Against: Nil

CARRIED 7/0

8 PORTFOLIO – SOCIAL & CORPORATE PERFORMANCE, PEOPLE & CULTURE, COMMUNICATIONS/MEDIA, FINANCE AND ICT

8.1 SOCIAL & CORPORATE PERFORMANCE, PEOPLE & CULTURE, COMMUNICATIONS/MEDIA, FINANCE AND ICT PORTFOLIO REPORT

RESOLUTION 2020/160

Moved: Cr Brett Otto

Seconded: Cr Kathy Duff

That Mayor Otto's Social & Corporate Performance, People & Culture, Communications/Media, Finance and ICT Portfolio Report to Council be received.

Social & Corporate Performance:

Implementation of the Annual Operational Plan 2020/2021

Council's Annual Operational Plan is adopted by Council prior to the commencement of each financial year. This Plan outlines the activities and actions Council will undertake in accordance with the adopted budget.

At today's meeting, Council will adopt the annual operational plan 1st quarter review, so it is an opportune time to highlight some of the achievements of Council at this early stage of the financial year:

- 500 hours completed in implementing on-ground declared and environmental weed control programs;
- 183,356 wheelie bin collections have been conducted;
- 17 pieces of legislation have been reviewed for changes to delegations to the Chief Executive Officer;
- Development and adoption of Council's Style Guide to support Council's brand;
- Implementation completed of live streaming of Council meetings;
- Policy Governance Framework developed, adopted by Council and implemented across the organisation;
- 10-year works program for the replacement, upgrade and construction of new water and wastewater assets has commenced; and
- A partnership agreement has been signed with BIEDO to deliver the following initiatives:
 - Engagement of a drought resilience officer;
 - Implementation of the business extension program;
 - Provision of strategic economic development support to Council; and
 - Development of an adverse event plan.

Communications/Media:

In September 2020 the Media and Communications team progressed the following:

- Council progressed one full page ad in the Murgon Moments for What's on @ South Burnett libraries and one half page ad for the region's dams.

Graphical Design:

- Flyer - Communities combating Pest and Weeds During Drought program

Finance:

This monthly report is designed to illustrate the interim financial performance and position of South Burnett Regional Council compared to the adopted budget, at an organisational level, for the period ended 30 September 2020.

Key Points - Income Statement

	YTD	2020/2021 Budget
Net Result	\$ 11,013,279	\$ 14,134,300
Net Operating Result	\$ 9,191,315	-\$ 3,675,499

	YTD	2020/2021 Budget	% of Budget	% Variance
Recurrent Revenue	\$ 28,254,537	\$ 67,092,117	42%	17%
Recurrent Expenditure	\$ 19,063,222	\$ 70,767,616	27%	-2%

- Recurrent Revenue is high year to date compared to budget largely due to the 6 monthly rates being levied during August. This percentage variance will slowly decrease over the next few months.
- Minor timing variances in materials and services under Recurrent Expenditure due to timing in annual invoices such as land valuations, insurance, fleet registrations, IT licences and LGAQ membership.
- Additional materials and services under disaster management for expenses relating to Queensland Reconstruction Authority grant funding. This will offset against additional revenue which will be received during the year.

Key Points - Balance Sheet

	YTD	2020/2021 Budget	Variance
Total Assets	\$ 921,245,511	\$ 951,162,644	-\$ 29,917,133
Total Liabilities	\$ 56,284,520	\$ 61,119,482	\$ 4,834,962
Community Equity	\$ 864,960,991	\$ 890,043,162	-\$ 25,082,171
Unrestricted Cash	\$ 22,970,843		
Restricted Cash	\$ 26,385,609		
Total Cash Balance	\$ 49,356,452		

	Total Balance	90 Days Overdue	Monthly Movement	Comment
P&R Debts	\$ 217,272	\$ 169,176	↑	Approximately half with debt collectors or payment plans
AR Debtors	\$ 458,696	\$ 170,901	↓	\$73k with debt collectors, \$5k negotiating payment plan, \$59k following up with debtor
Rates Debtors	\$ 8,194,019			

Capital Budget	WIP Balance	Total To Spend	Spent to Date	% Spent	Comment
\$ 38,228,662	\$ 7,370,809	\$ 45,599,471	\$ 13,500,865	30%	Additional \$244k to be added to budget as per 1st quarter review

- Increase in cash balance due to inflows from rates levies being paid by property owners prior to discount period ending on the 23rd of September.
- Decrease in Property, Plant and Equipment balances due to the 2019/2020 comprehensive revaluation of the buildings and land assets. This figure has been revised under the proposed budget first quarter review to be in line with predicted balances for building and land assets for this year. Water and Wastewater assets are currently undergoing a comprehensive revaluation and it is unknown at this stage what effect this will have on property, plant and equipment.
- Other Liabilities balance has decreased due to the Memerambi Estate Liability being derecognised in the 2019/2020 financial year in line with the adoption of the new accounting standard AASB 15 *Revenue for Contracts with Customers*. The derecognition of this liability has been adjusted in the proposed budget as part of the first quarter review.

