ENG1. A contribution towards future road works and maintenance of Wattlegrove Road for the full length of the transport route shall be paid prior to the Compliance Certificate being issued. The current contribution is \$17,280 and this will be quarterly indexed as per the Consumer Price Index - Brisbane (CPI).

Stormwater Drainage

ENG2. The stormwater drainage system serving the site is to be design so that the postdevelopment flows at the point of discharge to all downstream properties including road reserves remains consistent with the pre-developed case. All engineering designs submitted to Council for engineering approval are to be certified by a Registered Professional Engineer of Queensland (RPEQ).

Environmental Protection

ENG3. Submit detailed silt management procedures, engineering drawings and an environmental management plan for approval prior to the commencement of works. All engineering designs submitted to Council for engineering approval are to be certified by a Registered Professional Engineer of Queensland (RPEQ).

Construction

ENG4. During the construction phase, install and maintain silt management facilities until the building works and operational works are completed and the site is turfed and landscaped.

Earthworks

ENG5. Any proposed earthworks shall be in accordance with Council's Planning Scheme Rural Locality Code - 020 - S20.1. Any proposed earthworks shall be undertaken in accordance with the Rural Locality Code, Element (g) within the Kingaroy Shire IPA Planning Scheme unless approved separately under a Development Permit for Operational Works.

Fencina

ENG6. Fencing, landscaping and letterboxes are not to impede sight lines for vehicles exiting the site.

Operational Works

ENG7. A separate Development Permit for Operational Works is to be obtained prior to the commencement of construction works:

- Stormwater layout plan and design details; and
- Environmental management works

Advice

ADV1. Section 341(1)(a) of the Sustainable Planning Act 2009 provides that, if this approval is not acted upon within the period of four (4) years the approval will lapse. Note that in accordance with section 341(7) a related approval may extend the relevant (currency) period.

- ADV2. This development approval does not authorise any activity that may harm Aboriginal Cultural Heritage. Under the *Aboriginal Cultural Heritage Act 2003* you have a duty of care in relation to such heritage. Section 23(1) provides that "A person who carries out an activity must take all reasonable and practicable measures to ensure the activity does not harm Aboriginal Cultural Heritage." Council does not warrant that the approved development avoids affecting Aboriginal Cultural Heritage. It may therefore, be prudent for you to carry out searches, consultation, or a Cultural Heritage assessment to ascertain the presence or otherwise of Aboriginal Cultural Heritage. The Act and the associated duty of care guidelines explain your obligations in more detail and should be consulted before proceeding.
- ADV3. Attached for your information is a copy of Division 8 of the *Sustainable Planning Act* 2009 as regards Rights of Appeal. With respect to Appeal Rights of Applicants, the following is drawn to your attention
 - a) the applicant's Appeal Period commences upon receipt of this advice and expires twenty (20) business days thereafter.
 - b) should the applicant notify the Assessment Manager (Council) in writing of acceptance of the conditions of approval and that it is not intended to make an appeal, the Applicant's Appeal Period is at an end.

Recovery and Resilience Teams

Recovery support and resilience building

What are Recovery and Resilience Teams?

Recovery and Resilience Teams (RRT) provide clinical community outreach services to help individuals and local communities recover from the social and emotional impacts from the floods and cyclones.

Recovery and Resilience Teams:

- · work with individuals to assess their need and the level of support required to help them in their recovery
- provide support and clinical care to people in their local communities and in a setting of their choice (e.g. their own homes, community clinics, general practice)
- work with other agencies to support the recovery and building of resilience in local communities
- place an emphasis on assertive therapeutic outreach and holistic care involving families, carers, primary care, private practitioners and organisations across the community sector.

What is recovery?

Recovery refers to the way in which individuals regain their strength, composure and balance after losing something or someone, and are able to live, work, learn and participate fully in their communities.

What is resilience?

Resilience is a quality that enables individuals and communities to rebound from adversity, trauma, tragedy, threats, or other stresses - and to go on with life with a sense of mastery, competence, and hope.

What services are provided by RRT?

The RRT delivers community outreach assessments and interventions to people who experienced trauma or were impacted by the disasters.

- · facilitate access to the most appropriate care for individuals or groups exposed to disaster related trauma
- involve families, carers, significant others in care
- assist with resilience building for individuals presenting with trauma related concerns
- · provide information and clinical advice.

Who will deliver these services?

RRT are multidisciplinary teams operating out of a variety of community settings. The teams are made up of a mixture of staff which may include:

- Nurses
- Occupational Therapists Psychologists
- Social Workers Psychiatrists
- Culturally and Linguistically Diverse (CALD) workers
- Aboriginal and Torres Strait Islander workers
 Administration Officers.

What does the service cost?

The service is free for community members who were affected by the floods or cyclones.

How can I contact the Recovery and Resilience Teams?

