## ADVISORY NOTES

The following notes are included for guidance and information purposes only and do not form part of the assessment manager conditions:

### STANDARD ADVICE

ADV1. The currency period for this development approval for Boundary Realignment is 12 months after the development approval starts to have effect. The development approval will lapse unless the survey plan for all works and stages required to be given to Council for approval is provided within this period.

An applicant may request Council to extend the relevant period provided that such request is made in accordance with Section 86 of the *Planning Act 2016* and before the development approval lapses under Section 85 of the *Planning Act 2016*.

ADV2. This development approval does not authorise any activity that may harm Aboriginal Cultural Heritage. Under the *Aboriginal Cultural Heritage Act 2003* you have a duty of care in relation to such heritage. Section 23(1) provides that “*A person who carries out an activity does not harm Aboriginal Cultural Heritage.*” Council does not warrant that the approved development avoids affecting Aboriginal Cultural Heritage. It may therefore be prudent for you to carry out searches, consultation, or a Cultural Heritage assessment to ascertain the presence or otherwise of Aboriginal Cultural Heritage. The Act and the associated duty of care guidelines explain your obligations in more detail and should be consulted before proceeding. A search can be arranged by visiting <https://www.datsip.qld.gov.au> and filling out the Aboriginal and Torres Strait Islander Cultural Heritage Search Request Form.

ADV3. Attached for your information is a copy of Chapter 6 of the *Planning Act 2016* as regards to Appeal Rights.

ADV4. Infrastructure charges are now levied by way of an infrastructure charges notice, issued pursuant to Section 119 of the *Planning Act 2016*.
