Attn: [REDACTED]

Good morning [REDACTED],

Our technical consultants have advised that the assessments required to respond to Council's Information Request will not be completed before the current response period ends on 16 October 2026.

Could Council please confirm that they agree to an extension of the response period by a further three (3) months, making the new response date 21 January 2027.

While we do not expect to require the full extension period, the additional time will assist in completing the necessary technical reporting.

Kind regards,

[REDACTED]

Jack Wallace
