being free of noxious weeds prior to the transfer / dedication;
 - g. Costs associated with having the land cleared of waste (construction / domestic or non-domestic) on the land prior to the transfer / dedication; and
 - h. Contingency.

Schedule 7 Method for re-calculating establishment cost (Work Contribution)

- (1) The following methodology will be followed when recalculating the value of a Work Contribution:
 - a. The Council must provide to the applicant the scope of works including the standard to which the trunk infrastructure is to be provided and the location of the trunk infrastructure (the scope of works).
 - b. The applicant must, at their cost, provide to the Council:
 - a bill of quantities for the design, construction and commissioning of the trunk infrastructure in accordance with the scope of works (the bill of quantities).
 - ii. a first principles estimate prepared by a qualified and registered Quantity Surveyor or RPEQ for the cost of designing, constructing and commissioning the trunk infrastructure specified in the bill of quantities (the cost estimate).
 - The Council may accept the bill of quantities and cost estimate provided by the applicant.
 - d. The Council may negotiate with the applicant prior to accepting the bill of quantities and cost estimate provided by the applicant.
 - If the Council accepts the bill of quantities and the cost estimate, the cost estimate is the establishment cost of the infrastructure.
 - f. If the Council does not accept the bill of quantities and cost estimate provided by the applicant it must, at its cost, have an assessment undertaken by an appropriately qualified person to:
 - determine whether the bill of quantities is in accordance with the scope of works;
 - ii. determine whether the cost estimate is consistent with current market costs calculated by applying a first principles estimating approach to the bill of quantities; and
 - iii. provide a new cost estimate using a first principles estimating approach.
 - g. If the Council rejected the bill of quantities and the cost estimate provided by the applicant, it must provide written notice to the applicant and propose the new bill of quantities and cost estimate and its reasons for doing so.
 - h. Where a written notice of the Council's proposed bill of quantities and cost estimate has been given, the applicant may negotiate and agree with the Council regarding a cost estimate. The agreed cost estimate is the establishment cost of the infrastructure.

- i. If agreement cannot be reached, the Council must refer the bill of quantities and the cost estimate to an independent, suitably qualified person (the independent assessor) to:
 - i. assess whether the bill of quantities is in accordance with the scope of works;
 - assess whether the cost estimate is consistent with current market costs calculated by applying a first principles estimating approach to the bill of quantities; and
 - iii. provide an amended cost estimate using a first principles estimating approach.

The independent assessor is to be appointed by the Council, at its discretion, in consultation with the applicant. The cost of this independent assessment is to be equally shared between the Council and the applicant.

The amended cost estimate determined by the independent assessor is the establishment cost of the infrastructure.

- j. The Council must give an amended ICN to the applicant stating:
 - the value of the establishment cost of the infrastructure which has been indexed to the date it is stated in the amended ICN using the Producer Price Index – Road and bridge construction index for Queensland.
 - ii. that the establishment cost of the infrastructure stated in the amended ICN is indexed from the date that it is stated in the amended ICN to the date it is to be offset against the levied charge in accordance with the Producer Price Index – Road and bridge construction index for Queensland.
- (2) The specific inclusions for determining the value of the work component (works contribution) of an infrastructure contribution are:
 - Limited to the construction of the trunk infrastructure to the standard of the network provider, without any associated works;
 - the cost of pre-construction and construction period professional services including planning, survey, geotechnical investigations, design, project management, contract administration and environmental. The maximum allowance for the professional services shall be:
 - i. Planning 2%;
 - ii. Survey 2%;
 - iii. Geotechnical Investigation 2%;
 - iv. Design 8%;
 - v. Project management and contract administration 6%;
 - vi. Environmental 1%.

- any cost under a construction contract (excluding for latent conditions, provisional items and sums) for the work not covered by any of the other inclusions listed herein;
- contingency of no more than 10% of the value of the supply and installation/construction components of the works;
- e. a portable long service leave payment for a construction contract;
- f. any insurance premium for the work; and
- g. the cost of the development or compliance approvals for the work.
- (3) The specific exclusions for determining the value of the work component of an infrastructure item are:
 - Professional fees not associated with planning, survey, geotechnical investigations, design, project management, contract administration and environmental studies;
 - b. the cost of carrying out any necessary temporary infrastructure;
 - the cost of carrying out any other infrastructure which is not part of the required trunk infrastructure item;
 - d. the cost of the decommissioning, removal and rehabilitation of infrastructure identified in (a) and (b);
 - e. any part of the required Trunk Infrastructure Contribution provided at no cost to the claimant; and
 - f. the GST component of the costs for the required trunk infrastructure item.

