

Program Coordinator Maintenance

- **Highly autonomous leadership role**
- **Transition to leading edge operations**
- **Competitive remuneration package offered**

The South Burnett region is uniquely positioned to offer lifestyle and employment opportunities that other regions can only envy. The region covers a geographical area of approximately 8,400km² and is home to 32,500 people. Natural surrounds and rolling landscape give the region a relaxed atmosphere. An array of services, retail and events can be found across the region, along with high-quality educational, medical and recreational facilities. All this while being tantalisingly close to Brisbane and the Sunshine Coast.

Reporting to the Manager Works, you will provide leadership and direction to the Works Branch to promote and deliver high quality outcomes to the community and to contribute to the corporate governance and strategic planning of Council. Specifically, you will oversee all aspects of maintenance program development and implementation across the transport asset portfolio, lead the development of multiple programs including preparing plans, delivering effective and efficient scoping and scheduling, establishing appropriate governance, identifying, allocating and managing resources, and meeting reporting requirements to ensure outcomes are achieved.

To be successful in this role, you demonstrate high levels of leadership and strategic management experience in multi-discipline medium-sized organisations in the areas of civil construction. You enjoy building and developing high performing teams, focus on continuous improvement and are committed to leading edge technology programs that will modernise and take the works systems and processes to the next level.

Ideally you bring experience as a Works Manager or Coordinator gained in Local Government, a Degree in Civil Engineering or extensive experience, and a solution focussed approach to delivering services for the community.

To find out more about the opportunity and application process, obtain a comprehensive Candidate Information Pack - visit mcarthur.com.au and enter **145696** in the job search function.

For a confidential discussion, call **Julie Barr** on (07) 3211 9700.

Applications close COB 29 May 2023.
