

The South Burnett Region is ideally situated just 2 - 3 hours' drive to Brisbane, Toowoomba, Sunshine Coast and Fraser Coast. The region is home to the stunning Bunya Mountains, where you can enjoy spectacular rainforest walks, nights by the fire in hidden chalets and the best scenic views Queensland has to offer. The South Burnett region is renowned for its great wine, gourmet foods and recreational facilities such as Lake Boondooma and Yallakool tourist parks.

So why not come and enjoy our award winning tourism facilities and make the change...

**PRINCIPAL ENGINEER (DESIGN)
OR
COORDINATOR DESIGN
(1 POSITION ONLY)**

**Permanent Full Time – Based in Nanango
\$83K - \$103K per annum + Allowances + Super**

Council is seeking to fill the above vacancy with flexibility in appointment subject to the successful applicant's demonstration of skills, qualifications and competence.

This position requires professional engineering experience in coordinating civil engineering designs, including road construction, drainage and water mains, in accordance with relevant standards, local laws and policies. You will provide leadership and technical supervision to the design and survey team, while achieving Council's capital works and service provision objectives, through managing infrastructure planning projects.

For more information in relation to the individual options, please view the applicable Position Description.

Benefits include:

- Work/Life balance (9 Day Fortnight Roster)
- Up to 12% employer superannuation contribution
- Access to Salary Packaging Benefits
- Access to Corporate memberships
- Access to Health and Wellbeing programs

Closing Date: Friday, 19 June 2020

Information about this position and how to apply is available at www.southburnett.qld.gov.au. Information can also be obtained by visiting a Customer Service Centre, or by contacting People and Culture on ☎ (07) 4189 9100.