Resolution:

Moved Cr DP Tessmann, seconded Cr KM Campbell.

That the Officer's Recommendation be adopted.

Carried 6/0 FOR VOTE - Councillors voted unanimously ABSENT. DID NOT VOTE - Cr RLA Heit

6. Portfolio - Arts, Communities, Health and Waste Services

No Report.

- 7. Portfolio Property and Human Resources
- 7.1 Property and Human Resources Portfolio Report

Summary

Property and Human Resources Portfolio Report to Council.

Officer's Recommendation

That the Property and Human Resources Portfolio Report to Council be received.

Resolution:

Moved Cr DJ Palmer, seconded Cr KA Duff.

That the Property and Human Resources Portfolio Report to Council be received.

1. Murgon Swimming Pool

Murgon Swimming Pool Upgrade has commenced with the footings and slab completed for the kiosk, amenities, change rooms and office. Torbay Construction have also removed all the internal fences, gutters, and coping tiles along the top of the pool edge to prepare for the new concourse.

Murgon Swimming Club has been successful in receiving a grant from the Queensland Government and Gambling Community Benefit Fund for \$31,818.18 to construct a new grandstand at the pool. Council Property staff is working in partnership with the Club to design and construct the new grandstand and roof structure.

2. Kingaroy Swimming Pool

The awning has been removed from the front of the Kingaroy Swimming Pool. The awning was damaged by water and not cost effective to repair. Council will construct a new awning to provide limited shelter from rain.

3. South Burnett Aquatic Centre

The South Burnett Aquatic Centre is under new management for an interim period until the tenders for management is reviewed, selected and accepted by Council. Belgravia Leisure is

running a number of activities during this period including; learn to swim, swimming lessons, and coaching sessions. Belgravia Leisure has also introduced a feedback box to encourage residents and visitors to provide feedback on the customer service, cleanliness of the facility, activities or any other matters. This feedback will also be provided to Council.

4. Kingaroy Town Hall

T & C Painters will commence the external painting of the Kingaroy Town Hall on the 20th of July.

5. Update on Land Sales -

- All 19 blocks at Boondooma Dam have settled.
- Council has accepted 4 land sale tenders, each tender has been advised to prepare contracts of sale
- All land that has been tendered by Council but not sold, will be listed with LJ Hooker for sale

Carried 6/0 FOR VOTE - Councillors voted unanimously ABSENT. DID NOT VOTE - Cr RLA Heit

8. Portfolio - Water, Wastewater and Sport Development

8.1 Water, Wastewater & Sport Development Portfolio Report

Summary

Water, Wastewater & Sport Development Portfolio Report

Officer's Recommendation

That the Water, Wastewater & Sport Development Portfolio Report to Council be received.

Resolution:

Moved Cr BL Green, seconded Cr KA Duff.

That the Water, Wastewater & Sport Development Portfolio Report to Council be received.

Water and Wastewater

Kingaroy Wastewater Treatment Plant upgrade

The final design of the entire project has been completed, with construction work progressing well. Mechanical components are being manufactured at Aquatec's office in Ipswich. The 2 Nereda tanks are well on the way towards completion and work on the lagoon system is progressing well.

Budget is on-track and being managed appropriately by the project team.

Department of Environment and Heritage Protection officers completed a compliance inspection of the existing plant on 1 July. No issues were found and they were happy with the progress to date on the construction of the new plant and the current plans in place for continuing the operation of the current plant.

Gordonbrook Water Treatment Plant upgrade

Design of the entire plant is complete, with further fabrication work being undertaken at Aquatec's Ipswich office.

Civil work is progressing well at the site.

Treatment and Reticulation systems

Reactive calls have been responded to quickly and fixed well within the Customer Service Standards set for the team. All water treatment plants have been operating well.