There are numerous ways you can contact RRT. These include:

- . contacting your local RRT directly on (07) 4699 8952
- calling 13 HEALTH (13 43 25 84)
- speaking to your local primary care provider (e.g. your doctor)
- · contacting your local Mental Health Service.

AGENDA ITEM	ACTION
OPENING	Cr Keith Campbell welcomed all in attendance and opened the meeting at 10.40am.
CONFIRMATION OF MINUTES	Moved by Cr Duff, Cr Tessmann seconded, that the Minutes of the Traffic Advisory Committee held at Wondai on 27 November 2012.
BUSINESS ARISING FROM MINUTES	
(a) Markwell/Kingaroy Street lights	James D'Arcy reported that this project will be funded under the Blackspot and will be funded by TDMR under the SRS program. SBRC is waiting for a Ministerial announcement and we are unable to make comment until that is done.
(b) Laabinga SS	SBRC are aware of what needs to be done at Taabinga SS. There needs to be further consultation with the school with funding of the relocation and linemarking to be included in future budgets (south of Knight Street is a Council asset).
	Cr Tessmann noted there was no park zone or clearway near the school which made it a bottleneck.
	John Kersnovski advised that when the pedestrian crossing is relocated to the new intersection, parking on the western side of the street may be prevented during school times.
	Action: James D'Arcy to arrange consultation with the school and include this project in a future budget.

Traffic Advisory Committee Minutes 26 March 2013

Traffic Advisory Committee Minutes 26 March 2013

GENERAL BUSINESS (a) Request from David Muller via Cr Tessmann	Request to consider the following roads / streets be approved for B Double use: Via King Street to access Swickers and the Peanut Silos for trucks travelling from the North. Via Somerset Street to access Swickers and the Peanut Silos for the truck from the South. Via River Road for trucks heading North, South or West.
	James D'Arcy reported that Somerset Street is a permitted route not 'as of right' route and that River Road has some permit routes but this needs to be investigated and report to next meeting.
	Action: Technical Services will report back to next meeting.
	Action: Kay to send a letter to Mr Muller advising he or his company can seek approval from DTMR as there is no need to come through TAC.
(b) Request from Marion Petersen via Cr Tessmann	
1. Request to change from Stop on Fisher St / Moore St.	1. Action: Technical Services will investigate further and report to next meeting.
ringardy mensection to a Give way sign.	DTMR need to have a certain volume of traffic to make these changes and it could also mean a total rebuilt of that intersection to allow it to comply. There is no money in the budget.
 Request for turning arrows to be installed in the signals for traffic turning from Fisher St onto Haly St, Kingaroy. 	2. Action: (1) DTMR to investigate and respond to Mrs Petersen. Kay to forward email to Peter Van Eysden.
An additional issue with that intersection was raised by James D'Arcy who believes there is not enough green time on that intersection.	3. Action: DTMR will have a look at this as well
(c) Requests from Cr Duff	
1. Durong State School is requesting parking signage for the School bus and reduced speed past the school.	1. Cr Duff tabled a letter from Durong SS along with photos. Currently this is a bitumen sealed area but there are no markings. The suggestion of reducing the speed limit to 40 kph.
	Action: DTMR to investigate and report back to next meeting
2. Request for the 80 kph speed limit coming out of Murgon towards Wondai to be lengthened out to 100 metres past the Byee turnoff.	 There are 7 entrances that come off Bunya Highway. Sgt Slatter reported that this was south of the former meatworks site. Speed zones were changed a few years ago after a fatality and there has been another fatality recently. Road side grass very overgrown around driveways.

Traffic Advisory Committee Minutes 26 March 2013

	Sgt Slatter agreed with a reduction in speed in that area down to the Byee turnoff. Road has curvature and therefore cars will be slowed down by the time they get to Murgon township.
	DTMR's Peter Van Eysden commented that this was a rural area and felt it was difficult to achieve an 80 kph as it is approximately a 1 km stretch. He also felt this could create a false sense of security for residents.
	Action: DTMR to undertake a speed trial for speed data and report back to next meeting.
12 md: Cr Campbell left the meeting and Cr Tessmann took over as Chair.	
(d) Recent accident at Albert and Kent Street intersection.	Acting Snr Sgt Jason Newton advised that the speed limit was 50 kph on both roads. Police accident statistics show an average of 1 crash a year, with 9 in the last 10 years and 7 of those were non-injuries.
	Police do not think there are visibility issues however the intersection could benefit from a Stop Sign.
	Action: Technical Services will do a further investigation and do an independent assessment and take into consideration the Police view and James D'Arcy will report to the next meeting.
REPORTS	
Kingaroy & Nanango Police	Acting Snr Sgt Jason Newton (from Nanango Police) was relieving in Kingaroy at present – no issues that he was aware of however he had only been in seat 2 days. All quiet in Nanango.
Kumbia Police	
Matters referred to next meeting from November	Snr Sgt Frank presented a list of items on behalf of Sgt Ben Neville.
	The following items were discussed: • Reduction of speed limit in Bell Street, Kumbia (60 to 50 kph) • Increased signage at the 40 kph school zone
	Snr Sgt Frank felt that speed should be left as is for now given what is happening at the school i.e. school zone lights and the possibility of another school zone sign. • Repositioning 100 kph sign on the Kingaroy side of Kumbia. Action: Meeting agreed for this to be done and TMR will follow-up.
	 School bus signs on Parker Road, Ellesmere (near Pauls Parade).

