SARA's timeframe will therefore recommence from 1 October 2026.

Please keep me in the loop on your ETA of the provision of your response to SARA's further advice.

Hi [REDACTED]

RE: 2603-51145 SRA - MCU (High Impact Industry) - Burnett Highway, Glan Devon

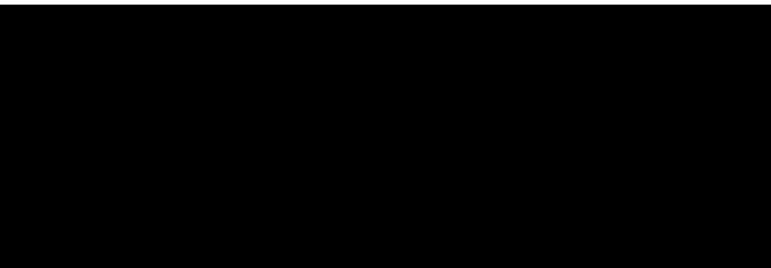

Just touching base on the above application to see if you have an indicative timeframe for providing your response to SARA's advice notice?

I note the current stopped period ends on 28 August 2026 and is approaching quickly.

I also understand from DETSI that you do not currently have RSO status. If there is any update on this aspect, I'd like to hear where things are up to.

Thanks, [REDACTED]

Kind regards,