Wastewater Treatment plants have been operating well since the last meeting, with a current focus being to complete health and safety audits at the plants, making improvements where needed.

Sport Development

Pleased to report that the Wondai Rugby League Club is the recipient of a \$17,000 grant through the Gambling Fund which will enable them to fix their canteen which is in need of urgent attention. The Blackbutt community was somewhat dismayed to learn their request to name the Highway between Blackbutt and Yarraman in honour of Roy Emerson had been denied. The suggestion to provide town entry signs bearing reference to Roy Emerson have merit and warrant investigation. Maybe this could be done by Council.

Carried 6/0 FOR VOTE - Councillors voted unanimously ABSENT. DID NOT VOTE - Cr RLA Heit

9.1 Natural Resource Management, Parks and Indigenous Affairs Portfolio Report

Summary

Natural Resource Management, Parks and Indigenous Affairs Portfolio Report to Council.

Officer's Recommendation

That the Natural Resource Management, Parks and Indigenous Affairs Portfolio Report to Council be received.

Resolution:

Moved Cr KA Duff, seconded Cr DJ Palmer.

That the Natural Resource Management, Parks and Indigenous Affairs Portfolio Report to Council be received.

Indigenous Affairs

NAIDOC week was recently celebrated with events in Cherbourg and Kingaroy. There was plenty to see and do at Cherbourg with stalls, tours of the Ration Shed, Wakka Wakka and Torres Strait Islander Dancing and music by the popular Indigenous Band, Muddy Flats. Another highlight was the indigenous Fashion Parade. There was also a chance to try the popular witchety grubs for lunch along with other culinary delights. The theme of NAIDOC week was we all stand on sacred ground and show respect.

The Cherbourg NAIDOC Person of the Year was presented by Mayor Ken Bone to Rory Boney who has been an Us Mob broadcaster, a Councillor and is still the lead singer in Muddy Flats. The NAIDOC celebrations in Kingaroy were held at the Kingaroy General Hospital. Following a welcome to Country, the highlight of the day was the NAIDOC Recognition Award for Service to Community. This award was presented to Taygan Tucker for Excellence to the Aboriginal and Torres Strait Community as a Dental Therapist at the Cherbourg Hospital. Speakers were Dr Peter Bristow, Chief Executive, Darling Downs Hospital and Health Service and Cheryl Dalton, General Manager SBCare. Dance performances were provided by a young group of performers from Cherbourg. Art works were displayed and a beautiful painting was also donated to the Hospital by artist Venus Rabbit.

Natural Resource Management

Staines Road Reserve Burning Program

A fire management guideline has been developed for the Staines road reserve separating the corridor into 8 fire management zones with individual fire regimes. These zones will be progressively burnt over time to create a patchwork of fuel loads, minimising the impact of intense wildfire on property and environment. The trail will be slashed prior to conducting prescribed burning activities. Nanango Rural Fire Brigade Group will be conducting the burns within two of the fire management areas in the next 2 months. Residents will be notified prior to conducting prescribed burning activities.

Booie Reserve

Nanango Rural Fire Brigade Group members have recently completed a prescribed burn at Booie Reserve.

Weed Control

Contractors have commenced treatment of grader grass on Main Roads and Mother of Millions control in South Nanango, Coolabunia, Benair, Ironpot, Wooroolin, Wondai, Tablelands, Hivesville and Okeden.

10. Portfolio - Finance, Planning and ICT

10.1 Finance, Planning and ICT Portfolio Report

Summary

Finance, Planning and ICT Portfolio Report to Council.

Officer's Recommendation

That the Finance, Planning and ICT Portfolio Report to Council be received.

Resolution:

Moved Cr KM Campbell, seconded Cr DJ Palmer.

That the Finance, Planning and ICT Portfolio Report to Council be received.

Finance

Financial Report to 30 June 2015

The attached periodic financial statements are as at 30 June 2015. The financial year concluded with the Financial Ratios, particularly Cash and Operating Cash, at reasonable levels. The increase in supplier payments towards the end of the financial year further decreased the Working Capital Ratio from 2.74 (as of 15 June) to 2.56.