Key Points - Other

Ratios	Ratio	Target	In Target	Comment
Cash Ratio	10.80	>=3	✓	
Operating Cash Ratio	5.03	>=3	✓	
Current Ratio	4.83	Between 2 and 4	x	<ul style="list-style-type: none"> • High asset balance due to cash inflows from rates levies being received. • Ratio should decrease over the next few months as cash decreases.
Funded Long-Term Liabilities	88.3%	>=59%	✓	
Debt Servicing Ratio	4.0%	<=10%	✓	
Debt to Asset Ratio	3.5%	<=10%	✓	
Interest Coverage Ratio	1.4%	Between 0% and 5%	✓

Against: Nil

CARRIED 7/0

The Mayor acknowledged the body of work undertaken by the Chief Executive Officer at a very busy time of the year. This is not a matter to be taken lightly. It is a significant reform for our Council as we move into a new era, that is seeing increasingly legislation regulation that is expecting Councils to be much more open and transparent with the way in which we make decisions and keep the community informed. Our CEO has done a lot of work to make sure that what is brought to this Council meeting today, particularly the terms of reference around each of these committees is going to be robust and efficient and effective moving forward as a Council.

8.10 MEETING DATES FOR THE ORDINARY MEETINGS OF COUNCIL'S STANDING COMMITTEES AND GENERAL MEETINGS

RESOLUTION 2020/169

Community Grants Program

I am pleased to announce that Council has received 35 applications for Round One (1) of the Community Grants Program. The Community Grants Assessment Panel comprising of myself and my fellow Councillors - Cr Jones, Cr Frohloff, Cr Schumacher, Cr Duff and Cr Henschen – met recently to discuss and evaluate the applications. I am pleased to announce the following successful applications:

Activity	Organisation	Amount
Community Hall Insurance	Tablelands Hall Committee	\$1,000
Community Hall Insurance	Kumbia & District Historical Society	\$ 920
Community Hall Insurance	Farmers Hall Inverlaw	\$1,000
Community Hall Insurance	Wooroolin Community Committee	\$1,000
Community Hall Insurance	Mondure Hall	\$1,000

Activity	Organisation	Amount
Australia Day Events Sponsorship	Nanango Tourism & Development Association	\$1,000
Australia Day Events Sponsorship	Kumbia & District Memorial School of the Arts	\$1,000

Activity	Organisation	Amount
Nanango Family Christmas Carnival	Nanango Tourism & Development Association	\$2,000
South Burnett Gem Show	South Burnett & Fossicking Club	\$2,650
Melbourne Cup/Kumbia Cup Race Day	Kumbia Race Club Committee	\$2,000

Boondooma Dam Yellowbelly Family Fishing Comp 2021	Boondooma Dam Fish Stocking & Management Committee	\$2,000
Kumbia Christmas Carnival	Kumbia & District Memorial School of the Arts	\$1,000

Activity	Organisation	Amount
Blackbutt State School Recycling Depot	Blackbutt Primary P&C Association	\$3,000
Support "Dead Cow Gully" Ultra Marathon	Go Getta Girls Inc.	\$1,000
Tooling for Woodworking and Fabrication Shop	Kingaroy Men's Shed	\$1,000
Saving "The Times" Garden Shed	Nanango History Room Inc	\$1,054
Insurance & Audit Fees	QCWA – Blackbutt Yarraman Branch	\$1,897
Welfare Drop-in Centre – security screens	Kumbia Tennis Association	\$1,800
Tara's Hall Restoration Project	Murgon RSL Sub-Branch	\$3,000
Table & Shelter Setting	Nanango RSL Sub-Branch	\$2,337.50
"Castra" House Restoration Project	Blackbutt & District Tourism Association	\$2,930
Upgrading Rotunda - Electrically and Structurally	Qld Dairy & Heritage Museum	\$1,000
	Wondai A P & I Society	\$2,500

Activity	Organisation	Amount
Beyond the Nest Development Camp	South Burnett Rugby League	\$3,000
Purchase PA Sound System	Nanango Tai Chi	\$2,000
Top Dress High Jump Area	South Burnett Little Athletics	\$3,000

Activity	Organisation	Amount
SBRC Cultural Bursary Award	Kingaroy State High School P&C	\$500
SBRC Leadership Award (x2)		
SBRC School Student Awards	Wondai State School	\$300

I would like to make particular mention of the funding offered under the Regional Arts Development Program. This program of funding is a partnership between Council and Arts Queensland, whereby each year Council applies to Arts Queensland for a 60% contribution to the program. I am very pleased to be able to announce that Council has been successful in our bid having asked for additional support for this financial year:

- \$5,000 - development of a regional arts policy;
- \$16,645 – funding direct to the arts community through the RADF program; and
- \$11,288 - Co-investment Regional Arts Development Project (a partnership between South Burnett, Fraser Coast and Bundaberg Regional Councils).

The successful applications to the RADF Program round one (1) are as follows:

Activity	Organisation	Amount
Nanango PlayFest 2021	Nanango Theatre Company	\$3,000
Filmmaking Workshop Incursions with Murgon State High School	Noosa Film Festival	\$3,000

For queries relating to the Community Grants Program, I encourage the community to contact Council to discuss their activity, project or event.

Libraries:**The Kingdom of Libraria – South Burnett Libraries' New Children's Loyalty Program**

Launching just in time for the school holidays on 21 September 2020, close to 100 children across the region have registered for South Burnett Libraries new children's loyalty program 'Kingdom of Libraria'.

In the early stages of creating this new program, library staff were set the task of creating something unique that would capture the imagination of our young community members and encourage them to visit the library and get to know the staff and resources that are available to them. Based on a magical Kingdom of six houses: Buttopia, Nangoonida, Kingsmoor, Wonhaven, Murloch and Prostonia and their respective townships: Blackbutt, Nanango, Kingaroy, Wondai, Murgon and Proston, children are transported to magical world of whimsical characters, mini missions and bonus activities via their Kingdom of Libraria passports. Although there is no need to physically visit each of the libraries to complete the program, bonus prizes are available for those who wish to explore the South Burnett Region. The 'Kingdom of Libraria' will run for at least a year, providing children plenty of time to enjoy this magical new program.

South Burnett Libraries Tech Savvy Grant

In February 2020, South Burnett Libraries were successful in obtaining a State Library of Queensland Tech Savvy Seniors Queensland Grant of \$9,056. These funds were sought to purchase a suite of new laptops and tablets to be used at a series of outreach sessions hosted by library staff at local aged care facilities, with a portion of the funds earmarked for staff training.

Although COVID-19 delayed the launch of the outreach sessions, library staff continue to work with Council's Workplace Health and Safety team to ensure these sessions take place when it is safe to do so in our region.

Funds from the grant have thus far been allocated to purchase 3 laptops and 3 tablets. The grant funds have also provided library staff the chance to attend the 'Be Connected Digital Mentor online train-the-trainer program'. Comprised of 8 modules, library staff have been able to work through the course at their own pace, building the skills, knowledge and the confidence necessary to deliver digital literacy programs and initiatives in the community. The Be Connected program is an Australian government initiative committed to increasing the confidence, skills and online safety of older Australians.

Creepy Critters Craft

South Burnett Libraries' Creepy Critters Craft packs proved very popular with over 200 bundles handed out to young library patrons across the region during the September school holidays. Check out the South Burnett Libraries Facebook page to see some of the wonderful creations posted by local families.

First 5 Forever Outreach Sessions and Children's Book Week

Using funds secured via a \$3,000 First 5 Forever Innovation Micro Grant, South Burnett Libraries will celebrate Children's Book Week by visiting a number of schools across the region from 16-23 October 2020. Library staff will deliver a series of outreach sessions featuring a transportable puppet theatre tailor-made by the Kingaroy Men's Shed at schools including Taabinga, Wooroolin, Cloyna, Wondai, Moffatdale, Murgon and Coolabunia. Whilst supporting the key messages of the First 5 Forever initiative, it is hoped that the use of puppets and imaginative play will encourage children to view their local library as a fun and exciting place to visit.

Sport & Recreation:**Clubs:**

Touch football – Seniors Regionals competition coming up in October, club is still hosting Club competition nights every week under the NRL and touch strict COVID rules.

From 1 - 3 October this year the National Youth Touch competition was held on the Sunshine Coast, played at the Sunshine Coast stadium grounds.

The Sunshine Coast side is made up of elite young Touch players from the South Burnett, North Burnett, Hervey Bay, Gympie, Sunshine Coast and Caboolture Regions.

Kingaroy Touch had 9 children selected into Sunshine Coast sides after selection trials and a number of trips to the Sunshine Coast for training sessions.

These children are Sienna Taylor and Callie Trace under 12 girls. Jasper Corsan under 12 boys. Sharne Whyte under 14 girls. Josh Freeman and Rory Crumpton under 14 boys. Kayley Collins under 16 girls. Lachlan Zelinski and Andre Waltman under 16 boys.

Kingaroy Athletics season started in September, the Club has hosted an ITC coaching course this season.

South Burnett AFL season is finished for another year, it was a very different season to normal with COVID-19 ruling and the changes to the season's layout.

Nanango Football Club has had the Alan Downie re-naming signed off by Council for the club house.

Barambah Soccer Club will host the summer seven competition this October.

South Burnett Cricket at local level to begin second week October, senior teams begun in the Gympie competition in September. The only changes this season will be the COVID regulation around the umpires more than the players.

Combined Sports:

Kingaroy combined sports is having their 3rd meeting this season. Council's Sport & Recreation officer will attend the October meeting as an adviser only.

The Kingaroy Touch, Cricket and Soccer have now become an associated group housed at the Kingaroy soccer fields and are hiring Council's Town Common hall to host all meetings.

Council's Recreation Services Coordinator is meeting with State Sporting Adviser in October to discuss the infrastructure re launch and what that should hold for Out Wondai Precinct submission.

State Government funding was announced with \$178k of funding hitting the region's sport clubs. Only 4 missed out but we are working with the clubs that missed out on a community funding application.

11 PORTFOLIO – RURAL SERVICES, NATURAL RESOURCE MANAGEMENT, PLANNING & COMPLIANCE SERVICES

11.1 RURAL SERVICES, NATURAL RESOURCE MANAGEMENT, PLANNING AND COMPLIANCE SERVICES PORTFOLIO REPORT

RESOLUTION 2020/176

Moved: Cr Scott Henschen

Seconded: Cr Kathy Duff

That Cr Henschen's Rural Services, Natural Resource Management, Planning and Compliance Services Portfolio Report to Council be received.

Rural Services / Natural Resource Management:

Weed Control

Pest Management contractors and staff treated 1.7 hectares of restricted weeds in September including;

Mother of Millions – Treatment on Council roads and reserves in Byee, Boondooma, Wondai, Tingoora, Cushnie, Coolabunia, Booie, Brooklands, Maidenwell and Gordonbrook. Property inspections were completed in Wattlecamp, Wilkesdale and Wengenville areas.

Hudson Pear – Inspections in the Wilksdale area in conjunction with Biosecurity Qld

Council's spray trailer was hired out to one landowner to treat Giant Rats Tail Grass in the Cloyna area and Splatter guns were used by landholders in the Brooklands, Cloyna and Dangore areas for Lantana control.

Wild Dog and Feral Pig Control

A total of two Landowners were supplied with 400 wild dog baits in the Tarong area and 90 kg meat was injected to manage Feral Pigs in the Ironpot area.

Cat traps were hired out to landholders in the Nanango, Durong, Alice Creek, Boat Mountain and Wondai areas. Dog traps were given out in the Crawford area. Pig Traps given out in Proston area and Steel Portable Yards given out to Cushnie area.

Rabbit Control

Carrots were injected with K5 calici virus and distributed on properties in South Nanango, Wattle Camp, Nanango, Wooroolin and Blackbutt area.

Wandering Livestock

Council received 15 requests to attend to wandering livestock across the region. No cattle were impounded in the month of September.

Stock Route Grazing Permits

No Stock Route Agistment applications were received or processed during September.

Fire Management

South Burnett Rural Fire Brigades completed a prescribed burn at Maidenwell Reserve, completing the three priority Council burns identified by the regional fire management group for operation cool burn 2020. Whilst other reserves were scheduled to be burnt this year COVID social distancing practices have significantly reduced the capacity of QFES resources to undertake prescribed burns this season.

Saleyards

Saleyard staff inspected 1235 head, dipped 1227 head and processed 1619 head through the saleyards in September. A total of 827 head were sold through the Coolabunia Saleyards for a total of \$899,959.50.

Environmental assessments

Natural Resources staff completed 33 environmental assessments prior to the commencement of gravel re sheeting works and visibility clearing.

Planning:**Extension to the COVID-19 applicable event period until 31 January 2021**

To further support Queensland's economic recovery, the Treasurer and Minister for Planning Cameron Dick has extended the COVID-19 applicable event period to 31 January 2021.

This decision:

- extends the application of current declared uses and approved temporary use licences until 31 January 2021
- allows businesses to apply for temporary use licences and for temporary use licences to be issued until 31 January 2021.

This extension means that the declaration made by the Minister earlier this year for certain uses or essential businesses to operate 24-hour operations, seven days a week to ensure that they can work around the clock in emergency situations to deliver vital goods and services to Queenslanders is applicable until 31 January 2021. In addition, the six (6) months extension to the currency period for current and new planning approvals issued until 31 October 2020, is now also applicable to current and new approval issued up to 31 January 2021.

All planning approvals that are current or issued between 8 July 2020 (date the first declaration was made) and 31 January 2021 will have an automatic extension of 6 months to the currency period listed in the approval.

Planning Scheme Amendments

The proposed administrative amendment to the South Burnett Regional Council Planning Scheme will be considered by Council at the November meeting. This amendment is proposed to correct administrative errors and do not change the policy direction or zoning of land subject to the planning scheme.

The steps to undertake a major amendment of the planning scheme pursuant to the Minister's rules for section 20 of the Planning Act 2016 commences with Council resolving to undertake a major amendment and adoption of the amended planning scheme within approximately 18 months. Council proposes to seek approval from the Minister to seek a tailored process in order to reduce timeframes and undertake steps concurrently where possible. The tailored process can reduce the timeframe to approximately 10 months pending the resources available to Council and extent of possible public submissions.

Infrastructure Charges Review

Council is currently exploring options to reduce the impact of the cost for infrastructure charges on developments while ensuring the long term financial sustainability of Council's infrastructure expenditure. Part of this process includes a public workshop with industry stakeholders to gain a better understanding of the impact the current payment regime has on residential land supply and possible incentives to kick-start land delivery in the South Burnett. It is anticipated that the public workshop will be hosted and a policy announcement made before the end of this year.

Compliance:**COVID-19 - Food Establishments, Event and General Enquiries**

As COVID-19 restrictions have continued, enquiries have remained strong with additional effort being required by the Environmental Health Officers in order to inform, liaise and provide advice. Unfortunately, COVID-19 continues to consume a significant amount of time for the Environment and Waste Services section.

Staffing

Council's Compliance Administration Officer vacancy has finally been filled. As there is a substantial backlog of items it will unfortunately take the new person some time to work through all of the tasks.

Also, the longstanding vacancy for an Environmental Health Officer (EHO) has been filled. The new EHO will start in November of this year

In Favour: Crs Brett Otto, Gavin Jones, Kathy Duff, Roz Frohloff, Danita Potter, Kirstie Schumacher and Scott Henschen

12 PORTFOLIO – LOCAL DISASTER MANAGEMENT, WATER & WASTEWATER, WASTE MANAGEMENT**12.1 LOCAL DISASTER MANAGEMENT, WATER, WASTE WATER AND WASTE MANAGEMENT PORTFOLIO REPORT**

RESOLUTION 2020/177

Moved: Cr Roz Frohloff
Seconded: Cr Danita Potter

That Cr Frohloff's Local Disaster Management, Water, Waste Water and Waste Management Portfolio Report to Council be received.

Local Disaster Management:

The South Burnett Local Disaster Management Group is currently at Alert. Key agencies within the LDMG continue to meet on a regular basis to ensure that the group remains aware and prepared should there be any further cases of COVID-19 within the South Burnett.

Key members of the Disaster Management Team at Council attended an Australian Government Jurisdictional preparedness briefing with presentations from QFES, Queensland Health, Emergency Management Australia, the Queensland Reconstruction Authority and the Queensland Police Service. The Bureau of Meteorology will also present the seasonal outlook. The Bureau of Meteorology last week announced the predicted wetter than average conditions this year due to the formation of a La Nina in the tropical Pacific.

A media release together with a media publication will be released each day from 12th to 18th October 2020 for Get Ready Week. Council will be providing many resources, links and videos for your family to build resilience to ensure you are well equipped to deal with extreme weather and natural disasters which is part of our State.

Water & Waste Water:**Works in Progress & Future Works Summary for September / October 2020**

Waste Management:**State Waste Levy Annual Prepayment**

The prepayment from the State for the 2020/2021 financial year will be \$1,437,153 (based on 2018/2019 waste disposal figures), paid in quarterly instalments of \$359,288. The July quarterly payment was received end of August 2020. The prepayment for the previous financial year (2019/2020) was \$1,053,976 and was based on the 2017/2018 waste disposal figures. This is an increase in the Prepayment amount on the previous financial year of some \$383,177.

Council ended up being in deficit concerning payments to the State for the 2019/2020 financial year to the value of \$27,352. This equates to a 2.6% difference in 2017/2018 estimates and waste disposal volume variation for the 2019/2020 financial year. Based on the 2018/2019 waste disposal figures and how waste volumes have been trending since the introduction of the State Waste Levy it is hoped that Council will save more than the previous financial year's deficit from the State's 2020/2021 Annual Payment.

13 PORTFOLIO – RURAL RESILIENCE, PARKS & GARDENS, PROPERTY & FACILITY MANAGEMENT, INDIGENOUS AFFAIRS

13.1 RURAL RESILIENCE, PARKS & GARDENS, PROPERTY & FACILITY MANAGEMENT AND INDIGENOUS AFFAIRS PORTFOLIO REPORT

RESOLUTION 2020/178

Moved: Cr Kathy Duff

Seconded: Cr Scott Henschen

That Cr Duff's Rural Resilience, Parks & Gardens, Property & Facility Management and Indigenous Affairs Portfolio Report to Council be received.

Rural Resilience:

Our first 10 minutes with a Master was held at Maidenwell last week. It was very successful with Council's Rates Team Leader participating as one of the Masters. We also had Council's Coordinator Infrastructure Support talking to locals about the Disaster Dashboard. The feedback that we got from the Service Providers was by taking it out to the rural community of Maidenwell it brought in local farmers that probably would not have travelled to a bigger centre to seek help. The next one is this Friday at Boobie Hall. There will be one at Mondure on 22 October and the final one will be held at Burrandowan on 29 October. Thank you to Council's Local Disaster Recovery Administration Officer in particular who has played a big part in organising these events.

Parks & Gardens:

Proston/Hivesville/Durong

The disposal of chemical toilet waste in the Hivesville amenities caused a failure of the onsite septic system requiring the closure of the facility for almost a week. I would like to remind the visitors and residences of our region that chemical toilet waste can only be disposed of at appropriate dump points.

The shade sail was removed from the small playground beside the old Proston Hall and general maintenance of the area continues.

Kingaroy

Staff removed old timber sleepers from around playground equipment removed all the old damaged softfall in Rotary Park. Garden beds have also been rotary hoed and tidied up. Staff have installed 3 seats in the Apex Park lookout.

Coordinated tree trimming to accommodate street sweeper has been completed in the areas that were causing issues. All other street trees have been pruned or removed where needed in the River Rd, North St drain, Cowrie Drive areas.

The landscaping of Alford Street Carpark and Rogers Drive Roundabout has now been finalised and general maintenance continues across the area.

Taabinga Cemetery has received a tidy up with the old damaged concrete edging removed, garden and general maintenance continues.

Wondai, Murgon and Cemeteries

General maintenance, mowing and weed eating continues around the area with staff also attending to tree pruning and removals and Customer Service Requests with the Rail Trail programmed for October.

The Cemetery maintenance has been the main focus with fence lines in Memerambi, Wondai and Tingoorra have been cleared and tidied up along with Wondai Sports Ground fence line. Irrigating in the lawn areas continues twice a week in Wondai and Murgon. Work also commenced to re-align the plaques in the lawn cemetery as the dry weather continues to cause soil movement in these areas.

Parks team installed the Murgon pool shade sails in preparation for the upcoming season.

Nanango and surrounding area

Nanango cemetery has had a cleanup and most trees pruned. Streets, parks and surrounding reserves trees have been pruned and all dead tress removed for safety in parks. Works in the CBD area has been a focus for September with all timber oiling completed and the automatic irrigation is progressing in some of the main street gardens. General maintenance continues throughout the district.

The Maidenwell Community has been working towards finalizing the layout of the footpath around the public amenities and cenotaph areas.

Dams

BP Dam

The Day Area and Camping areas have continued to be maintained. The gutters on cabins and building have been cleared and tree maintenance has been completed throughout the park in readiness for the upcoming storm season. Storage sheds have been cleaned and general maintenance continues on these buildings.

Magpie season is in full swing and signs have been installed around the park to alert visitors to their presence. Council Staff cleaned and setup for the fishing comp prior to the event. Preparations have begun for the upcoming Troy Cassar-Daley concert.

Boondooma Dam

Boondooma has also seen good numbers of visitors during the September period. Similarly the gutters on Cabins and building has been cleared and tree maintenance has been completed throughout the park in readiness for the upcoming storm season. Turf around cabins has been loamed following the completion of the pathways.

Day area and all grounds have been fully mowed, weedeated and weed sprayed, Cabin and building gutters have been cleaned and general maintenance continues.

The local Magpies have also been active and signs have been installed to notify visitors of their presence. Council Staff setup marquees and ensured the area was well presented prior to the 2 fishing competitions.

With the COVID-19 border restrictions it seems more Queenslanders are rediscovering our fantastic region with both Dams reporting significant increases in visitor numbers for the month of September.

Facility	Occupants 2019	Occupants 2020	Increase/Decrease
Lake Boondooma	836	1945	+1109
Bjelke-Petersen	694	1309	+615

COVID-19

Signage remains in all parks and amenities, cleaning process is still undertaken by parks staff every week. Playground equipment is high pressure cleaned and disinfected. High use amenity blocks are cleaned daily and disinfected daily in Proston, Hivesville, Murgon and Wondai and weekly in all other areas. Additional soap dispensers have been installed at multiple amenities. Toilet rolls continue to

be a target in most of our amenities, including the use of battery toilet roll spooling devices to particularly target the jumbo rolls.

Property & Facility Management:

Swimming Season has commenced! All swimming pools opened for the September school holidays, heat pumps, solar systems, and blankets are fully operational in the Council owned swimming pools. Water temperature is warming up! Pool managers are anticipating attendance to increase as we move into the warmer months. Everyone that enters a Council pool facility will need to complete sign in and sign out documentation, sanitise hands and not enter if they are unwell or sick.

Pool managers are taking bookings for swimming lessons and exercise classes. The community is encouraged to directly contact the pool managers, contact details can be found on Council's website.

Quotations have been called for reroofing, floor covers, external and internal painting within Council buildings. Quotations have been called for floor sanding of timber floors for some of Council Halls and heritage buildings.

Council has called for quotations for design and reprinting some of the signs within the Kingaroy VIC, Museum and Art Gallery.

Design works have commenced on the Wondai Showgrounds Grandstand and the Nanango Cultural Centre Air conditioning and louver window replacement project.

Council is seeking tenders for the lease of land at Durong for development as a fuel outlet (part of Lot 1 on RP50789).

The intended outcome of the Tender is to provide private enterprise with the opportunity to develop an unmanned fuel outlet at the intersection of two major regional roads, Chinchilla Wondai Road and Mundubbera Durong Road, at Durong. The development of a fuel outlet at the location will support the transport and rural sectors in the region and facilitate economic development within South Burnett.

The tender documents are available from LG Tenderbox website www.lgtenderbox.com.au from Thursday 8 October 2020. This tender will close on 10 November.

Indigenous Affairs:

BYTE nights are starting again and will be held monthly with the first one being held on Saturday night 24 October at the Murgon pool. This has been a very successful program with Murgon and Cherbourg communities working with the PCYC to help address youth crime. The statistics are showing that this initiative along with work done by Youth Justice, the Police, CTC and a whole of community effort has helped with a huge reduction in youth crime.

Through Council's indigenous Affairs budget we have provided some funding to the South Burnett Aboriginal and Torres Strait Islander Group for painted face masks. This project has been all done in the South Burnett with the artwork being done by Val McGrath, the sewing by Kingaroy and Blackbutt/Yarraman CWA and the printing at ZEEBZ Printing in Kingaroy. Council had also helped with funding towards indigenous painting of three industrial bins at the top of Bunya Avenue near Allan Stirling Park at the Bunya Mountains. The artwork is led by Miri (Danon Anderson) who is an accomplished Wakka Wakka artist. JJ Richards have given their approval and have provided new company stickers for the bins. This project provides local artists the opportunity to express their connection to country, exhibit their work on country and tell their stories through art for all who pass by.

14 PORTFOLIO – ECONOMIC DEVELOPMENT

14.1 ECONOMIC DEVELOPMENT PORTFOLIO REPORT

RESOLUTION 2020/179

Moved: Cr Kirstie Schumacher

Seconded: Cr Danita Potter

That Cr Schumacher's Economic Development Portfolio Report to Council be received.

Economic Development Stimulator & Planning Incentives

I'm pleased to report, Council is currently investigating a range of potential incentives designed to stimulate development activity in our region. Over this next month, Council will continue to workshop and discuss these initiatives, aimed to make it easier for developers to do business with Council. This includes consideration of potential discounts to LGIP charges and adopting more flexible payment timeframes in a way that I believe will encourage immediate economic growth and employment opportunities in the South Burnett region.

Council has engaged in some preliminary discussions about its customer service charter and expectations, and the value in streamlining the assessment and turnaround timeframes for all building, planning and development applications.

It is my view these initiatives will stimulate further development activity, providing opportunities for longer term job creation and assist in terms of housing affordability in our region. I look forward to these continued discussions with my fellow colleagues, and the report to be brought before Council for decision by the end of this year.

Recreation, Cycling & Adventure Tourism

The South Burnett is fortunate to have established trail networks and cycling infrastructure, and I'm pleased to report its reputation as a cycling and mountain biking destination is growing.

Earlier this month, I met with the South Burnett Mountain Bike Club Secretary and Nanango Cycling Incorporated President to share ideas and discuss opportunities to grow recreation, cycling and adventure tourism in our region.

According to the data collected by these groups, there has been significant increase on the number of trail users, in comparison to 2019 and I'm pleased to report:-

- over 800 passes were made on the Wondai Rail Trail counter in August
- another 300-400 passes were made on the counters at the Wondai Mountain Bike Trails; and
- the two circuit rides that form The Link Trail at Nanango, are reporting around 300 cyclists per month during the winter season.

This data, combined with the growing number of domestic tourists looking to explore their own backyard, the diversity of our natural assets, our ideal location and proximity to major centres such as Brisbane, Gympie, Toowoomba and the coast, means we are well positioned for further investment in recreation, cycling and adventure tourism.

I'd like to acknowledge the extensive community support that has seen thousands of volunteer hours, dedicated community fundraising and significant investment made by both Council and our local business community (through both sponsorship and in-kind support), to get these trails and assets to the impressive standard in which they are in today.

As per Mountain Bike Australia's detailed Queensland Mountain Bike Strategy, the rapid growth and changing market trends are demanding greater diversity in mountain biking experiences, and this requires a coordinated approach to future investment in mountain biking infrastructure.

It's my view we have an opportunity to build on the hard work and commitment of our volunteers and capitalise on the sustainable development of trails, facilities and infrastructure in a way that aligns with these market trends, and elevates the South Burnett as premier destination for recreation, cycling and adventure tourism.

It is my view; Council has a key role to play in partnering with these organisations in ways that attracts further funding and continues to grow our visitor economy, by leveraging our existing investment in rail trail.

As my fellow Councillors know, Council entered into a partnership agreement with the South Burnett Mountain Bike Club and has provided some in-kind support to help with the development of a Mountain Bike Park at Gordonbrook Dam. In my meeting at the park, I walked their new mountain bike trail which climbs over logs, weaves through rocks, and offers a unique and quite beautiful challenge through what was previously vacant land. This trail has been made possible through some grant funding that the South Burnett Mountain Bike Club were successful in and is almost ready for opening – it's just awaiting some further funding for advisory signage.

While I was there, the Club Secretary provided me with an understanding for the grand concept to develop the space into a premier destination mountain bike park. A place for amateur riders, families, professionals and world class riders to build their skills, explore and enjoy the diversity of our region's landscapes. I'm keen to continue this collaboration by working with this group to seek further funding and look to ways in which we can together, bring our shared vision – to create a premier destination mountain bike park - here in the South Burnett to fruition. I look forward to further discussions with my fellow councillors about the potential of this project.

2020-2021 The Year of Indigenous Tourism

In September, I attended Southern Queensland Country Tourism's Conversation with Industry hosted by Tourism and Events Queensland (TEQ) and learned about the 2020 - 2021 Year of Indigenous Tourism, aimed to increase the profile and understanding of Indigenous tourism experiences in Queensland. I learned more about the industry trends that demonstrate there is a growing demand for authentic cultural experiences. It is my understanding the Year of Indigenous Tourism is set to celebrate First Nations experiences in Queensland and attract people from all around the world to learn and experience more about one of the world's oldest living cultures.

I would like to see the South Burnett become a partner in identifying these opportunities, and I've had some early conversations with the Department of State Development, Tourism and Innovation who are working towards developing a pipeline of Indigenous tourism opportunities across the state. I look forward to continuing these discussions and working with our neighbouring regions of Cherbourg, Toowoomba and Western Downs, to work together and acknowledge the cultural places of significance in our respective regions and share the stories of our first nations people in a respectful, meaningful and culturally appropriate way.

Agri-tourism opportunities

Over this past month, I met with committee members from the Farm to Fork collective, Saucy Fork chef, and local paddock to plate producer from HighBrit Beef, to learn more about their vision for agri-tourism in the South Burnett. As you know, our region is home to many incredible producers who work tirelessly every day to get their food and products onto the supermarket shelves. At this meeting, I learned more about the thousands of kilometers our food travels and the consequential effects on carbon emissions and impacts on the freshness of our groceries.

The Farm to Fork concept is about eating locally, supporting farmers, our community and tourists, to understand where their food comes from. Spanning from the idea of a creating a permanent farmers market, the aim is to provide one central store in the South Burnett where you can buy all of what our region produces in the same place. Just this last weekend, I was humbled by the opportunity to chair the first AGM, and I am currently working with the group to understand the funding opportunities on offer, and how we can work together to further grow agri-tourism in the South Burnett. I've also met with the Department of Agriculture and Fisheries, to understand some of the agri-tourism projects underway in our region. I look forward to these continued discussions and bringing information back to Council, in ways that will enable us to be apart of growing our visitor economy in the areas of agri-tourism.

Visit South Burnett Meeting with SQCT and TEQ

I'm pleased to report CEO, Mark Pitt and I joined Visit South Burnett Inc. Executive Members in a meeting with TEQ's CEO, Leanne Coddington, Destination Director Outback and Country Queensland, Matt Bron and SQCT chair, Dr Jane Summers and CEO, Peter Homan. The meeting offered an opportunity to discuss further collaboration in the South Burnett and potential funding opportunities for Local Tourism Organisation, Visit South Burnett. The meeting was positive and

challenged all of us to think about how we can work together to grow our visitor economy and strengthen the tourism industry in our region.

I see the development of the South Burnett's tourism strategy critical to our way forward. It is my view, that without a clear strategy, it is difficult for our region to drive outcomes that encourage collaboration across all stakeholder groups. This is a project, in which I see Council playing a partnership role, with SQCT, VSB and our local champions of the tourism industry and business community, to define our shared vision, our priorities and who will be accountable to these. This strategy would help Council to ensure its investment in infrastructure supports that supports the quality of life of our residents while meeting the needs of the tourism industry.

I've been seeking some advice about how we may be able to embark on this journey together and support the many direct and in-direct businesses, and community groups who are driving tourism outcomes in our region.

It is my view, our sustainability as a region depends on our ability to work together in ways that serve our shared interests and needs and empower the tourism industry and local business community to lead the change we want to see and deliver tangible outcomes for our region.

Creative Together Plan 2020 – 2030

It's my view that creativity is a catalyst for possibility, innovation and economic opportunity. It was a pleasure to explore this further at last week's South Burnett Arts Hour session with special guest Stephen Clark (*aha!goodthinking*) on the topic of - Creative Collaboration for Community Benefit. Stephen explored the important role of arts, culture and heritage in our economy and how it influences our quality of life. The Creative Together 2020-2030 Plan is the Queensland Government's 10 year roadmap for arts culture and creativity, and I'm keen to work with Cr Potter, and our region's many artists and performers, to together strengthen our arts community and find ways to build new partnerships and collaborate on exciting projects and concepts that will help drive economic outcomes, and support our region to thrive.

The Mayor congratulated GM Susan Jarvis on her first year anniversary with Council.

17 CONFIDENTIAL SECTION

RESOLUTION 2020/181

Moved: Cr Danita Potter

Seconded: Cr Gavin Jones

That Council considers the confidential report(s) listed below in a meeting closed to the public in accordance with Section 254J of the *Local Government Regulation 2012*:

17.1 Animal Impoundment Fee Waiver Request

This matter is considered to be confidential under Section 254J - f of the Local Government Regulation, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with other business for which a public discussion would be likely to prejudice the interests of the local government or someone else, or enable a person to gain a financial advantage.

17.2 Food Business Licence Fee Reduction Request

This matter is considered to be confidential under Section 254J - g of the Local Government Regulation, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with other business for which a public discussion would be likely to prejudice the interests of the local government or someone else, or enable a person to gain a financial advantage.

17.3 Proposal for Relief Funding to Wondai Garden Expo Inc.

This matter is considered to be confidential under Section 254J - g of the Local Government Regulation, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with other business for which a public discussion would be likely to prejudice the interests of the local government or someone else, or enable a person to gain a financial advantage.

17.4 Purchase of Commercial Property fronting Kingaroy Street Kingaroy

This matter is considered to be confidential under Section 254J - g of the Local Government Regulation, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with contracts proposed to be made by it.

17.5 Rate Exemptions and Remissions - Additions to Approved List - Assessment Number 10514-51000-000

This matter is considered to be confidential under Section 254J - d of the Local Government Regulation, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with rating concessions.

17.6 Additional Rate Concession Due to Inability to Generate Income Due to COVID-19 - Assessment Number: 10542-00000-000

This matter is considered to be confidential under Section 254J - d of the Local Government Regulation, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with rating concessions.

17.7 Customer Request: RV2020/1593 | Additional Rate Concession Due to Inability to Generate Income Due to COVID-19 - Assessment Number: 30278-00000-100

This matter is considered to be confidential under Section 254J - d of the Local Government Regulation, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with rating concessions.
