Corporate Risk and Audit Advisory Committee

South Burnett Regional Council

BACKGROUND INFORMATION

South Burnett Region

Situated inland from the Sunshine Coast and an easy two-hour drive from Brisbane, the South Burnett is a great place to make home.

In the past our region was probably best known for peanuts. But beyond Kingaroy's famous moniker of the 'Peanut Capital of Australia', the South Burnett offers much more. Our residents enjoy a relaxed country lifestyle, contrasted with abundant opportunities and possibilities afforded by our innovative industries. From agriculture, manufacturing, mining and renewable energy, to art, culture, tourism, health and quality education, the South Burnett really does have it all.

The region is blessed with rich agricultural land that produces high-quality agricultural products for both domestic and international markets including peanuts, navy beans, maize, wheat, grain, dubosia and sorghum. The region also boasts Swickers - Queensland's only export accredited pork abattoir. The local wine industry is gaining momentum, producing award-winning wines that can be paired with produce direct from farm to plate.

Kingaroy is the hub of the South Burnett and has an airport, bus services to Brisbane, a shopping centre, Government agencies and many facilities generally expected in much larger centres. All townships within the region support a vigorous sporting and social lifestyle with facilities such as museums, art galleries, shopping centres, indoor/outdoor sporting facilities, parks and green spaces, local theatre groups, annual festivals and music venues.

The timber-town of Blackbutt is home to Australia's only annual avocado festival. Historical Nanango is considered Queensland's fourth oldest town and has a number of heritage-listed sites including Ringsfield House, the Nanango Court House and the Butter Factory. Further to the north, 12km from Murgon, is the spectacular Bjelke-Petersen Dam. Another lake in the region popular for fishing is Lake Boondooma.