With regard to the Comprehensive Income Statement:

Given that the periodic financial reports are at 30 June this will not be the final result as the normal end of year journals are yet to be prepared and posted to the ledger. For example:

 Provision for long service leave, annual leave, other employee benefits and finance costs are still to be recognised as part of the year end accruals. Materials and Services will increase upon payment of supplier invoices pertaining to FY 14/15

Capex Report

The capital expenditure report has been included in the agenda for Councillors to peruse. Actual capital expenditure as of 30 June amounts to \$33.5Million, subject to any expenditure which may be paid in the new financial year and accrued back into the 2015 financial year, as compared to the \$40.4 Million budget. The Kingaroy Waste Water Treatment Plant is the largest influence on the difference between actual and budgeted expenditure. All 2015 capital projects will now be reviewed to assess the carry-overs into 2015-16.

2015 - 2016 Rate Notices

With the recent adoption of the 2015 – 2016 budget the rates team are now focused on preparing for the release of the first quarter rate notices for the 2016 financial year. Rate notices are planned for release toward the end of July.

Sale of Land for Arrears of Rates

Notices have been issued for the relevant properties which were the subject of a previous report to Council regarding sale for arrears of rates. The notices were issued on the 25 June 2015. There is now a six (6) month period for the relevant property owners to pay the outstanding rates.

Planning

New Planning Scheme

Council received formal response from the Deputy Premier's office on 22 June 2015 confirming the informal state interest review comments received from her Department. She was to defer her approval for the new planning scheme to proceed to public notification until Council has responded to the state interest review comments.

Council's response to the comments has been finalised and it is proposed to discuss Council's response with Ms Michelle Riley, Manager of the Department's Planning on Thursday 16 July 2015. It is anticipated that the response will be formally submitted shortly after that meeting pending finalising the mapping amendments requested by the Department.

Local Heritage Register

Council has confirmed the appointment of the consultancy firm **Converge** to support the drafting and adoption of a new local heritage register. The project inception meeting is scheduled for Tuesday 21 July 2015 and Cr Keith Campbell has been invited to attend this meeting. The focus of this meeting is essentially to agree on the delivery milestone dates, targeted stakeholder consultation and mapping requirements for the project. A Councillors' workshop is proposed at the end of the next stage to present the results of the review and research of places suggested to be listed.

Carried 6/0 FOR VOTE - Councillors voted unanimously ABSENT. DID NOT VOTE - Cr RLA Heit

10.3 Planning (P&LM)

Officer's Reports

10.3.1 P&LM -1444249 - Reconfiguration of a Lot (1 lot into 2 lots) - 96 Maize Company Road, Kumbia - Lot 3 SP183101 Applicant: O'Reilly Nunn Favier

Summary

- Application is for Reconfiguring a Lot Subdivision (1 lot into 2 lots);
- Subject site is included within the Rural Zone under the Kingarov Shire IPA Planning Scheme:
- Maize Company Road separates the subject site into two (2) lots. Proposed Lot 6 is 136ha (northern section) & proposed Lot 5 is 141ha (southern section);
- The reconfiguration intends to use the road to form the new lot boundaries;
- The physical and productive areas of property remain unchanged;
- The applicant has indicated that a lease (2 x 3 years) of 100ha is intended between the land owner (Unverzagt) and Hope Dairies Pty Ltd to continue cropping of proposed Lot 6 while proposed Lot 5 will continue to be used for grazing;
- The development is generally in accordance with the Specific Outcomes of the planning scheme:
- It is recommended that a Development Permit for Reconfiguring a Lot (1 lot into 2 lots) be approved subject to reasonable and relevant conditions.

Officer's Recommendation

That Council grants *approval* for a *Development Permit* for Reconfiguring a Lot (1 lot into 2 lots) at 96 Maize Company Road, Kumbia on land described as Lot 3 SP183101, subject to the following conditions -

General

GEN1.

The subject site is to be developed generally in accordance with the plans and information submitted with the application unless otherwise amended by the following conditions:

- Drawing no: 5626p/1, Sheet No. 1 of 1, Rev (Proposed Reconfigure a Lot (1 lot into 2 lots), prepared by: O'Reilly Nunn Favier and dated: 12/3/15.
- GEN2. All works, including the repair or relocation of services (Telstra, lighting) is to be completed at no cost to Council.
- GEN3. The applicant is required to maintain the site in a clean and orderly state at all times, clearing declared weeds and feral animals.