Traffic Advisory Committee Minutes 26 March 2013

	Jeff Stephan (SBRC) advised that the major work has been completed and this should be a temporary situation. Jeff acknowledged that Parker Road is an 'S' bend and is currently in a bad condition.
	Action: Snr Sgt Frank will follow up with relevant players i.e. any trucks on that bus route.
Murgon	Sgt Ken Slatter raised the issue of using fixed road closure barriers during flood periods. He suggested swinging road closure gates that could be locked open when the road wasn't closed. Sgt Slatter used the example of the bus that travelled in a very roundabout way to get to their destination and ended up stranded at Moffatdale.
	Jeff Stephan said he could see the advantage with fixed barriers and felt it was worth investigating. Many instances of people going around barriers were noted in recent events. Thinks it could work in areas that flood regularly.
	As a matter of practice SBRC will put Road Closed ahead including on side roads.
	Action: DTMR will investigate and report to next meeting.
	Cr Duff noted that Proston/Boondooma and Mundubbera / Durong people are completely isolated in floods and there is not road signage available for this area. Cr Duff and SBRC staff placed whatever signs they could find.
	Action: Jeff Stephan to talk to his staff about this matter.
Main Roads D'Aguilar Highway / Maidenwell turnoff on the southern side of Nanango	DTMR have received a request to extend the 80 kph zone southwards beyond the intersection. This will highlight the activities the activities occurring in the area and the approach to Nanango. Both are State controlled roads.
	Snr Sgt Jason Newton reported that Police issue notices to a lot of people in this area and they would be agreeable. Action: DTMR's Peter Van Eysden moved seconded A/Snr Sgt Newton seconded that this be supported. Carried
Qid Transport	Maree Shepherd reported that two Driver Reviver places in the South Burnett i.e. Yarraman and Wondai are in place for the Easter holidays. Maree also noted that the parking area at the back of the driver reviver building at Dingo Creek needs attention. Jeff Stephan will see that this is attended to.

9.2 Technical Services

9.2.1 TS - 1109571 - Request to name an existing road reserve

Summary

A request has been received to name an existing unformed road reserve, off Heights Road, in Barker Creek Flat.

The name requested is Bradford Road in recognition of the long term family ownership of property in the area.

The family property, Lot 103 on Plan Fy.624, is less than one kilometre from the un-named road reserve and Survey Plan Fy.624, dated 1910, shows that the Bradford family owned Lot 103 at that time.

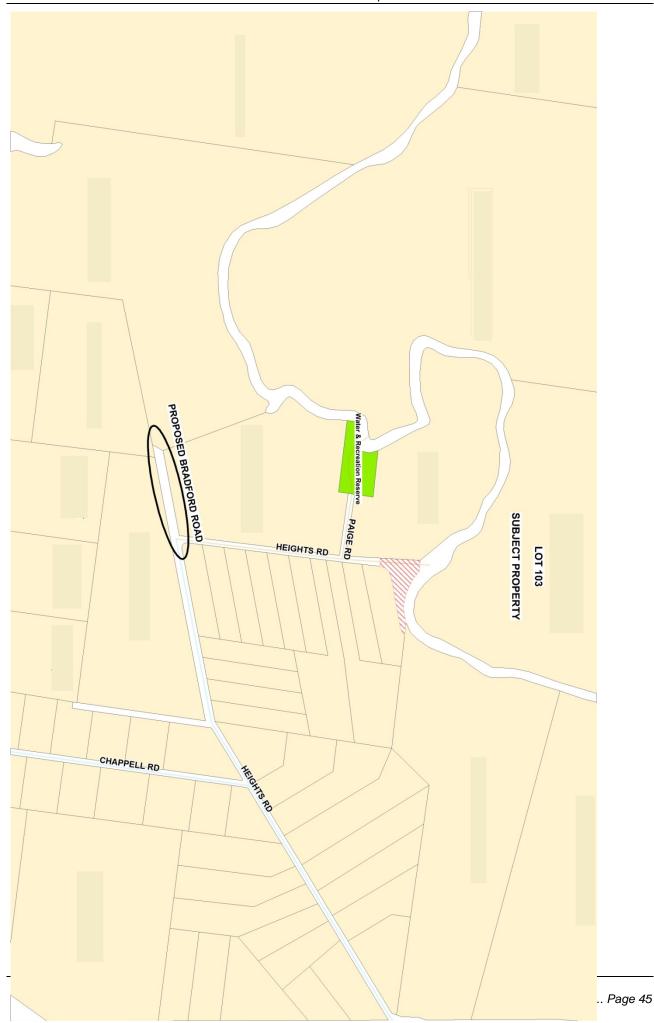

Council records show Lot 103 is currently held by A and H Bradford.

The requested name of Bradford Road is not currently in use in South Burnett Regional Council area.

Officer's Recommendation

It is recommended that Council:

- Approve the road name 'Bradford Road' for the section of road reserve as shown on attached sketch.
- 2. Advise the customer that Council:
 - (a) approves the name Bradford Road as requested.
 - (b) will not erect a road name sign due to the road being unformed.
 - (c) will not program any improvements to the road in the foreseeable future.
- Advise Department of Natural Resource Management of these changes for updating their database.
- 4. Amend Council's Road Name Register accordingly.

Moved Cr BL Green, seconded Cr KM Campbell.

That subject to consultation with the landowners on the portion of Heights Road adjoining Paige Road that the section of the road be renamed Bradford Road.

Carried 5/0 FOR VOTE - Councillors voted unanimously ABSENT. DID NOT VOTE - Cr DJ Palmer, Cr DP Tessmann

- 10. Water & Wastewater
- 10.1 Water & Wastewater
- 10.1.1 W&WW 1150415 Kingaroy Waste Water Treatment Plant Upgrade Response to Enforcement Advice and Treatment Option Selection

Summary

Council has received two (2) letters of warning from the Department of Environment and Heritage Protection in the past 3 months, advising Council of likely enforcement action for non-compliance with conditions, should Council not proceed with the upgrade of the Kingaroy WWTP and submit a Development Application by June 2013. To comply with this timing requirement, Hunter Water Australia (HWA) have undertaken a detailed options analysis for the upgrade of the Kingaroy WWTP in accordance with the engagement under contract SBRC 12/13-07 – Design and Document Kingaroy Wastewater Treatment Plant. This represents Stage 2 of the engagement which required the consultants to consider a range of options and recommend, in consultation with Council, a preferred option to proceed to detailed design. The selection of a preferred process option will allow Concept Designs to be undertaken and a Development Application made to Council and DEHP.

Officer's Recommendation

That Council adopt the following:

- 1. The upgrade of the Kingaroy Wastewater Treatment Plant be based on an oxidation ditch treatment process with aerobic digestion;
- 2. Council and Hunter Water Australia prepare a Development Application including a Review of Environmental Factors to confirm the water quality, noise and odour requirements with the Department of Environment and Heritage Protection; and
- 3. The Chief Executive Officer be authorised to submit said Development Application to Council and the Department of Environment and Heritage for the upgrade by 28 June 2013.

Officer's Recommendation

That Council *approve* the applicants request for a Development Permit for Material Change of Use (Extractive Industry) on Lot 39 on BO150 located at 915 Hodges Dip Road, Kingaroy subject to the following conditions;

General

GEN1.

The subject site is to be developed generally in accordance with application material prepared by Crawford's Sand and Gravel Supplies, received by Council on 19 October 2012 and subject to the following requirements:

- The total amount of material extracted is limited to 10,000 cubic meters in any 12 month period as specified by the Department of Environment and Heritage Protection (DEHP)
- GEN2. The applicant is required to maintain the site in a clean and orderly state at all times.
- GEN3. Dust prevention measures are to be undertaken to ensure that dust does not cause a nuisance to occupiers of adjacent premises during extraction operations.

Compliance Assessment

GEN4. All conditions of this approval are to be satisfied prior to Council issuing a Compliance Certificate for the commencement of the use, and it is the applicant's responsibility to notify Council to inspect compliance with conditions.

A Compliance Certificate fee will be charged, with payment required prior to Council approval of the associated documentation requiring compliance assessment.

Waste Storage

MCU1. Provision must be made for the storage and removal of refuse in accordance with the *Environmental Protection (Waste Management) Regulation 2000.*

Hours of Operation

- MCU2. Hours of operation for the approved use (excluding maintenance) are between 7am to 5pm Monday to Friday and 8am to 1pm on Saturday.
- MCU3. No operations are to be conducted on a Sunday or on public holidays.

Roads and Access

ENG1. A contribution towards future road works and maintenance of Wattlegrove Road for the full length of the transport route shall be paid prior to the Compliance Certificate being issued. The current contribution is \$17,280 and this will be quarterly indexed as per the Consumer Price Index - Brisbane (CPI).

Stormwater Drainage

ENG2. The stormwater drainage system serving the site is to be design so that the postdevelopment flows at the point of discharge to all downstream properties including road reserves remains consistent with the pre-developed case. All engineering designs submitted to Council for engineering approval are to be certified by a Registered Professional Engineer of Queensland (RPEQ).

Environmental Protection

ENG3. Submit detailed silt management procedures, engineering drawings and an environmental management plan for approval prior to the commencement of works. All engineering designs submitted to Council for engineering approval are to be certified by a Registered Professional Engineer of Queensland (RPEQ).

Construction

ENG4. During the construction phase, install and maintain silt management facilities until the building works and operational works are completed and the site is turfed and landscaped.

Earthworks

ENG5. Any proposed earthworks shall be in accordance with Council's Planning Scheme Rural Locality Code - 020 - S20.1. Any proposed earthworks shall be undertaken in accordance with the Rural Locality Code, Element (g) within the Kingaroy Shire IPA Planning Scheme unless approved separately under a Development Permit for Operational Works.

Operational Works

ENG7. A separate Development Permit for Operational Works is to be obtained prior to the commencement of construction works:

- Stormwater layout plan and design details; and
- Environmental management works

Advice

- ADV1. Section 341(1)(a) of the Sustainable Planning Act 2009 provides that, if this approval is not acted upon within the period of four (4) years the approval will lapse. Note that in accordance with section 341(7) a related approval may extend the relevant (currency) period.
- ADV2. This development approval does not authorise any activity that may harm Aboriginal Cultural Heritage. Under the *Aboriginal Cultural Heritage Act 2003* you have a duty of care in relation to such heritage. Section 23(1) provides that "A person who carries out an activity must take all reasonable and practicable measures to ensure the activity does not harm Aboriginal Cultural Heritage." Council does not warrant that the approved development avoids affecting Aboriginal Cultural Heritage. It may therefore, be prudent for you to carry out searches, consultation, or a Cultural Heritage assessment to ascertain the presence or otherwise of Aboriginal Cultural Heritage. The Act and the associated duty of care guidelines explain your obligations in more detail and should be consulted before proceeding.
- ADV3. Attached for your information is a copy of Division 8 of the *Sustainable Planning Act* 2009 as regards Rights of Appeal. With respect to Appeal Rights of Applicants, the following is drawn to your attention
 - a) the applicant's Appeal Period commences upon receipt of this advice and expires twenty (20) business days thereafter.
 - b) should the applicant notify the Assessment Manager (Council) in writing of acceptance of the conditions of approval and that it is not intended to make an appeal, the Applicant's Appeal Period is at an end.

Resolution:

Moved Cr CD Dalton, seconded Cr BL Green.

Advice

- ADV1. Section 341(1)(a) of the Sustainable Planning Act 2009 provides that, if this approval is not acted upon within the period of four (4) years the approval will lapse. Note that in accordance with section 341(7) a related approval may extend the relevant (currency) period.
- ADV2. This development approval does not authorise any activity that may harm Aboriginal Cultural Heritage. Under the *Aboriginal Cultural Heritage Act 2003* you have a duty of care in relation to such heritage. Section 23(1) provides that "A person who carries out an activity must take all reasonable and practicable measures to ensure the activity does not harm Aboriginal Cultural Heritage." Council does not warrant that the approved development avoids affecting Aboriginal Cultural Heritage. It may therefore, be prudent for you to carry out searches, consultation, or a Cultural Heritage assessment to ascertain the presence or otherwise of Aboriginal Cultural Heritage. The Act and the associated duty of care guidelines explain your obligations in more detail and should be consulted before proceeding.
- ADV3. Attached for your information is a copy of Division 8 of the *Sustainable Planning Act* 2009 as regards Rights of Appeal. With respect to Appeal Rights of Applicants, the following is drawn to your attention
 - c) the applicant's Appeal Period commences upon receipt of this advice and expires twenty (20) business days thereafter.
 - d) should the applicant notify the Assessment Manager (Council) in writing of acceptance of the conditions of approval and that it is not intended to make an appeal, the Applicant's Appeal Period is at an end.

Carried 5/0 FOR VOTE - Councillors voted unanimously ABSENT. DID NOT VOTE - Cr DJ Palmer, Cr DP Tessmann

11.3 Financial Planning

11.3.1 FP - 1155153 - 2013 Budget Revision

Summary

A review of the 2013 Budget has been undertaken as at 31 March 2013. The Operational Budget for the third quarter forecasts an overall deficit of \$6,527,236 compared to the projected half year result of \$6,792,650. However, once the impact of flood damage restoration works are removed and carried forward funds from 2011/12 are taken into account; the net operating result is predicted to be a surplus of around \$113,000. This is an improvement since the last review but is significantly down from the original forecast of a surplus of \$1,773.178.

The Capital Budget Estimates have been reduced by \$821,700 from the December review. \$612,000 of this change relates to the timing of the receipt of the Daf Plant funding.

The tables below show the projected changes compared to original budget for each of relevant functions of Council for both Operational and Capital.

1. PURPOSE

The purpose of this policy is to ensure a fair, equitable and transparent framework applies in relation to the allocation of monies from the Councillor's Discretionary Funds for community purposes that benefit the community of the South Burnett region, in accordance with the *Local Government Act 2009* and the *Local Government Regulation 2012*. The policy also details the annual reporting requirements for Councillor Discretionary Funds under Section 189 of the *Local Government Regulation 2012*.

2 SCOPE

Pursuant to section 202 of the *Local Government Regulation 2012*, a Councillor may use any councillor discretionary funds in the following ways:

- a) spend for a community purpose;
- b) allocate for capital works of the local government that are for a community purpose, but only with the approval of
 - if the councillor is the mayor the deputy mayor and the chief executive officer;
 or
 - (ii) otherwise the mayor and the chief executive officer;
- c) allocate to a community organisation for a community purpose.

3. POLICY STATEMENT

This Policy is to provide a framework for the allocation of funds from any Councillor Discretionary Fund pursuant to the *Local Government Act 2009* and the *Local Government Regulation 2012*.

- 3.1 Each year the Council may determine that funds shall be set aside in each new budget for the purpose of meeting requests for financial assistance from community organisations as decided upon by the Mayor and Divisional Councillors.
- 3.2 Separate expenditure accounts shall be established for the Mayor and each divisional Councillor within the Governance Branch budget for this purpose and funds will be allocated to each expenditure account in accordance with the Council's Annual Budget.
- 3.3 Section 202 of the *Local Government Regulation 2012* prescribes the requirements that Councils must follow in administering Councillors discretionary funds.

Page 1 of 3

- 3.4 In accordance with Council's *Community Assistance Policy* and clause 3 of this policy, the Mayor and each divisional Councillor is authorised to recommend funding allocation not exceeding the annual allocation adopted by Council in its annual budget, subject to the eligibility criteria in paragraph 3.5.
- 3.5 The following eligibility criteria will apply to all requests:
 - Funding must be allocated in accordance with the Local Government Act 2009, Local Government Regulation 2012 and Council's Community Assistance Policy;
 - Not-for-profit organisations must be community based and provide services and activities of benefit to the region and its communities in the South Burnett Regional Council geographical area;
 - Not-for-profit organisations operating gaming machines will not be eligible for financial assistance:
 - d) Political parties are ineligible for funding;
 - Requests must be in writing setting out details of the request and its purpose where possible;
 - f) State and Commonwealth government agencies will not be eligible for financial assistance with the exception of School Award Nights;
 - g) Applicants shall have no outstanding debt with Council (including rates);
 - Council's funding involvement and support must be appropriately acknowledged with opportunities provided for Council publicity and participation at key activities;
 - Not-for-profit organisations who have not acquitted under the Community Assistance Policy
 or other Council funded programs are not eligible for further funding until the acquittal report
 is submitted and approved by Council; and
 - j) Funding is available for one off projects.
- 3.6 Having satisfied themselves that a request complies with paragraph 3.5 above, the Mayor and divisional Councillors shall be authorised to recommend allocations from their individual Discretionary Fund as set out below:
 - a) The Discretionary Fund requests shall be by way of a "Councillors Discretionary Fund Authority Form", completed by the Councillor and referred to the Manager Governance who will be responsible for:
 - (i) assessing the application against this policy and Council's Community Assistance Policy; and
 - (ii) where appropriate, authorising the processing of the Councillor recommended allocation.
- 3.7 In accordance with section 202 of the *Local Government Regulation 2012*, the Manager Governance will maintain a record of all allocations approved under the Mayor's and Councillors' Discretionary Fund and will publish on Council's website and display in Council's public office, the amount and purpose of any allocation and where an amount has been allocated to a community organisation, the name of that community organisation.
- 3.8 In accordance with section 189 of the Local Government Regulation 2012, the Manager Governance will keep a record of Grants to Community organisations under the Councillor

1. POLICY STATEMENT

This policy is formulated to meet the requirements of Chapter 5 Part 1 Section 164 (1) (a) and (b) of Local Government Regulation 2012 regarding the requirement to keep a written record stating risks Council's operations are exposed to, to the extent they are relevant to financial management and the control measures adopted to manage the risks. This policy also adheres to the AS/NZS ISO 31000:2009 Risk management – Principles and guidelines (refer to Annex A)

2. SCOPE

This policy applies to

- All Council activities, including entities over which Council has direct ownership, management, sponsorship or financial control
- All Council officers, contractors, the officers and Committee members of related entities, involved in and with responsibility for contributing towards the achievement of Council's objectives, asset management and reporting responsibilities.

3. POLICY OBJECTIVES

The objective of this policy is to establish an enterprise risk management that incorporates principles to ensure the effective and efficient assessment, evaluation and treatment of Council's operational and strategic risks. It also aims to establish the integration of risk management practices and procedures into all organisational processes. The policy intends to align risk management with future Corporate Plans following community consultation.

An effective enterprise risk management will:

- · Contribute to the achievement of strategic priorities as specified in Council's Corporate Plan
- Facilitate open and transparent communication and consultation between Councillors, the Executive Team, managers and employees in defining aspects related to the identification, analysis, evaluation and treatment of strategic and operational risks Council is exposed to
- Enhance corporate governance by promoting a structured and systematic approach to Council's decision making processes
- Promote a proactive and dynamic perspective in handling and monitoring emerging new risks
- Recognise the capabilities, perceptions and intentions of external and internal stakeholders that can facilitate or deter the achievement of organisational objectives

· Facilitate continual improvement of the organisation

4. BACKGROUND AND/OR PRINCIPLES

Council recognises the need for an enterprise wide risk management process that will embody the assessment and prudent management of strategic and operational risks. Council will undertake the implementation of a risk management policy that will provide reasonable assurance that strategic and operational objectives will be achieved within a tolerable degree of residual risk.

5. POLICY DETAILS

Commitment to enterprise wide risk management

Council and the Executive Team view enterprise wide risk management as an important and strategic initiative towards providing reasonable assurance that organisational objectives as indicated in the Corporate Plan will be achieved through the identification and efficient management of potential risks. A commitment to effective enterprise risk management will help Council attain long term sustainability and meet community expectations.

Good corporate governance will be promoted by encouraging a culture of prudent risk taking within the tolerable risk limits of the organisation in making informed decisions about opportunities.

Link between strategic priorities and risk management

The policy establishes the link between the achievement of Council's strategic priorities, goals and objectives by integrating risk management into all the organisational processes in a way that is relevant, effective and efficient. Enterprise risk management will be embedded into the policy development, business and strategic planning and review and change management processes.

Accountability and responsibility

Risk management is the responsibility of everyone in Council. Risk owners that have the accountability and authority to manage risks will be identified. Risk management responsibilities will be incorporated in employees' position descriptions.

A Risk Management Framework will be developed to indicate the specific accountabilities and responsibilities related to the enterprise risk management process.

Resources

Appropriate resources such as people, skills, competence, experience, documented procedures and processes, information and knowledge systems shall be made available for the managing of risks.

Communication and consultation

The policy and key components of the enterprise risk management framework and plan will be properly communicated and disseminated to all stakeholders through internal and external communication and reporting mechanisms. Continuous and effective consultation with stakeholders will be an integral element of the enterprise risk management plan.

Monitoring and review

The Risk Management Policy, Framework and Plan will be reviewed on an annual basis by the Audit Committee to evaluate and assess the progress of risk management efforts. This will ensure

Page 2 of 3

that the policy, framework and plan are updated, aligned with the strategic priorities and appropriate to Council's internal and external context.

Quality assessment

Performance relating to the effectiveness and efficiency of the design and operation of the enterprise risk management process will be measured and reported through internal and/or external evaluations and assessments conducted through the authority of the Audit Committee.

POLICY STATEMENT

This policy has been formulated to meet the requirements of Section 105 of the Local Government Act 2009 regarding the establishment of an Audit Committee.

SCOPE

This policy and the attached *Audit Committee Terms of Reference* will apply to Council's elected members, employees and external representatives appointed to the Audit Advisory Committee.

The scope of responsibilities of the Committee includes an oversight function for the following aspects of Council's activities:

Internal controls and policies
Financial management and reporting
Internal audit
External audit
Governance processes
Risk management
Legislative compliance
Operational efficiency and performance

POLICY OBJECTIVES

The objectives of this policy are to:

- establish an Audit Committee that reviews the integrity of financial documents, monitors the internal audit and risk management functions and oversees the effectiveness and objectivity of internal audit and risk management
- provide a framework in which the Audit Committee would operate;
- demonstrate Council's commitment to open and accountable governance;
- comply with legislative requirements

BACKGROUND AND/OR PRINCIPLES

Council acknowledges and will abide by the requirement of *s105* of Local Government Act 2009 and the provisions of *s208* to 211 of the Local Government Regulation 2012 regarding the establishment of an Audit Committee that will assist Council in obtaining assurance that internal control and risk management functions are operating effectively and reliably.

Page 1 of 2

POLICY DETAILS

Authority

The main responsibility for financial and risk reporting, governance, compliance with legislation, standards and ethical requirements within Council rest with management. The Committee has only an oversight function and therefore exercises a monitoring and assessment role. Close coordination with management is needed in carrying out the Committee's duties and responsibilities

The *Terms of Reference* set out the specific responsibilities delegated by Council to the Audit Committee and details the manner in which the Committee will operate.

Independence and access

The Audit Committee will closely coordinate with management, the external auditor, the internal auditor and risk management coordinator in carrying out its responsibilities. The primary responsibility for financial reporting, governance and control processes, compliance with legislation and ethics within Council rests with management. The Audit Committee only has a review and monitoring role over these functions.

The Audit Committee will have unrestricted access to all Council information, documents, assets and personnel for the purpose of conducting or authorising investigations within the scope of its responsibility and be provided with adequate resources in the fulfillment of its oversight function.

Due care and diligence

The Committee will assist Council in the performance of its 'due care and diligence' duties related to the efficient and effective delivery of Council services. The Committee may initiate special investigations as necessary or as directed by Council in relation to matters specified in this policy.

Reporting responsibility

The Audit Committee shall report to Council and provide recommendations regarding the improvement of internal control systems and risk management. It shall review the annual internal audit plan and the risk management policy and framework to ensure that control measures are in place to minimise material business risks.

1. POLICY STATEMENT

This policy has been formulated to meet the requirements of Section 105 of Local Government Act 2009 regarding the establishment of an efficient and effective internal audit function.

2. SCOPE

This policy and the attached Terms of Reference applies to

- all Council activities, including entities over which Council has direct ownership, management, sponsorship or financial control
- all Council officers, contractors, the officers and Committee members of related entities, involved in and with responsibility for contributing towards the achievement of Council's objectives, asset management and reporting responsibilities.

3. POLICY OBJECTIVES

The objective of this policy is to establish an effective and efficient internal audit function that will provide independent, objective assurance and consulting services designed to add value and improve the organisation's operations.

An effective internal audit function will:

- Assess and evaluate Council's processes, procedures and internal control environment to assist with the management of operational risks
- Appraise the relevance, reliability and integrity of management, business systems, financial and operating records and reports
- Provide assurance and assist the CEO and management in the effective discharge of their responsibilities, by providing them with analyses, appraisals, recommendations and information concerning the activities reviewed
- Review compliance with Council policies and procedures, legislative requirements and regulations
- · Embed a culture of continuous improvement practices across Council

4. BACKGROUND AND/OR PRINCIPLES

Council recognises the relevance of strengthening governance and control systems through the

Page 1 of 3

establishment of an efficient and effective internal audit function. In compliance with s207 of the Local Government Act 2009, Council will carry out an internal audit activity for each financial year that will cover the preparation, implementation and monitoring of an internal audit plan that focuses on the assessment and evaluation of control measures related to the organisation's operational risks.

5. POLICY DETAILS

Independence and objectivity

The internal audit function has to be independent, and objectivity must be exercised in the conduct of internal audit work. Internal audit engagements shall be performed with an unbiased and impartial attitude.

Internal audit shall not be involved in the day to day operations of Council and therefore shall have no managerial authorities or duties except those related to the management of the internal audit function.

Internal audit may be involved in steering Committees in an advisory or observer status for the purpose of providing consultative information with regard to system design and implementation.

Authority and access

Internal audit shall have direct and unrestricted access to Council and management. It is authorised to review all areas of Council and to have full, free and unrestricted access to Council's operations, data and records, assets and personnel within the scope of internal audit work as discussed with the respective General Manager/Manager.

Organisational independence

The internal audit activity shall be free from interference or influence in determining the scope of internal audit work, the frequency and timing of examinations and the communication of audit results.

Audit approach

A risk based internal audit approach shall be implemented each financial year. The internal audit plan will state the way in which the operational risks have been evaluated, the most significant operational risks identified from the evaluation and the control measures that Council has adopted, or is to adopt, to manage the most significant operational risks. Relevant accounting documents will also be considered in the preparation of the internal audit plan.

Reporting responsibility

The internal audit function will report to the CEO and the Audit Committee.

An internal audit progress report will be prepared and presented to the CEO and Audit Committee for each financial year. This report will state the control measures that Council has adopted that were assessed by internal audit; the method in which the internal audit was conducted; the observations and recommendations of internal audit and management's response to the audit recommendations.

Assurance Services- involve the impartial evaluation of evidence to provide an independent opinion on governance, risk management and control processes of Council (adopted from the International Standards for the Professional Practice of Internal Auditing)

Consulting Services - are conducted upon request of a specific unit or audit client and are intended to add value to existing governance and risk policies and procedures without the internal auditor assuming management responsibility. (adopted from the International Standards for the Professional Practice of Internal Auditing)

Governance – the combination of processes and structures implemented by Council to inform, direct, manage and monitor the activities of the organisation toward the achievement of its objectives (adopted from the International Standards for the Professional Practice of Internal Auditing)

Independence – the freedom from conditions that threaten the ability of the internal audit activity to carry out internal audit responsibilities in an unbiased manner. (adopted from the International Standards for the Professional Practice of Internal Auditing)

Internal Audit – is the assessment and evaluation of the control measures that Council has adopted, or is to adopt, to manage the operational risks to which Council is exposed to. (adopted from the International Standards for the Professional Practice of Internal Auditing)

Objectivity – an unbiased mental attitude that allows internal auditors to perform engagements in such a manner that they believe in their work product and that no quality compromises are made. Objectivity requires that internal auditors do not subordinate their judgment on audit matters to others. (adopted from the International Standards for the Professional Practice of Internal Auditing)

Risk - effect of uncertainty on objectives (ISO Guide 73:2009, definition 1.1)