Compliance Assessment

GEN4. All conditions of this approval are to be satisfied prior to Council issuing a Compliance Certificate for the sealing of the Survey Plan, and it is the applicant's responsibility to notify Council to inspect compliance with conditions.

A Compliance Certificate fee will be charged, with payment required prior to Council approval of the associated documentation requiring compliance assessment.

Concurrence Referral Agency

REF1. The development is to be in accordance with the response dated 6 May 2015 issued by Department of State Development, Infrastructure and Planning

Survey Marks

RAL1. Prior to the submission of the Survey Plan to Council, the applicant is to reinstate survey marks and install new survey marks in their correct position in accordance with the Survey Plan, and the work is to be certified in writing by a Licensed Surveyor.

Natural Resources Valuation Fees

RAL2. Payment of Department of Natural Resources and Mines valuation fee that will result from the issue of split valuations prior to Council sealing the Plan of Survey. The contribution is currently assessed at \$92.00 (2 x \$46.00); however, the actual amount payable will be based on Council's Register of Regulatory & Cost-Recovery Fees and the rate applicable at the time of payment.

Electricity

- RAL3. Written confirmation from the electricity authority, that all matters relating to the reticulation of electricity including electrical civil works have been completed, is to be provided to Council prior to sealing the Survey Plan.
- RAL4. Reticulated electricity is to be provided to the development in accordance with relevant Australian Standards.

Telecommunications

RAL5. Evidence of an agreement to provide a telephone service is to be provided to Council prior to sealing the Survey Plan.

Property Access

- ENG1. Prior to sealing the survey plan, ensure that property access to the proposed lot from Maize Company Road is in accordance with the details in *Table S2.7 Design and Construction Standards* of the *Kingaroy Shire Council IPA Planning Scheme*; and *Council's standard Drawing No. SBRC 00049 Rural Access.*
- ENG2. Only one access to the site will be permitted.

Stormwater

ENG3. Any new earthworks, landscaping, pavements or structures shall not concentrate or impede the natural flow of water across property boundaries and onto any other properties.

Advice

ADV1. Section 341(2)(a) of the Sustainable Planning Act 2009 provides that, if this approval is not acted upon within the period of two (2) years the approval will lapse. Note that in accordance with section 341(7) a related approval may extend the relevant (currency) period.

- ADV2. Telecommunication connections can be arranged by emailing *F1103721* @*team.telstra.com* providing the following information:
 - Full name;
 - Address of property including state & postcode;
 - Lot No's and Plan No's: and
 - What the development is (units, subdivision, shop, etc)
- ADV3. This development approval does not authorise any activity that may harm Aboriginal Cultural Heritage. Under the *Aboriginal Cultural Heritage Act 2003* you have a duty of care in relation to such heritage. Section 23(1) provides that "A person who carries out an activity must take all reasonable and practicable measures to ensure the activity does not harm Aboriginal Cultural Heritage." Council does not warrant that the approved development avoids affecting Aboriginal Cultural Heritage. It may therefore, be prudent for you to carry out searches, consultation, or a Cultural Heritage assessment to ascertain the presence or otherwise of Aboriginal Cultural Heritage. The Act and the associated duty of care guidelines explain your obligations in more detail and should be consulted before proceeding.
- ADV4. Attached for your information is a copy of Division 8 of the *Sustainable Planning Act* 2009 as regards Rights of Appeal. With respect to Appeal Rights of Applicants, the following is drawn to your attention
 - a) the applicant's Appeal Period commences upon receipt of this advice and expires twenty (20) business days thereafter.
 - b) should the applicant notify the Assessment Manager (Council) in writing of acceptance of the conditions of approval and that it is not intended to make an appeal, the Applicant's Appeal Period is at an end.

Resolution:

Moved Cr KM Campbell, seconded Cr DP Tessmann.

That the Officer's Recommendation be adopted.

Carried 6/0 FOR VOTE - Councillors voted unanimously ABSENT. DID NOT VOTE - Cr RLA Heit

10.3.2 P&LM - 1462302 - Forwarding Application for Reconfiguration of a Lot (1 lot into 2 lots) application - Back Road Proston - Lot 2 SP237290 - Applicant: William Gair C/0 O'Reilly Nunn Favier - ROLC2015/0013

Summary

- Application is for Reconfiguring a Lot Subdivision (1 lot into 2 lots);
- Subject site is included within the *Rural Zone* under the *Wondai Shire IPA Planning Scheme*;
- Middle Road divides the subject site into two (2) rural sections 104ha lot (eastern section)
 & 56ha lot (western section);
- The reconfiguration intends to use the road reserve to form the new lot boundaries;
- The physical and potential productive area of the land remain unchanged;
- The development is generally in accordance with the *Specific Outcomes* of the planning scheme:
- It is recommended that a Development Permit for Reconfiguring a Lot (1 lot into 2 lots) be approved subject to reasonable and relevant conditions.

Officer's Recommendation

That Council grants *approval* for a *Development Permit* for Reconfiguring a Lot (1 lot into 2 lots) at 42 Back Road, Proston on land described as Lot 2 SP237290, subject to the following conditions—

General

GEN1.

The subject site is to be developed generally in accordance with the plans and information submitted with the application unless otherwise amended by the following conditions:

- Drawing no: 5689P/1, Sheet No. 1 of 1, Rev (*Boundary Reconfiguration*), prepared by: O'Reilly Nunn Favier and dated: 5/05/15.
- GEN2. All works, including the repair or relocation of services (Telstra, lighting) is to be completed at no cost to Council.
- GEN3. The applicant is required to maintain the site in a clean and orderly state at all times, clearing declared weeds and feral animals.

Compliance Assessment

GEN4.

All conditions of this approval are to be satisfied prior to Council issuing a Compliance Certificate for the sealing of the Survey Plan, and it is the applicant's responsibility to notify Council to inspect compliance with conditions.

A Compliance Certificate fee will be charged, with payment required prior to Council approval of the associated documentation requiring compliance assessment.

Survey Marks

RAL1. Prior to the submission of the Survey Plan to Council, the applicant is to reinstate survey marks and install new survey marks in their correct position in accordance with the Survey Plan, and the work is to be certified in writing by a Licensed Surveyor.

Natural Resources Valuation Fees

RAL2. Payment of Department of Natural Resources and Mines valuation fee that will result from the issue of split valuations prior to Council sealing the Plan of Survey. The contribution is currently assessed at \$94.00 (2 x \$47.00); however, the actual amount payable will be based on Council's Register of Regulatory & Cost-Recovery Fees and the rate applicable at the time of payment.

Electricity

RAL3. Written confirmation from the electricity authority, that all matters relating to the reticulation of electricity including electrical civil works have been completed, is to be provided to Council prior to sealing the Survey Plan.

RAL4. Reticulated electricity is to be provided to the development in accordance with relevant Australian Standards.

Telecommunications

RAL5. Evidence of an agreement to provide a telephone service is to be provided to Council prior to sealing the Survey Plan.

Property Access

- Prior to sealing the survey plan, ensure that property access to the proposed lot from Middle Road and Back Road are in accordance with the details in Table S2.7 Design and Construction Standards of the Wondai Shire Council IPA Planning Scheme; and Council's standard Drawing No. SBRC 00049 Rural Access.
- ENG2. Only one access to the site will be permitted.

Stormwater

ENG3. Any new earthworks, landscaping, pavements or structures shall not concentrate or impede the natural flow of water across property boundaries and onto any other properties.

Advice

- ADV1. Under *Table 3A Rural Locality* of the *Wondai Shire IPA Planning Scheme*, a *Dwelling House* located in the:
 - 500 metre buffer area to the boundary to a Major Utility premise shown on SMOA Map 2E; or
 - 1km buffer area to the boundary to an Intensive animal husbandry premises shown on SMOA Map 2D(i)

will require a planning application to be lodged to Council prior to commencement of use.

- ADV2. Section 341(2)(a) of the Sustainable Planning Act 2009 provides that, if this approval is not acted upon within the period of two (2) years the approval will lapse. Note that in accordance with section 341(7) a related approval may extend the relevant (currency) period.
- ADV3. Telecommunication connections can be arranged by emailing *F1103721* @*team.telstra.com* providing the following information:
